Clothier, president of the school, and John Wanamaker addressed the class and Mr. Boozer, who was an honor man, responded in behalf of the class. -The fine weather the latter part of March and the beginning of April enabled farmers to do some plowing, and make headway with the spring work. Women have also a fine opening for house cleaning and truck gardeners for setting out onions and such. Altogether the spring started out quite favorably for any outdoor operations. That spring set in on schedule time is evidenced by the way the dust flies on our streets under the wafting of every little breeze and the passing of vehicles over the roads. Get out the hose and get ahead of the dust. -The concert to be given for the benefit of the Bellefonte Hospital, April 25th, is in charge of the Ladies Auxiliary of that hospital. Miss Rebecca Pugh Lyon will assist them by securing the services of two well known artists of Philadelphia; Miss Helen Frame, soprano, of Constantinov Sternberg's conservatory, and Miss Edna Bradfield, a talented young violinist. The pupils of Miss Lyon will not take any part in this concert, as she is giving a series of recitals for them in her studio. This concert for the hospital should be well patronized both as a musical treat, and for its humane object, which no doubt will appeal to all.

The increase is such as to restore the same scale of wages as prevailed prior to the reduction in 1903. -Charles Flack, who has been playing in Culbanc, Chase & Weston's minstrel orchestra, arrived home the past week, the show having closed their season in Brooklyn, N. Sunday afternoon a mass meeting for all Sunday workers will be held in the Methodist church. -The Sunday school agents who are touring the state looking up the Sabbath school cause are in Bellefonte Sunday to see how the work is prospering in Bellefonte and the rest of the county. Appropriate exercises are on the program during the stay of the touring committee in our town and we imagine they will find the army in good trim all around and will be able to make a favorable report to state headquarters of the cause in this town and county. Their tour will take in the main towns in the counties of the state. The number of touring agents is six.

-Isaac and Isaiah Beck, two pleasant gentlemen, of Warriorsmark, favored us with a call. -We are pleased to note that our neighbor Abr. Luckenbach, is able to be about again after a six week's siege of pneumonia. -Rev. Stonecypher, of Boalsburg, preached an excellent sermon in the Lutheran church, of this place, as a supply, on last Sabbath evening. -Better wall papers than ever been sold in this town-more artistic in design and coloring-the kind that gives tone and character to your house, at prices within reach of all, at Eckenroth Bros., Bush Arcade. -Messrs. Kerrin, of Moshannon and M. Meeker, of Pine Glen, were in town yesterday and did not fail to call around for a friendly chat. They say the settlement of the coal strike is a great relief to their section where many miners are employed. -Recent callers in our sanctum, pleasant and ever welcome: J. I. Wagner, of Blanshard; John A. David, of Curtin; Daniel Robb, of Blanchard who has moved to Lock Haven; Solomon Peck, of Nittany, who can interest any one upon what he knows of "old times"; Philip Wertz, of State College, who reports grain fields looking promising; Auctioneer Neff, who is well enough to be around and has a record of crying more sales than any one in the county, past or present; J. W. Tressler who moved from Oak Hall to Gregg township; N. H. Krape, of Bellefonte; Wm. Pealer, retired merchant and one of Gregg twp's most esteemed citizens; Wm. Grove, of Altoona, formerly Pine Grove Mills; Geo. T. Smull, of Smullton; Capt. Fry, of Pine Grove Mills, candidate for commissioner; Esq., and editor F. P. Musser, of Millheim, transacted business at the county seat a few days ago; W. H. Bair, of Aaronsburg, has moved to Altoona, and gave us a call; Daniel Immel, of Spring Mills, reports wheat fields looking fine; Wm. Reese, of Powlton; Moses Behres, of Stormstown, who reports the wheat fields looking very fine; S. B. Shaffer, the popular landlord at Rebersburg; J. A. McClintick and nephew J. R. S. Musser, of Aaronsburg; M. L. Rishel, Esq., of Farmers Mills, and Charles Wright of Linden Hall. -Mrs. Thos. Grenninger, whose maiden name was Mary Pifer, died at her home in Clintondale on 28th ult., of heart failure, aged 25 years. Arrangements have been made a Northumberland county jail for the future reception of tramps imprisoned for illegal car riding. Heretofore they, occupied cells and partook of the regular bill of fare. Hereafter they will occupy quarters in the cellar and live on bread and water. Miss Mary Strack, of York, has fully recovered from an operation for the removal of a 100-pound tumor, the largest on record. Before she was placed on the operating table she weighed 172 pounds. She now weighs ninety pounds. She has gained eighteen pounds since the operation. T. F. Ohl, the Clintondale merchant, has been ailing for some time with a sickness that baffles the physicians. Sunday a consultation of physicians was held for the purpose of determining more fully the exact nature of the disease. It is to be hoped that Mr. Ohl may receive some benefit from the combined judgment of the consulting doctors and that he will be restored to his former good health. Frank, the two-and-a-half-year-old son of Landlord D. B. Johnson, of the Junction hotel at Lock Haven, who was on Saturday playing along the tracks of the Bald Eagle valley railroad near the depot at that place while attempting to cross the tracks in front of an approaching engine was knocked down by the engine and fell between the rails where he lay perfectly quiet while the engine and two cars passed over him. The engineer stopped as quickly as possible and went back, expecting to gather up the mangled remains of the boy, but found him entirely unharmed excepting a slight abrasion above the right eye. Had the little fellow attempted to move after he was struck he would doubtless have been killed. -Fine Deer Killed. What is said to be the oldest and largest buck ever killed in Blair county and evidently the patriarch of the herd of deer which ranges Tussey mountain, met an ignominious and untimely end in the vicinity of Williamsburg on Wednesday last, being pulled down by dogs almost within sight of the town, after a long chase. The body of this magnificent monarch of the forest, half torn to pieces by his savage assailants, was discovered on a farm a short distance south-east from that town Thursday. The head, a splendid trophy, with ten-prong antlers, was recovered by citizens of Williamsburg and is said to be of unusual size and beauty. A contract has been awarded to Griffin Garrett to construct a new church at Mackeyville to take the place of the structure burned in that town last fall.

GATHERED OVER THE COUNTY. At the horse sale at Rebersburg twelve horses were sold at an average price of \$155. The regular season for brook trout opens on April 15, and the fishermen are already making preparations for that time. L. K. Dennis and family, of Fiedler, left last Thursday morning for Scotland, S. D., where they expect to make their future home. The Penns Cave house is vacant, and unless the property is sold the place will more than likely be without an occupant during the year. Miss Jennie Reifsnnyder, of Millheim, left Wednesday morning for a two weeks' trip to Florida. She accompanied J. S. McCarger, and wife of Bellefonte. Samuel Foust, a once prominent citizen of Miles township, who has been in poor health for several years, is quite low and supposed to be near his end in life. Peter Smith of Centre Hall, while trimming grape vines last week, fell from a step ladder and received internal injuries from which he suffers considerably. There is talk of having electric lights in Millheim. A paper is being circulated to see how many lights can be secured and if 500 are pledged the plant will be put in. George Meyers and Miss Anna Maud Irvin were married at noon on Thursday, 30th at the home of the bride's parents, Mr. and Mrs. Daniel Irvin, of Baileyville. A little daughter, Miss Dorothy Virginia, was born to Mr. and Mrs. George M. Hall, of Elkins, W. Va., on March 11th. Mrs. Hall was Miss Freda Hess, formerly of Linden Hall. R. Hamill Goheen, of Pine Grove Mills, lost a fine horse on Tuesday of last week. While hauling a load of his own flitting the beast dropped dead on the road near Rock Springs. On last Friday W. C. Krader recently bought George B. Shaffer's store at Coburn. Mr. Krader was formerly in the mercantile business at that place and has concluded to give it another trial. R. J. Gibbs, of Milesburg, had a stroke of paralysis on last Saturday, 25. He recovered enough to attend a funeral on Monday but suffered a second stroke and since then has been unable to walk. The Philipsburg Daily Journal has entered upon its 18th volume. It is an interesting daily and we are pleased that it is receiving deserved recognition and prosperity from the citizens of that live town. Robert H. Harris, of Walker township, this county, and Miss Mabel Rousp, of Lamar, Clinton county, were married at Trinity M. E. parsonage Lock Haven, on Saturday by the pastor, Rev. H. R. Bender. The Department commander of the Grand Army has sent a handsome badge made of captured cannon metal to Capt. W. H. Fry, of Pine Grove Mills, who was recently appointed an aide-de-camp on his staff. W. H. Fravel, of Philipsburg, has secured the contract for the laying of the three miles of pipe for the Snow Shoe water company, to connect their reservoir with the town. He will also do all the plumbing for the company. After an absence of eight years, Frank Bierly, of Logansport, Indiana, came east on a visit to his father, Joseph Bierly of Madisonburg. Mr. Bierly went west twenty-seven years ago, and is now engaged with a railroad bridge crew. An unknown man was instantly killed by an east bound freight train on the Beech Creek railroad at Snow Shoe early last week. The body was terribly cut and mangled and was turned over to the Snow Shoe authorities for investigation and burial. Just now the outlook for close to an average crop of wheat is good, the fields having recovered from the unfavorable appearance, several months ago, from the heavy freezes. The fruit crop also seems assured at this stage. Only unfavorable conditions during later months will change this cheering prospect for good crops. Farmers feel encouraged. A young woman in Philipsburg complained to a neighbor the other morning that her husband did not bring her candy and flowers as he did when they were passing through the happy experience of courting days. An explanation was hinted at by one who overheard her complaint that now he has to substitute a \$15 hat for one dollar's worth of candy. Tuesday evening the Park hotel in Williamsport was the scene of a very pretty wedding that was attended by 150 guests. The contracting parties were S. W. Kalin, of State College, and Miss Sara Herr, of Muncy valley. The ceremony was performed by Rev. I. Rosenbloom, pastor of the Beth Juda temple of Lock Haven. Rev. and Mrs. George Bright, mourn the death of their second son, John Edwin, which occurred at Strasburg, Ohio, March 27. The little fellow, who was born while his father was pastor of the Lutheran church in Philipsburg, was aged 6 years, 2 months and seven days. He had suffered for some time from a nervous trouble which finally affected his heart and proved fatal. The body was taken Hubersburg, this county, the home of Mrs. Bright's parents and buried on Wednesday of last week.

J. A. Stamm, of Boalsburg, has located in Altoona. Jas. L. Kerstetter, of Pleasant Gap, received 955 eggs in the month of March from 45 Plymouth hens. Who can beat that? In Brush valley and all parts of the county the farmers are busy plowing-the ground is in excellent order for the plow. The venerable Michael Segner, George Meyers and Wm. Sellers, Harris township's oldest men, are all under the care of a physician. A new hotel at State College seems to be assured. The old livery barn is now being moved to its location on the alley at the rear of Wm. Hoy's residence and orders have been given by the Nittany Real Estate company to begin the principal operations at once. **LEGAL INTELLIGENCE.** **MARRIAGE LICENSES.** Morris W. RECENT DEATHS. Mrs. GEORGE MOYER-of Loganton died at the home of her son, S. G. Moyer, near that place Monday, aged 76 years. She is survived by four sons and three daughters. GURNEY SMITH-died at the home of his parents, Emanuel Smith and wife, at Potters Mills, Tuesday morning, 27th. He was aged almost twenty-two years. He had been afflicted with consumption for two years. Mrs. IDA HAMPTON-wife of Hugh Hampton, an employee of the College, died early on Thursday morning of pneumonia at her home at State College. She was a daughter of David Fulton, and leaves a small child nine months old. Mrs. W. H. FRIES-died at her home in Richmond Centre, Wisconsin, Saturday, 29th at the advanced age of ninety-two years. CROWLEY-nee Miss Laura Hale Wright, daughter of the late Rev. W. O. Wright, died at her home, No. 1233 Snyder avenue, Philadelphia, on Sunday afternoon. She had been ill about a year with cancer. Rev. Wright was pastor of the Presbyterian church at Milesburg for over thirty-two years, and moved to Philadelphia about four years ago. The interment was made in Mount Moriah cemetery, at that city, on Wednesday afternoon, April 5th. **MANY ENDORSEMENTS.** The article in our last issue urging our council to refuse the \$10,000 offer from the Pruner heirs, instead of maintaining an orphanage, was heartily approved by many of our readers. Some persons do not agree with us, and think that cash in hand beats any kind of a charitable institution; that does not surprise us. The contention that the bequest of \$50,000 is not enough to maintain the institution should not be taken so seriously; for if it were not the heirs would not be eager to give \$20,000 to prevent the experiment. Let the institution be established and we doubt if it ever will be abandoned. Many generations may be profited thereby. This is a question that should enlist the active support of the women in Tyrone and Bellefonte. Are they willing to see an orphanage thrown away for the sake of some ready cash from the heirs? **Easter Offerings.** We are offering, for the Easter Holidays, the finest selection of Clothing, Hats, Neckwear, Hosiery, etc., that can be gathered together.
