

Bellefonte and Vicinity

The Local Happenings in Short Paragraphs

At Sunrise tomorrow evening. Hon. J. Will Kepler, of Pine Grove Mills, was a visitor in town today. Mr. and Mrs. H. F. Bartley are visiting their son H. W. Bartley in Lock Haven. Three weeks from this date the result of the election will be published in this paper. Mrs. Martin Reese, of Show Shoe, was a shopping visitor in Bellefonte on Friday afternoon. At Sunrise will be the production at the opera house on Friday evening. It is a thrilling production. J. I. Kline left on Saturday for Columbus, Ohio, where he has secured a good position in a china factory. Mr. and Mrs. Samuel Sheffer left this week for Butler, to attend a reunion of his old regiment. Mrs. Sheffer's home was at Butler. The ladies of the Methodist church are preparing to hold a Spinster convention in Petrikin Hall on Friday evening, October 27th. The Odd Fellows having had possession of the town so far this week, there was no necessity for the cry, "Look out for pick-pockets." Charles Newcomer, of the York Bridge Company, York, Pa., spent Sunday with his parents at this place. He has a good position with that company. Among our new advertisements this week will be found that of Mayes, the marble dealer of Howard, who seems to be doing business on an extensive scale. Martin Reese, conductor on the Snow Shoe train, is off on a two weeks vacation. With Mrs. Reese and his daughter Marie they will visit Reading, Philadelphia and Atlantic City. The Lock Haven Normal school defeated the Bellefonte High school at football Saturday by the score of 35 to 0, at the latter place. That made our boys figure a little how it happened, but then they tackled a big proposition. At Monday's council meeting very little business outside of the ordinary routine was transacted. The price to be paid by the Central R. R. of Pa., for water came up for discussion. Bills to the amount of \$1211.53 were approved. Herbert Sheffer has rented the apartment in Petrikin Hall lately occupied by Mr. and Mrs. M. C. Gephart and will move there this week. Several additional steel supports were placed in the audience room where it had settled. On Saturday the Academy will have their annual excursions to State College to witness the game between the Academy and College scrub team. A rate of 25 cents will be given to pupils of the Academy and the Bellefonte High school. A number of farmers visiting the Democrat office complained of hunters tearing down trespass notices. Boys, that is dangerous business and is committing a double offence, viz, trespassing, and tearing down notices on a person's premises, the notices having been placed in accordance with law. On Friday evening fire was discovered in the cellar of the main wing of the Academy building. The Logan and Undine fire companies were on the scene quickly and in a few minutes the fire was extinguished and no serious damage done. Paper from the waste baskets dumped near the furnace caused all the trouble. Harry L. McKee, son of H. A. McKee, formerly of Bellefonte, but now of Wilkensburg, successfully passed the examinations to enter the Carnegie Technical Schools without any conditions. Only 120 were admitted out of 1700 appointments. For the past five years he has been employed with the Westinghouse Machine Company. The Bellefonte Academy football eleven and the Snow Shoe team played a game of football at the Snow Shoe Driving Park Saturday afternoon. The Snow Shoe boys surprised their opponents by their great work and succeeded in winning by the score of 6 to 4. It was not expected that it was necessary to go up on top of the Alleghenies for pointers in this game. A large trout, like the 27-inch one taken in the forge pool last week, can keep a mile of stream cleaned up of trout and other fish, by feeding upon them. The big one mentioned had a mouth large enough to swallow a good sized boy's fist, and perhaps with a little strain one could have swallowed the boy too. Such trout do more to deplete streams than illegal fishing does. Monday evening a novel surprise birthday party was given Dr. J. L. Seibert. When he returned home he found a motley crew of patients of various nationalities and peculiar ailments. It was composed of ladies of the immediate locality, and the disguises worn were remarkable. Should we describe some of the novel costumes we know we would suffer social ostracism in that part of Allegheny street by the participants. It was clever, and the Dr., though astonished at first, enjoyed the event. Just what was the Dr's age, we did not learn, but it is something over thirty at least.

OVER THE COUNTY.

Rev. Leith has tendered his resignation as pastor of the Presbyterian church at Glen Richey to accept a call to the Presbyterian church at Winburne. After spending a vacation of ten days, with his mother at Hublersburg, H. F. Yearick returned to Pittsburg, where he is employed as a railway postal clerk. The open season for pheasants and wild turkeys came in on the 15th, Sunday, but Monday was the first day on which hunters could legally shoot these birds. Rev. J. A. Horner will leave Colyer for Oil City, where he will serve a charge of Free Methodists. The Rev. is an able and conscientious man and has done good work in the ministry. Wednesday evening Boyd Spicher, mail carrier on No 2 route from the Bellefonte postoffice, was married to Miss Emma Tressler, daughter of Joseph Tressler, of Pleasant Gap. Hon. Samuel Frank, of Rebersburg, is confined to the house on account of a severe cold and old age. He is nearly eighty-five years of age, but has always been in good health until lately. On Friday, October 20th, at 2 p.m., the Grammar school and High school of Hublersburg will unite in the observance of Arbor day. An address will be delivered by Rev. H. I. Crow, pastor of the Reformed church. William B. Snyder, a junior at State College, won the John W. White junior scholarship. Before entering college he was a student of the Blanchard High school under F. Milford Fletcher, who assisted him in preparing for college. They say they have a puglist down at Spring Mills, who acts as ticket agent. Recently a man bought a ticket who was intoxicated and the agent proved his ability by shamefully pummeling the poor fellow. The company should promote him. The Blanchard branch of the Young Men's Christian Association has become defunct and the comfortable building erected four years or so ago is now being torn down and removed to Howard where it will be rebuilt and used by Wm. Mayes, the tombstone maker. Frederick Dale, son of Dr. J. Y. Dale, of Lemont, who has held the position of Assistant Surgeon in the United States Army with the rank of First Lieutenant, has been ordered from Washington, D. C., to the Philippine service. Lieutenant Dale, wife and family, left Thursday for his new field of labor. On Saturday afternoon while Mrs. A. C. Musser, of Millheim, was dressing two chickens for her Sunday dinner, she found in the crop of one an old silver half dime. The coin was worn almost smooth. Wherever the chicken found it, it was no doubt its bright appearance induced the fowl to swallow the coin. Journal. At a session of argument court held last week in Bellefonte Harry Grant and James Wilson, the two young men arrested in Philipsburg during the district firemen's convention for stealing two watches from George M. Baney, of Blue Ball, Clearfield county, waived a hearing by the grand jury, plead guilty to the charge and were sentenced by Judge Orvis to one year each in the penitentiary. Tuesday evening of last week about 145 guests assembled at the home of Samuel Wasson, it being Sam and Gertrude's birthdays. College, Curtin, Nittany Mountain, Giltown, Axemann and the Gap, were represented. Can't give all the names but would say Miss Lizzie was a whole show; if you want to laugh ask her to your party. The tables didn't break down but nearly so. Philip saved one end once and said he did not feel good, he looked it too after he ate; the presents were many and useful. In the dead of night they left for their homes; everybody was glad they did not miss it. They were scared you bet. Albert E. Rumberger, of Patton, and Miss Minnie Holter, the eldest daughter of Mr. and Mrs. C. C. Holter, of Rosstier, former residents of Patton, were united in the holy bonds of matrimony at the residence of the bride's parents Wednesday afternoon 18th. The officiating clergyman was Rev. M. E. Swartz, pastor of the Patton M. E. church, a former pastor of the bride. The attendants were assistant postmaster, Will R. Reese, of Patton, and Miss Edith Holter, a sister of the bride. The groom is a valued employe of the Central Supply company. He is a son of G. W. Rumberger, of Unionville. Last Saturday evening an old-fashioned "spelling bee" was held in the high school building at Boalsburg by Profs. Rothrock and Hosterman. Sides were chosen by Guy Wieland, and John Weber and then the fun commenced. One by one they went down; many an old-timer stumbling on some familiar catch word until the last one to hold the floor was Harry Keller, Esq., of Bellefonte, who for weeks has neglected all business and social engagements forte in order to study his spelling book for this occasion, and carry off the prize. So confident was he, that he had his family accompany him to Boalsburg, to witness his accomplishments. Oriental Rugs. The oriental rug sale now at our store is proving a great success. The expert knowledge and long experience of Mr. Sleyman has proven a great advantage; connoisseurs will find it their interest to call immediately at Kats & Co.
