MRS. HALL'S MIRACLE.

Experiences Have Occasioned Considable Comment In Bellefonte.

Few women are better known in Lockport, N. Y., than Mrs. Paftie D. Hall, as she belongs to one of the best families and has a large circle of friends and acquaintances. In a recent interview Mrs. Hall said :

"The experience I have been through in the last two years seems like a miracle. I was so badly off that life seemed almost unendurable, and my deafness increased so that I could scarcely hear anything. The suffocation in my chest and the indigestion caused by my catarrh procured very severe suffering. I had five different physicians, bought everything that anybody recommended to me, thing that anybody recommended to me, and other articles. Geo. C. Waite, auct. but finally gave up in despair.

"One day my milliner asked me if I had ever tried Hyomei. I began the piter's equator. The distances of the treatment, and can thankfully testify 2 miles east of Salona, in Lamar Twp., at 10 that Hyomei does cure this terrible dis- o'clock a.m. will sell the following ease. Since using it my hearing is greatly improved, and the only time I have any catarrhal trouble is when I take I then use Hyomei, and always get instant relief. My friends and acquaintances marvel at the change in 14 fall cows, 10 helfers, 6 my health and hearing."

Hyomei has made many cures of ca- 63 SHOATS 7 good SHEEP, tarrh, and in connection with Hyomei 7 BROOD SOWS I POLAND balm, of catarrhal deafness, in Belle- BOAR. fonte. Similar experiences to that of Mrs. Hall's have created large sale for

Hyonei with S. Krumrine.

The complete outfit, including the inhaler, costs but \$1, while extra bottles are but 50 cents. Ask S. Krumrine to show you the strong guarantee under show you the strong guarantee under which he sells Hyomei.

terrific hurricane. Kuropatkin's center had been compelled to abandon the mighty fortifications along the Sha river March 8, when the boom of cannon to the northwest of Mukden and dispatches from that point had told the Russian general that the Port Arthur veterans under Nogi by forced marches had completely turned the extreme Russian right, while the Japanese right, under Kuroki, was circling to the north of Fushun. General Oku, in command of the center, pressed relentlessly on the heels of the retreating Russians, killing and capturing by the thousand and securing vast military stores and big guns. By March 9 General Nogi had destroyed the railroad to the north of Mukden, and only a narrow gap along the northern roads was left for the retreating

flanks. Oyama's enveloping tactics had won a tremendous victory.

# Russian Army Crushed; Japs In Mukden

of Manchuria, in what is justly regarded as the greatest battle of all history, was expected to compel Russian peace overtures. When Field Mars al Oyama entered the city March 10 the fighting, which had been in progress for nearly two weeks, still went on to the east and north, where the defeated and demoralized army of Kuropatkin was on the run, with the wearled but exultant Japs closing in on them from all sides. Over 100,000 soldiers of Japan and Russia lay dead in various parts of the field of battle, and the fighting went on in the face of a and demoralized Russian army. Even then it was a question whether or not they would be able to break through the converging Japanese
