RIGHT TIME TO CURE CATARRH

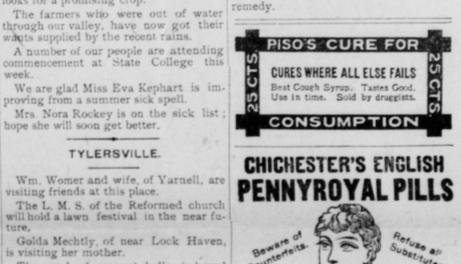

## S. Krumrine Guarantees Hyomei Will Cure if Used Now.

The early summer when the weather becomes warm and settled, is the best time of the whole year to treat catarrhal trouble with the expectation of complete and lasting relief.

Everyone who has catarrh, or even a short vacation with their parents. Mrs. David McClellan and Mrs. Harry eradicated from the system.

The complete Hyomer outfit costs but one dollar, and includes a neat pocket inhaler, a medicine dropper, and sufficient Hyomei for several weeks' treatment. The inhaler lasts a lifetime, and if more Hyomei is needed, extra bottles can be obtained for 50 cents.

In Bellefonte there are scores of well known people who have been cured of catarrh by Hyomei. If it does not cure you, S. Krumrine will return your money. This is the strongest evidence he can offer as to their faith in the remedy
