The wise, patriotic and economical administration of the Honorable Samuel W. efonte We commend and give our unqualified arnell endorsement to the careful and vigilant course of our Senators and Representatives in Congress. They have not only discharged their respective duties toward the Nation and State with ability, but Mills they have conscientiously cared for the no indication that Tuten will root interests of all individuals entrusted to much sod in the democratic pasture. HARTER AND PENNYPACKER.

Last January Governor Pennypacker (known as Exhibit B) took serious exception to a newspaper published in a 21-story building on a main street in Philadelphia that continually was taking note of the Governor's personal and private affairs. This paper, The North American, seemed to annoy him into distraction, when he issued his edict for another press muzzler.

We have here in Bellefonte a gentleman of a different stripe. The editor of the Gazette is sorely distracted over the fact that this same paper refuses to pay him the slightest attention.

When the Gazette jumped into the World's Fair Agricultural exhibit and the North American published the Ga-zette article and Tom's photo, it was just a bully good paper. But since it won't recognize a malicious assault on the Centre County Court it is all bad. To be thus ignored, is the keenest thrust of all. all

Pennypacker never was thus humiliated. Never!

We earnestly pledge our united and individual support to the Republican State Ticket, as well as to our County Ticket, this day named and we promise our utmost effort to secure the election of every candidate on that ticket. (sign
