Justice Brewer, of the United States supreme court in an address before the graduating class of Vassar college made the statement that nobody can be sure that before the hair of the girl graduates whom he was addressing had turned gray "a woman like Queen Victoria should not sit in the White House to glorify this nation as Victoria glorified England."

Consumption Is Bad Nutrition.

Five more absolute cures of tuberculosis have been announced by the Post-graduate Medical school of New York as a result of experiments carried on in the hospital dispensary. This makes a total of forty-five cures since 1898. RELIGIOUS

The peculiar distinction is that it works as well as talks. It helps to take care of the poor and to encourage those who have fallen into bad ways to rise. It provides free legal advice and carries on an extensive educational work. To meet the needs of the young people regular social gatherings are held, and dancing lessons are given by a competent instructor.

ATTENTION, VETERANS.

In order to secure absolute accuracy in the names and spelling thereof on our soldiers' monument, we will publish from time to time the lists of certain companies so as to enable those who are interested to suggest changes in initials or spelling, and also to suggest the names of any persons who may have been omitted from the rolls. This is the last opportunity which will be given to our people and to the survivors or friends of deceased soldiers who served from Centre county to have these names corrected.

1st, whether any have been omitted; and 2nd, whether the names of those already contained in the rolls are properly spelled.

It is also very important that the names of soldiers who enlisted in organizations outside of the county or State should be secured, in order that they may find their place among the nation's defenders upon the monument. This is perhaps the most important thing which the Committee has in charge, the organization from our own county being already well known.

Any communications in regard to these names addressed to Gen. John I. Curtin or William H. Musser, Bellefonte, will receive prompt attention.
