IS YOUR BACK ALLRIGHT?

If It Isn't the Chances Are That Your Kidneys Are Calling For Aid.

The kidneys are the most important of all the organs; they have more work to perform than any other, hence the necessity of heeding the first symptoms of their derangement. They filter or strain the blood, thus removing the impurities and poisons from this vital fluid. By keeping these greatest of Blood Purifying organs in good health, many diseases are prevented.

Pains in the back and joints are evidence that the kidneys are affected, and they in return will affect the Nerves, causing nervousness, sleeplessness, restlessness, irritability, etc. Infrequent or too frequent urination, excessive, painful or scanty urinary passage are all conclusive proof that the kidneys need assistance.

For any of these troubles Krines Kidney Pills are a positive cure and for them to fail to do what they were designed to do would be like reversing the law of cause and effect. These pills are sold and guaranteed at Krumrine's Drug store. If you are not benefitted you get your money back by asking for it.

WINTER MEAT EATING.

The Poor Stomach's Tale of Woe. Just Now Mi-o-na is Needed.

At this season of the year thousands of people are already showing the ill symptoms that are sure result from the usual winter diet. Indoor life, meat-eating, hearty food, lack of exercise, over-work, and poor ventilation spell "sickness," and poor health.

If the stomach cannot do its work properly, ill health is sure to follow. Mi-o-na is the one medicine that assures a natural digestion, that strengthens the stomach, that soothes and heals all irritation, congestion, and inflammation in the stomach or bowels. It is this that makes it a certain and guaranteed cure for all stomach troubles.

If the digestion is impaired, the blood is impoverished and becomes filled with poisonous impurities, deranging the whole system, causing sickness and suffering. Mi-o-na, acting upon the stomach and digestive organs cures sleeplessness, nervous troubles, headaches, backaches, and general weakness and debility.

If you are weak and ailing the chances are that it is due to a diseased stomach, but you can be cured by using Mi-o-na. Ask S. Krumrine, the reliable druggist, to show you the strong guarantee under which Mi-o-na is sold. Mi-o-na costs but 50c a box. If it does not help you, the price is absolutely nothing.

REXALL "93" HAIR TONIC.

Pull a hair from your head—if it is plump and rosy it is healthy, but if it is white and shrunken it is certainly diseased—and diseased hair is the short road to a bald head. Few people can afford a bald head, for a bald head is a serious handicap. In these days when youth is a moving factor, when a man has to make his mark at thirty-five or be dubbed a "has been"—when business houses pension the men we used to call "middle aged," rather than allow their lagging influence to intrude upon the modern rush—you will certainly believe me in saying a bald head is a serious handicap. Few people can afford a bald head. Even those who can. Those who are "fixed" socially, financially and matrimonially have no desire for bald heads. But whether we can afford it or not thousands of us are bald, either partially or wholly. What caused the baldness, whether an inherited tendency, undue mental effort, sickness, dandruff or other scalp disease, makes no difference. What we want is to grow new hair.

to return, and dandruff declined to disappear. All this, however, is of the past. Failures have given place to success. A real hair restorative has at last been found.

Rexall "93" Hair Tonic is a positive cure for all hair and scalp troubles. It is not sticky nor gummy, will not thicken on the hair, does not become rancid, has no disagreeable odor. It is clean, agreeable and pleasant to use.

It is a hairdressing of the highest order, and when a purchaser considers that I take all the risk in making such strong statements, is there any risk in giving it a trial? I want you to try on my personal recommendation one bottle of Rexall "93" Hair Tonic. I will sell it to you on the broad and liberal Rexall guarantee of "Your money back if you are in any way dissatisfied." I do this of a desire to sell my customers just the remedies that give them value for their money. All I ask is the return of the empty bottle. Price, fifty cents a bottle.

Rexall "93" Shampoo

A fragrant perfume toilet preparation that will make the scalp cleaner than any other shampoo—and keep it clean—its put up in large capped jars, twenty-five cents each. Guaranteed too.
