GATHERED OVER THE COUNTY.

Eli Townsend, of Philipsburg, who has been ill with pneumonia is reported as improving. The Howard Handle & Spoke Co. are running their factory full time and have orders to last them several months.

The next Shaeffer-Hazel reunion will be held on June 24, at Hecla Park, the same as the past two years. The Philipsburg Fire Brick works is one of the busy industries these days and are shipping from 75 to 100 cars a month.

John Reish, landlord of the Millheim National Hotel, rented a home in Millheim and will live retired after the first of April. The Knights of the Macabees, the new order established in Boalsburg about a year ago, have refurnished and carpeted their hall.

We are sorry to note the serious illness of Eli Townsend, who is suffering from an attack of pneumonia at his home in Philipsburg. Harry Casper, of Coleville, aged 17 years, was run over by a bob sled during the early part of the week and quite seriously injured.

Musser of Spring Mills, who is employed in the Altoona shops, was taken seriously ill last week with appendicitis and an operation was performed, which has proven successful and the young man is improving nicely. The United Telephone and Telegraph company in Bellefonte can justly be proud.

In our next issue we will be able to give an account of the wedding of W. S. Wieland, of Nordemont, Pa., to a Miss Pennington, an instructor in the Sullivan county schools. Mr. Wieland was recently appointed postmaster of that place and is connected with the Nordemont Supply Co. The young gentleman is a native of Harris township and was born and reared near Linden Hall.

MRS. MILTON R. JOHNSON—died suddenly Tuesday afternoon about 1:15 o'clock in the yard of her husband's home on North Spring street. She had gone to the barn to feed the chickens and her little daughter was about to start to school and she went to say good-bye to her mother and found her lying unconscious in the chicken yard. She ran back and told the family but they had already passed away. Death is believed to have been due to a stroke of apoplexy.

The deceased, whose maiden name was C. Keturah Barr, was the daughter of the late Squire Samuel Barr. Age 36 years, 4 months and 26 days. She is survived by her husband and the following children: Bella Hazel, Mildred and Esther. James Zerby will move to Coopertown in his new jewelry store, in the near future. A certain man comes to our town who knows other people's business. I think he would better mind his own. Harry Shreckengast, of Union county, is in this section visiting friends and relatives.

WITHOUT STOMACH DOSING. Hymeni Cures Catarrh by Simple Breathing. S. Krumrine Refund Money if it Fails to Cure. A long stride toward solving the mystery of curing catarrh was taken with the discovery of Hymeni. In fact, the percentage of cures by this treatment proves it equal to the final test.

The folly of taking medicine into the stomach to cure catarrh of the nose, throat and lungs, has been realized by physicians, but not until Hymeni was known, had they a practical method that would obviate stomach drugging. A complete Hymeni outfit costs but \$1, and consists of a neat pocket inhaler that can be used anywhere without attracting attention, a medicine dropper and a bottle of Hymeni. Extra bottles of Hymeni costs but 50c.

Breathing Hymeni through the inhaler, every particle of air that enters the nose, throat and lungs, is charged with a healing balsam that soothes and allays all irritation, kills the catarrhal germs and enriches the blood with additional ozone. S. Krumrine has so much faith in the power of Hymeni to cure catarrh, that he is selling it under his personal guarantee to refund the money if it does not give positive relief.
