WHAT IS CATARRH.

Hyomei Cures This Common and Disagreeable Disease.

Hyomei cures catarrh by the simple method of breathing it into the air passages and lungs. It kills the germs of WOOL WANTED :-- I will be on the road the catarrhal poison, heals and soothes the irrited mucous membrane, enters the blood with the oxygen and kills the germs present there, effectually driving this disease from the system.

If you have any of the following of

symptoms, catarrhal germs are at work somewhere in the mucous membrane of the nose, throat, bronchial tubes or tissues of the lungs. huskin st of voice offensive breats

Hyomei will cure the disease, destroy activity of all germ life in the respiratory organs, enrich and purify the blood with additional ozone, and after a few days use of this treatment the majority of these symptons will have disappeared. In a few weeks the cure will be complete Catarrh or catarrhal colds cannot exist, when Hyomei/is used. This is a strong statement, but S. Krumrine emphasizes it by agreeing to refund your money if Hyomei does not cure.
