

Bellefonte and Vicinity

-Theodore Cherry and daughter, Miss Minnie, left for Philadelphia Friday morning where they will visit friends.

-Miss Mary Bradley will leave for Philadelphia, November first, where she will spend the winter in the study of music under able instructors.

-Rev. L. N. Fleck, pastor of Zion and Snydertown congregations, will preach in the Lutheran church, Bellefonte, Sunday, Oct. 29, morning and evening. Mr. Fleck is a fine speaker and sincere man, and we bespeak for him a good congregation.
-While out hunting birds last week, back of Runville, Wm. Garman's dog began barking fiercely at what he later found was a good sized bear. He had nothing with him except small shot which bruin did not like and he scampered away.
-Monday night, one and a half rows of celery were stolen from a patch of Sim Baum. This is the second time this offence has been committed and Sim has well-grounded suspicion as to the thief who he can thank his stars if he is not "celebrated" to Fort Taylor.
-The Charley Rine store and shooting gallery in the McClain building, was sold on Saturday to Clayton Brown, who formerly was of Bellefonte, but for some time has been conducting a similar establishment at Atlantic City. He will move his equipment here and add it to this business. It is a good business and we are glad to see Clayton back in town again.
-John Wood, son of Rev. J. A. Wood, Jr., has secured a good position in Pasadena, Cal., and will leave for the Golden state this week. At the same time the body of Gilbert Wood, who died in the early summer, will be raised from its resting place in the Union cemetery and will be sent west on the same train which will convey John, to Pasadena, where it will be permanently interred in the Wood lot in the cemetery at that place.
-If you find that Policeman George Jodon is a little crusty you should overlook it. The other day Mrs. Jodon prepared dinner a little hasty and in the afternoon she took suddenly ill and the cause was not discovered until that night. In preparing the noon meal she went for flour out of the sack in the pantry, but by mistake got in a sack containing Plaster-of-Paris. It was mixed in some dressing and all eat of it heartily. Mr. Jodon thinks the Plaster-of-Paris is still in his stomach, but up to this time has suffered no inconvenience.
-The Democrat sanctum was favored with a call and an hour's chat with G. W. Kroll, of Marcellus, Mich., in company with our townsman Ex-senator Heinle Mr. Knoll in his younger years was a Centre county lad, although born in York county. He attended M'Ghee's Normal at Rebersburg, and thereafter taught school in different localities in this county, for a space of six years, and in 1872 went west. He is now in the mercantile business, and has amassed wealth by honest industry. He is visiting old friends and acquaintances in this county for which he harbors great attachment.
-A Kansas paper says: "Mr. Gottlieb Haag, a sturdy and wealthy German citizen, of Bellefonte, Pa., and who is a spry old gentleman of 76 years, and who was never west of the Pennsylvania line before in his life, is making a couple weeks' visit with his only sister, at Warrensburg, Mo. He is taking in a few of the western cities and spent a couple of days with his nephew, G. H. Sheldenberger, of the Great Western Manufacturing company, in this city, this week. Mr. Haag was fairly delighted with his visit here, especially at Fort Leavenworth and the Soldiers' Home. He also spoke of the wonders of the western metropolis, Kansas City, saying he had no idea of the great business centre."

-The Bellwood strong Athletic football team will play the Bellefonte Academy team at the Fair Ground on Saturday afternoon at 2 o'clock.

-Morrison & Glenn, is the name of the new merchandising firm at Roland which now has the Parker store at that place. W. Galer Morrison, while retaining an interest, will return to Bellefonte with his family, the first nice day after the election, and occupy his home on Bishop street, while Mr. Glenn will give the store his entire attention. Mr. Morrison finds store keeping a little too strenuous.
Leg Almost Severed.
A peculiar and serious accident happened on Nittany Mountain, Thursday of last week, in which the leg of James Calahan was almost severed at a point below the knee. The young man was sawing with a cross cut saw and was in a stooping position. Twenty or more feet distant was his brother, John Calahan, chopping a log, when the axe came loose from the handle, and like an arrow shot in a direct line.
The polished steel struck young Calahan at a point below the back of the knee, separating the muscles, popliteal artery and the small bone, or tibia. It was with great difficulty that the flow of blood was checked, but finally the artery was taken up by Drs. Allison and Braucht. The accident occurred at the Bilger lumber operations, near the school house, on top of Nittany mountain.
Uncle Tom's Cabin.
One of the stage stories that will ever remain strong and true to theatregoers is "Uncle Tom's Cabin," a sumptuous production of which, under the able management of Leon Washburn, will be given at the Garman opera house on Monday, Oct. 30, when everyone who has the opportunity of witnessing this perennial favorite, will acclaim it as one of best presented by any company. Time, effort and expense have not been spared in its staging or selection of cast and the minutest detail has been carefully considered. There is no story of book or stage that so delights the juvenile mind and it is to be hoped that every boy and girl may have their wish to see it gratified.
Most women have no visible means of support—except on rainy days.

OVER THE COUNTY.

The VanValzah farm, west of Centre Grove Mills, was recently sold to Boyd Noll, of Zion, for \$4550.
The board of pardons the other day refused pardon to Edson Fultz, Centre county, larceny.
This has been a most favorable fall for the wheat fields. Next summer's crop will be a good one if nothing about the weather turns up unfavorably.
The northern conference of the Evangelical Lutheran church of Central Pennsylvania will convene at Rebersburg Tuesday evening, November 7.
Potato buyers in Penns Valley last week paid forty cents. The bulk of the crop offered for sale this fall has been sold and very few are affected by the rot.
George Cathcart, of Bellefonte, has a large pumpkin at his home on Half Moon Hill that weighs 86 pounds and measured five feet and seven inches around. That is the best yet reported.
A fair number of wild turkeys have been shot by our sportsmen in the county, and some pheasants—the latter seeming to be less numerous than last year, up to this season's "luck" at this writing.
The following officers of the Centre Hall order of Odd Fellows, were installed: Noble Grand, Robert Bloom; Vice Grand, Andrew Gregg Noll; Secretary, George W. Smith; Treasurer, John H. Puff.
Nathaniel Boob, of Lewis township, Union county, having recently sold his farm in that township, he and family will locate in Millheim next spring. Mr. Boob some years ago resided in Haines township.
It is now safe to say that the dreaded potato rot has ceased, and only a small percentage of the crop has been lost thereby—leaving the marketable crop above a good average, and prices reasonable in consequence.
Mrs. John Heckman, an aged lady living at Spring Mills, Friday morning 13, had the misfortune to fall and break her collar bone; the skirt of her dress caught on a nail, throwing the lady backwards on the porch.
Oscar Zimmerman, son of H. E. Zimmerman of Pleasant Gap, left Peabody, Kansas, in a conveyance on September 14th, arrived in Richmond, Ind., on Thursday of last week. His home coming is looked forward with a good deal of interest.
H. E. Eisenhower, the baggage-expressman, while hunting in the woods in east end of Nittany valley Friday succeeded in bringing down a turkey which weighed 25 pounds. Next forenoon Mr. Eisenhower had the good luck to bag another turkey.
Harrison Pletcher, of Newark valley, N. Y., formerly of Howard, and Miss Annie E. Barr, of Latrobe, Pa., were quietly married, October 10th, at the home of Mr. and Mrs. Geo. Niefer, East Newark, by Rev. F. W. Young. Mr. and Mrs. Pletcher will make their home in East Newark.
"Divvy," a dog with a pedigree and well trained, owned by S. H. Kunes in Blanchard, died Thursday and the family feels his loss keenly. An autopsy disclosed that death was due to a ruptured blood vessel. The dog had been poisoned five times but recovered. Excessive eating is believed to have lead to his end.
Mrs. Annie E. Swartz, formerly of this section, writes us from Northumberland: "Will say, we like our new home very much. Our crops have been good this summer; we tend market every week at Sunbury and trucking is a paying business for farmers in this part of the county. We are all well at this writing. I send my best respects."
Because of frequent prosecutions by the Game Commission of persons hunting without licenses the impression obtains among many persons that under the law enacted last winter all hunters must have licenses. This is incorrect. Licenses are necessary only for those who are not voting residents of Pennsylvania. These include citizens of other States and unaturalized foreign-born residents of this State. All others can go out with a gun without a license.
Sunday morning October 15, at the Lutheran church at Pine Hall Rev. Chas. T. Aiken in his farewell sermon gave the following statistics: Sermons delivered 2,100, members confirmed 450, children baptized 350, marriages solemnized 166, funeral services conducted 375, pastoral visits made 6,200, distance driven 28,000, money contributed \$32,000 (by the three congregations, Pine Grove, Pine Hall and Gatesburg.) The Pine Hall congregation at the present time has a membership of 130, while the membership seven years ago was about 50.—State College Times.
At the residence of Mr. and Mrs. Isaac Williams, West Main street, Howard, Pa., William Miles Lucas, of Dagons Mines, Pa., and their daughter, Miss Kathryn Eliza Williams, were married. The ceremony being performed by Rev. Bardou, of Philadelphia. Miss Idella Williams, sister of the bride, was bridesmaid and Mr. Lozer, of Clearfield, was groomsmen. It was a quiet wedding. The ceremony being witnessed by near relatives. Mr. and Mrs. Lucas departed on a wedding trip to Niagara Falls and Buffalo. Later they will locate at Dagons Mines, where the groom is engaged in railroading. The bride is one of Howard's attractive and accomplished young ladies.

Rev. C. T. Aikens, formerly of Pine Grove Mills, on Monday evening was formally inducted as president of Susquehanna University, at Selinsgrove.
Singleton Bell, Esq., of Clearfield, by mistake ate part of a biscuit containing rat poison one evening recently and the most prompt and vigorous efforts of physicians were required to save his life.
Prof. Surface, State Zoologist and a number of trained experts will be in Col. Reynolds' orchard Friday morning, from 10 to 11:30, to give a public demonstration in spraying for San Jose scale. All persons interested are invited to attend.
District Deputy Grand Master W. P. Kuhn, of Bellefonte, recently installed the following officers of Spring Mills I. O. O. F. Lodge 597: Noble grand, J. O. McCormick; vice grand, B. F. Kenelly; recording secretary, E. S. Ripka; financial secretary, J. A. Wagner; treasurer, J. D. Wagner; right supporter to noble grand, W. H. Sinkin; chaplain, W. O. Gramley; warden, G. F. Condo; right scene supporter, W. A. Neese; left scene supporter, L. G. Snyder. This lodge was instituted a little over two years ago, has a membership well nigh the sixty mark and is wielding a wide and good influence.
SHOT AT SCOTIA.
A Little Boy Shot By Bert Delige, Dead.
Friday at about one o'clock Bert Delige and brother Bud, colored, were out hunting and came through the woods to the school house, near Scotia, taught by Miss Sallie Meek. As they were in the woods some of the scholars were about the building. Little Ralph M. Williams, aged 13 years and a son of Geo. W. Williams, approached the hunters and said to Bert Delige, "Stop I want to see you." At the same time Delige raised his gun partly and pointing it at the boy said, "stop, or I will shoot you!" and soon after the shot was fired, the load of fine shot struck the boy, who was about two rods distant, in the calf of the leg and he fell. The school children became frightened at what happened and ran in the building and told the teacher. Bert Delige threw down his gun and stayed with the injured boy, while his brother ran down to Scotia for assistance. The boy was put on a train soon after to be taken to the Altoona hospital, but grew very weak from the loss of blood, and died in his father's arms at Bellwood.
Delige made no attempt to escape and was put under arrest and brought to Bellefonte Saturday and put in jail. He claims the shooting was purely accidental.
Delige was sent to the Huntingdon Reformatory a few years ago for shooting at Merchant Haugh, of Scotia. He also was in the county jail recently for an assault on a Mr. Bortoff. Delige was born and reared at Scotia and has the reputation of being a desperate lad at times.
Entire School Board Arrested.
The arrest of the entire school board of Washington township, Schuylkill county, on charges of misdemeanor in office and bribery was caused by the taxpayers association of Schuylkill county. The directors are John A. Miller, Daniel Krouse, J. G. Brown, James Fox, A. J. Hummel and John Shearer all farmers and property owners. Bail was fixed at \$200 for each. This is the kind of business the Gazette just recently defended.
Electric Lights to Kill Grasshoppers.
A new proposition has been tried in Madera county, Cal., with great success in exterminating grasshoppers on a small scale and will be tried more extensively wherever electric light is available, says a Fresno dispatch to the New York Times. This is the use of a strong electric light to attract grasshoppers to large shallow troughs which contain a mixture of oil that kills the insects. Farmers who have employed the light say it promises to be a most valuable method, as only a few lights are needed, and these attract the grasshoppers in immense numbers from long distances. During some years the grasshoppers are very destructive in the region on both sides of the San Joaquin river, and no preventive measure has hitherto been found.
