IS YOUR BACK ALLRIGHT?

If It Isn't the Chances Are That Your Kidneys Are Calling For Aid. The kidney's are the most important of all the organs; they have more work to perform than any other, hence the necessity of heeding the first symptoms of their derangement. They filter or strain the blood, thus removing the impurities and poisons from this vital fluid. By keeping these greatest of Blood Purifying organs in good health, many diseases are prevented. Pains in the back and loins are evidence that the kidneys are affected, and they in return will affect the Nerves, causing nervousness, sleeplessness, restlessness, irritability, etc. Infrequent or too frequent urination excessive, painful or scanty urinary passage are all conclusive proof that the kidneys need assistance. For any of these troubles Krines Kidney Pills are a positive cure and for them to fail to do what they were designed to do would be like reversing the law of cause and effect. These pills are sold and guaranteed at Krumrine's Drug store. If you are not benefited you get your money back by asking for it.

PINE GLENN.

Mr. Heaton and family moved to the farm vacated by Benner Walker. Rev. Ebersole, of Sterling Run, Pa., preached in the Messiah church of this place, on Monday night. His next appointment is April 17th. Harry Meeker was a Winburne visitor on Friday. Mrs. N. Vallimont and daughter, Grace were Bellefonte visitors on Saturday. The birch distillery has become quite a rendezvous for some of our young people on these sunny afternoons. The large barn on the farm occupied by Thomas Lucas, together with its contents consisting of two cows, one calf, four hogs, a number of chickens, farming implements and a large quantity of hay and grain was totally destroyed by fire on Monday night. The building was owned by G. R. Boak, whose loss is partially covered by insurance; while the contents belonged to Mr. Lucas, who suffers most, having had no insurance. The origin of the fire is a mystery. Did George have a wreck? Well I guess. Several of Pine Glenn's young men will depart to other sections this week to seek employment. Epworth League was well attended on Sunday night. Miss Grace Vallimont was leader and W. F. Leather's gave a very interesting address. The Germania school closed on Monday. The teacher, Miss Jerusha Daugherty, deserves special mention for her very successful work during the term. Some palings were badly "chewed" on Saturday night. Just ask Rudy to explain.

Mrs. Fredrica Shavey, of Cooper, a daughter of the late Boston Fisher died suddenly on Sunday night and was buried in the Askey cemetery on Wednesday. Besides husband and family, she leaves to mourn her loss, one brother, Geo. Fisher, of Germania, and a sister, Mrs. R. V. Daugherty, of this place. Forest fires are raging in many nearby districts. S. C. Walker, of Snow Shoe, was seen on our streets on Sunday. John Daugherty, of Clearfield, attended the funeral of his aunt, Mrs. Shavey, on Wednesday.

Shower has vacated the house owned by ex-sheriff Cronister and has moved in with Eb. Williams. Ellis Ardry has left our town for the summer season and expects to be manager of the large farm owned by J. D. Hicks, in Halfmoon valley. Now is the chance—as our friend Doc, is about ready to close the bargain of his large contract of paperwood which will employ quite a number of men. Now boys you will know where to get good butter, Clara is the one who can make it. Harry Bathurst, wife and little son, have returned to their home in Bellwood after a pleasant visit with his father, Larry Bathurst. It was a good thing for soup that a certain person was not running the fire engine when he was on the blacksmith shop roof. A very destructive fire occurred here on Wednesday evening; the carpenter shop roof ignited from a spark from the furnace and it burned to the ground, destroying many valuable tools. A few friends were invited to spend Friday evening at Ebbs Shultz's. They were very nicely entertained and Mr. Shultz has forgiven them for breaking his table down. Mrs. Julia Boaz, of Lock Haven, spent Sunday with her sister Mrs. J. L. Neff. Howard Neff, wife and little daughter Pauline, drove to Howard on Sunday to the home of Mrs. Neff's mother, Mrs. Leather's.

Rickard moved into the Butler house last week. Joseph Pletcher, of Blanchard, spent part of last week with his many friends at this place. Mrs. Jonathan Packer is visiting friends at Johnstown. IN A FIRE INSURANCE OFFICE.

Anxious Inquirer: "Is it true that for \$10 I can insure my house for \$5,000?" Clerk: "Quite true, madam. If your house burns down we pay you \$5,000." Anxious Inquirer: "And do you make any inquiries as to how the fire originated?" Clerk: "Certainly. We make the most careful inquiries." Emert, who recently moved to that place where he is engaged in farming also keeping store and barbering. The band boys have had their measures taken and will receive their new uniforms in the near future. Nettie Swinford and Lula Fulton, of Huettville, visited Maude Dorman on Sunday. Maude Dorman and brother Oscar have gone to Zion where they will be employed this summer. W. J. Mauck started his meat wagon on the road and it makes a very showy appearance since it is remodeled and repainted. Quite a number of the Hubbersburg, Lamar, Clintondale and Huettville young folks were in our town Sunday and Sunday night. Those who moved away from this place were C. E. Emert, Corman Veareck, B. F. Guiser; C. P. McCaleb moved from Furst Bro's store to this place. On Monday, 3, the daughters of B. F. Fisher gave a surprise party in honor of their mother's fifty-third birthday. The number present was 32. At noon all sat down to a table laden with good things to eat. Mrs. Fisher received some very nice as well as useful presents. The Misses Agnes and Vina Fisher entertained the crowd by rendering some selections on the organ. All departed wishing Mrs. Fisher many more returns of the day.

NOT A PATENT MEDICINE.

Hyomei, The Guaranteed Catarrah Cure, Prescribed By Physicians. No one should confound Hyomei with the patent medicines that are advertised to cure catarrah. It is as far superior to them all as the diamond is more valuable than cheap glass. Their composition is secret, but Hyomei gives it to all reputable physicians. Its base is the valuable eucalyptus oil, famous for its antiseptic qualities. This is combined with aromatic and healing gums and balsams, making a pure liquid, which when used in the Hyomei pocket inhaler, fills the air you breathe with germ-killing, disease-destroying and healing powers that kills all catarrah germs there may be in the throat, nose and lungs. How foolish it is to try and cure catarrah by swallowing tablets or liquids. The only natural way to cure this disease and all other diseases of the respiratory organs is to breathe Hyomei. This treatment has been so successful, curing 99 per cent. of all who have used it, that Hyomei is now sold by S. Krumrine, under an absolute guarantee to refund the money if it does not cure. You run no risk whatever in buying Hyomei. If it did not possess unusual powers to cure, it could not be sold upon this plan. The complete Hyomei outfit costs \$1.00 and comprises an inhaler, a bottle of Hyomei and a dropper. The inhaler will last a lifetime; and additional bottles of Hyomei can be obtained for 50 cents.

Consumption

Consumption is practically incurable, but the cause, even to an advanced stage, is curable. Catarrh is responsible for every case of consumption ever known. Consumption is generally spoken of as the great white plague and the enemy of the white race, but I believe neglect is the people's greatest enemy, when every case of consumption might have been cured in the beginning by taking REXALL MUCU-TONE. No person in my opinion ever had consumption who did not have it begin with Catarrh, and no one who ever used Mucu-Tone ever failed to effect a cure. The reason is clear enough, too—Mucu-Tone is a catarrh remedy that strikes right at the cause. Catarrh is caused by a germ in the blood. Mucu-Tone is a germ destroyer, and first of all destroys the germs of Catarrh, then it tones up the tissues that have been ravaged by the catarrhal parasite, and in that way prevents the germs of consumption from ever getting a start. Besides this it is a wonderful appetizer and flesh builder—you begin to "put on" flesh just as soon as you begin the treatment. I have no other medicine that I recommend so often nor so largely—I in fact I guarantee a large trial bottle that I sell for fifty cents to give results or I refund you the price. Try a big trial bottle to-day on my personal recommendation.
