IS YOUR BACK ALLRIGHT?

If It Isn't the Chances Are That Your Kidneys Are Calling For Aid.

The kidneys are the most important of all the organs; they have more work to perform than any other, hence the necessity of heeding the first symptoms of their derangement. They filter or strain the blood, thus removing the impurities and poisons from this vital fluid. By keeping these greatest of Blood Purifying organs in good health, many diseases are prevented.

Pains in the back and loins are evidence that the kidneys are affected, and they in return will affect the Nerves, causing nervousness, sleeplessness, restlessness, irritability, etc. In frequent or too frequent urination excessive, painful or scanty urinary passage are all conclusive proof that the kidneys need assistance.

For any of these troubles Krines Kidney Pills are a positive cure and for them to fail to do what they were designed to do would be like reversing the law of cause and effect. These pills are sold and guaranteed at Krumine's Drug Store. If you are not benefited you get your money back by asking for it.

To Cure a Cold in One Day.

Take LAXATIVE BROMO QUININE Tablets. All druggists refund the money if it fails to cure.

E. W. Grov's signature is on each box.

NAME FOR INDIGESTION.

S. Krumine Has a Simple Remedy That is Guaranteed to Cure The Trouble.

No one word better expresses the condition of the sufferer from weak stomach or indigestion than "misery." The stomach is weak and cannot digest the food, so that there is no appetite, there are pains and griping in the stomach and bowels, the head and back ache, and the misery goes to every organ.

Strengthen the stomach and the digestive system by the use of Mi-o-na. This is the only stomach remedy known that gives relief by strengthening the stomach and digestive organs. It is this principle that makes it a certain cure for indigestion. Other medicines may give temporary relief by helping digest the food, but they do not strengthen the stomach, and that organ gets weaker and weaker all the time.

S. Krumine, the reliable retail druggist, has so much confidence in this remarkable remedy that he guarantees a cure, or the money will be refunded. Mi-o-na costs but 30 cents a box. Ask to see the string guarantee given with every box.

Mi-o-na is in tablet form and should be taken before each meal. Other remedies for stomach troubles and indigestion are taken after the meal, and decompose the good food you eat, but Mi-o-na used before eating strengthens the stomach, soothes and heals all irritation and inflammation, enriches the blood and puts the stomach in such a healthy condition that it will take care of the food itself and there will be no pain and suffering.

HE DIDN'T NEED ANY.

Angelina: "You know I shouldn't be sitting with you here. Papa said I wasn't to give you any encouragement." Edwin: "Oh, that's all right. I don't need any encouragement."

Coughs, Colds

Lots of people look at a cough or cold as if it were inevitable, and refer to it as some ailment, which they naturally expect during the stormy winter months. No person need have the slightest attack of cold or la grippe, nor even pneumonia, if their system is properly fortified. REXALL MUCU-TONE will fortify your system against any such attacks. Since I make this strong statement I will tell you how Mucu-Tone does this: Coughs, colds and pneumonia are but the result of a catarrhal condition, which is in reality an internal scrofula. If the system is free of catarrhal germs you need never fear coughs, colds and pneumonia. Mucu-Tone will do it because Mucu-Tone clears the system of every trace of catarrhal germs, tones up the system, shakes off hanging on tag-end coughs and colds, revitalizes the entire system, increases the appetite and makes you put on flesh. You take no chances in buying Mucu-Tone, because I back it up by refunding the price if you are in any way dissatisfied. I couldn't afford to spend my time selling this remedy if it didn't benefit ninety-eight out of every hundred persons who use it. I want you to try, on my personal recommendation, a large trial-size bottle that I sell for fifty cents.
