

Bellefonte and Vicinity

The Local Happenings in Short Paragraphs

Deer hunting season opened yesterday. C. F. Montgomery was a business visitor at Lock Haven Monday. "We the People" is the topic for the lecture in the Court House, this evening. "Dr. Jekyll and Mr. Hyde" will be at the opera house on Monday evening, November 20th. Remember the concert to be given in the court house to-morrow evening by the ladies of the Presbyterian church. Communion in the Lutheran church at morning and evening services, by Rev. Rearick, on Sunday November 26. The High school and Academy foot ball teams will play on Friday afternoon at 3 o'clock, on the fair ground. Admission 25c. On Tuesday morning the thermometer showed down to 17, which is an invitation to have overcoats and wraps convenient. Mr. and Mrs. Theodore P. Rynder on their way home to Erie from Philadelphia, stopped in Bellefonte and Milesburg over Sunday. The concert in the Court House on Friday evening will have some excellent features in it; proceeds for the benefit of the Presbyterian church. The Friday evening dancing school conducted by the Misses White and Crissman is largely attended. Smith's orchestra furnishes the music. Since the circulation of the Centre Democrat has reached the 4500 mark, it is quite natural that one of our contemporaries is dissatisfied with the kind of a paper we produce. There is plenty room left, for all. The outside attendance at Institute this week is not as large as on other occasions, probably due to the fact that during the holiday season more people come to town to make their purchases and enjoy a vacation. The State College High school defeated the Bellefonte Academy at foot ball Saturday by the score of 11 to 0. The game was played at the Bellefonte Fair grounds. Why don't the Academy tackle the High school team? Why don't they. Rev. J. A. Bright, a Lutheran minister from Kansas, was a pleasant caller Monday. He is a native of Aronsburg and has been in the ministry for over thirty years, the greater part of his time in Kansas. His first charge was at Hubsburg some thirty years ago, which he served five years. The members of the Lutheran church of this place will give their new pastor, Rev. W. M. Rearick, and family a reception in the church, on Friday evening, 18, which all members are requested to attend. Besides exercises of vocal music, refreshments will be served, which will be furnished by the ladies. Hog slaughtering season—killing—has set in and the squeal of the condemned porker will be heard over the land. Sausages and buckwheat cakes will be all the go on the tables set for the goodhousewives of the country homes. Pork, happily, is plenty and so is buckwheat, and no one need suffer for want of these delicacies—even the inevitable tramp will gladly smother them. For some time Alf Baum, the liveryman, has had slight attacks of appendicitis and he finally decided to submit to an operation in the hope of averting a serious attack. Last Friday he underwent an operation at the Sanitarium, which showed that he was suffering from the ailment. He was in good condition for the ordeal and as a result his condition since then is very satisfactory and recovery is assured. Sheriff H. S. Taylor, whose term expires January 1st, will not let the grass grow under his feet after his term of office is over. He has rented the vacant rooms in the Garman Opera House block, formerly occupied by The Centre Democrat, and will resume the practice of the law. By that time his home on Linn street will be ready for occupancy and the family will move there. The long-established jewelry firm of F. C. Richards' Sons, of this place is about to be discontinued. Charles Richards finds that his health will not permit the close confinement, and Edward Richards has become connected with the "Whiterock quarries" near Pleasant Gap. They have decided to close out their stock at retail, and for that reason a special sale was inaugurated on the 15th, a full announcement of which appears in another part of this issue. The special Auditor of the Court of Claims has made a report recommending the allowance of extra pay as follows: Arthur Cunard Simler, William H. Allen, Philip F. Garbrick, Samuel D. Gettig, Edward R. Taylor and Lemuel R. Poorman, being the first six claims of members of Company "B" during the Spanish American war, for one month's allowance of pay. The other cases now on file for allowance will be passed upon in their order, and judgments secured thereon, the same as in the above mentioned cases. The payments will be made out of the urgency deficiency bill of Congress after its passage, or probably not until the passage of the general deficiency bill.

The ladies of St. John's Episcopal church have decided to give a turkey dinner, at 5 o'clock, November 23rd. Mrs. Cheney K. Hicklen and daughter Mary, left on Tuesday for a ten days visit with friends in Jersey Shore and Williamsport. We were more than busy the past week owing to the numerous calls from teachers of the county who came to pay their respects. "Dr. Jekyll and Mr. Hyde", which is apparently an everlasting success, will again be seen at the Garman opera house on Monday, Nov. 20th. The Bellefonte school board has decided to enforce the compulsory attendance act and parents who have children under sixteen years of age not in school have been notified to see that they attend, as the law will be enforced. Herb Schaffer has resigned his position with the Fairbanks Co. of Pittsburg, and is working for his brother Lester Schaffer, in the large Cambria stone quarries at Milroy, where he was injured by a stone rolling upon him last week. "Dr. Jekyll and Mr. Hyde," one of the oldest and strongest attractions on the road, will soon be given a production here. The equipment and supporting company is the best ever seen in this play. Watch for date, Monday, Nov. 20. Harry P. Bush, who has been away the past nine years, sailed from Valparaiso, Chile, on the 4th of October for America expecting to land on or about the 20th of November. Harry's business interests have been in Valparaiso for the past four years. C. W. Musser, of Altoona, who holds a good position as a foreman in the railroad shops, spent the past week at his former home, near Spring Mills. In order to keep in touch with Centre county the Democrat will reach him regularly during the coming year. The engagement of Miss Helen Frame, to Prof. Russell Lennon, organist of the First Presbyterian church of Germantown has been announced. Miss Frame some years ago was a music teacher in the public schools of Philadelphia and has many acquaintances among the teachers of our county. Mrs. Edward F. Garman submitted to an operation for appendicitis, in a private sanitarium, in Philadelphia on Friday of last week, which revealed the fact that she had been a sufferer for some years from the ailment and her condition was serious. Since then she has been slowly improving, but will not be able to leave the hospital for several weeks. A Bazaar and oyster supper will be held by the Lutheran congregation of this place, on Wednesday and Thursday, December 6 and 7, both nights. The Bazaar will have on sale all kinds of fancy goods, fruits, candies, etc. Tickets for suppers 25c. Proceeds for the benefit of the church. Will be held in the rooms lately occupied by Dolls bakery on Bishop street. Sunday morning Clayton Witmer, of this place, found his horse, hitched in his buggy and standing tied to the fence in the alley near his home. Jack Showers and Engineer Sexton missed a lot of nice chickens the same night. The supposition is that some young fellows about town had a blow out that night, possibly over the election. It hardly was Tom and the "Judge." Frank Keen, of State College, spent a half hour in our sanctum in interesting talk, telling us among other things, that he has in his possession a shot gun which belonged to his grandfather George Keen of Penn township, who died some forty years ago at the age of over seventy years, and who came in possession of the gun when eleven years of age. This would make the gun in possession of the Keens some 110 years and the grandson Frank still has it in use as a serviceable gun, only the old flint lock has been changed to a caplock, the barrel is made of hammered metal. Recent callers: M. C. Stover and young son, of Farmers Mills; David Vonada, of Gregg; J. P. Turner, of Julian; Wallace Albright and brother John, of Spring Mills; Geo. Ream, of North Gregg, which precinct had every democrat at the polls; Cyrus Shope, of Milesburg; Geo. Bright, teacher, of Spring Mills; A. L. Duck, teacher, of Spring Mills; Thomas Moore, teacher, of Centre Hall; E. R. Wolf, (teacher in Haines) of Miles; H. H. Kean, teacher, of Millheim; Jacob Bottorf, of Lemont; A. S. Meyers, of Altoona; Geo. F. Weaver, teacher, of Gregg; Mr. Miller, postmaster, and Mrs. W. J. Carlin, both of Rebersburg, and report general health good down that way; S. A. Bierley, of Rebersburg, teaches in Haines; Ezra S. Breon, of Smullton, teaches in Potter; Elizabeth Hoover, of Fillmore, teaches at Hannah; Rose Hoover, Fillmore, teaches near to that place; Lloyd Stover, teacher, of Haines; T. A. Hosterman, teacher, of Coburn; J. H. Winklebeck, teacher, of Haines; W. H. Lambert, teacher, of Wolfs Store; W. H. Minnich, Justice of the Peace, and teacher of Hubsburg; Prof. W. S. Gearheart, principal of the Walker twp., High schools.

Attorney Harrison Walker is ill at his home with tonsillitis. For a cough or cold take Krumrine's Compound Syrup of Tar—cures in one day. Samuel Wallach, of New York city, is visiting at the Joseph home on High street. County Superintendent McCloskey, of Clinton Co., is attending institute in Bellefonte this week. Mrs. Mary Ann Johnson left last Thursday to visit friends and relatives in Pittsburg and Beaver Falls. Miss Bessie Roberts, of Passadena, California, is visiting her relatives in Bellefonte. Miss Roberts' mother was formerly Miss Maria Humes, of this place. There will be some fun tomorrow when the Academy and the High school football teams get together, on the fair ground. There will be no apologies offered when it is over. We would like to have all hunters report to this office what number of deer were killed by them in the county this year. Correspondents are requested not to overlook this point. Mr. and Mrs. A. V. Smith, who have been spending the summer on their farm near Howard, have returned to Bellefonte and will occupy their Thomas street home during the winter. The Penna. Railroad is putting the street and crossing about the depot in good shape to conform with the surroundings. New signal poles are also being erected above and below the depot. After completing his duties as County Commissioners Clerk, Ambrose Slotman will devote his entire attention to superintending the business of the Penn Chemical Company, of this place. Their principal preparation is "Vintena" which has been liberally advertised and extensively sold. Several other articles will be handled in connection with it.

OVER THE COUNTY.

Mrs. Eliza Stump, of Centre Hall, is quite ill of dropsy of the heart. State College and Dickinson foot ball game at Williamsport, on Saturday. Charles Sheasley sold his tobacco and cigar store at State College to George B. Jackson recently. David Walters, of near this place, has been at the hospital over a week having been ill from the effects of a beating. Co. Supt. D. O. Etters and family are now residents of State College, having moved there last week, in their new home. All persons interested in the Farmers Institute, to be held in Phillipsburg on the 28th and 29th inst., are requested to attend. C. H. Kephart, of Fillmore, one of the oldest and most prominent citizens of Centre county, is seriously ill at his home in that place. Roy Bechtel, of Howard, while working about a thrashing machine Tuesday had three fingers badly crushed. He went to the Lock Haven hospital where the mangled digits were amputated. The fourth quarterly meeting of the Centre county Pomona Grange will be held at Centre Hall, November 28th. The election of officers for the ensuing year will be made and the report of the encampment committee submitted. The United Evangelical church in upper Marion township will be dedicated on Sunday, November 20th, Rev. J. F. Shultz, pastor. Rev. D. A. Artman, of Millin, is one of the ministers invited to assist the pastor on that occasion. The many friends of Mrs. E. Tyson will regret to know that her illness has assumed a most serious aspect. She is at the home of her daughter, Mrs. W. B. Brown, says the Phillipsburg Journal. The Tyson family were former residents of Bellefonte. The Pine Grove Reformed church, which has been undergoing repairs, will be re-opened with appropriate services on the 19th of November. Rev. Walter K. Harnish, of Lemont, will preach in the morning and the pastor Rev. A. A. Black will preach in the evening. Everybody is invited. Pine Stump is perhaps the smallest school on the South Side of Centre county. The average attendance at Pine Stump school in Potter twp., so far, has been less than five scholars, and never more than eight. On one or more occasions a half day's session was gone through, with but one scholar.

IS YOUR BACK ALLRIGHT.

If It Isn't the Chances Are That Your Kidneys Are Calling For Aid. The kidney's are the most important of all the organs; they have more work to perform than any other, hence the necessity of heeding the first symptoms of their derangement. They filter or strain the blood, thus removing the impurities and poisons from this vital fluid. By keeping these greatest of Blood Purifying organs in good health, many diseases are prevented. Pains in the back and loins are evidence that the kidneys are affected, and they in return will affect the Nerves, causing nervousness, sleeplessness, restlessness, irritability, etc. Infrequent or too frequent urination excessive, painful or scanty urinary passage are all conclusive proof that the kidneys need assistance. For any of these troubles Krines Kidney Pills are a positive cure and for them to fail to do what they were designed to do would be like reversing the law of cause and effect. These pills are sold and guaranteed at Krumrine's Drug Store. If you are not benefited you get your money back by asking for it.

ADJOINING COUNTIES.

Over in Clinton county there are only 78 applications for liquor license. James Alexander, 17 years old, shot James Arnold, of the same age, in the head at Milroy on Monday. The boys had an altercation about unbecomely attentions paid by Alexander to Arnold's sister, Arnold probably will recover. Alexander gave himself up. Squire John Liggett, of Beech Creek, with several men went out to the camp on the state forestry reservation Wednesday, of last week, where they will be employed for several weeks constructing a road from the state lands to Snow Shoe, a distance of 11 miles. James Philips, the farmer on the Geo. M. Betts estate at Chatams Run, Clinton county, has raised one of the biggest crops of the season. From 12 acres of land he husked 1,760 bushels of corn, which is almost 148 bushels per acre. The corn was of fine quality. What farmer in old Centre can match that? The Lewistown Sentinel has this pointer that will apply to other localities: Last week there was sent to the Sentinel an account of a wedding that had not taken place. The Sentinel was not deceived by it, but it might be well for people to remember that an act of assembly imposes punishment on persons who send false statements to newspapers. At the home of Wm. Wilt, near Salona, fifty invited guests celebrated the fiftieth wedding anniversary of that gentleman's parents, Mr. and Mrs. Emanuel Wilt last week. In the party were many relatives of the bride and groom. The former bridesmaid, Mrs. Bartholomew, of Buffalo Run, and former groomsmen, Elias Snyder, of Lock Haven, were there. Another reminder of the Johnstown flood has been unearthed. The Journal of that city says: In the rear of a lot on Leavelly street, First ward, Hezekiah Levernight, a teamster, spied a glittering object in a shovel of dirt and upon examination discovered it to be a watch. The timepiece is a gentleman's gold hunting case and is in good state of preservation. Twelve of the eighteen deer in the Edgewood Park game enclosure, at Shomokin, have died in the past week or two. It was at first thought the animals were poisoned, but in the opinion of skilled veterinarians, who were called on to make an examination, the animals were pronounced affected with tuberculosis. It is expected that those still living are also affected and will die and the herd become extinct. Last Thursday was a day of misfortune to George Seeds, a Millville, New Jersey, salesman. He started from Glasboro for Elmer and boarding the wrong train was carried to Clayton. While buying a ticket from Clayton back to Glasboro, a thief stole his overcoat, and in searching for the thief he missed the train and then walked to Elmer, a distance of eight miles. Reaching Elmer he hired a livery horse for canvassing. The animal took flight at a locomotive and hurling the wagon against a telegraph pole demolished it and injured Seeds severely.

A Challenge.

The members of the Bellefonte High school foot ball team have requested us to announce that they have been, and still are, willing to play the Bellefonte Academy football team any time they will meet them on the field. They make this announcement as a challenge, and to show their sincerity and good motives, they suggest that the proceeds of the game be donated to the Bellefonte Hospital. Now, all Bellefonte is interested in this question, and if the Academy are in favor of cultivating an interest in home sports, it is in place for them to accept, or take the water, something the Academy has not been in the habit of doing. Since the election is over, the people are anxious to have this problem solved, and it is up to Prof. Hughes to bring on his men. GAME ARRANGED. Since the above was put in type we can report that the Bellefonte Academy and High school will play a game of foot ball at the Fair Grounds on Friday afternoon Nov. 17th at 3 o'clock. Admission 25 cents. Change in Schedule. The winter time table on the Central Railroad of Pennsylvania went into effect, on Monday 6, and there are slight changes in the time of four trains which passengers should make a note of. The morning train, both east and west, runs on the old time, but No. 3, which formerly left here at 2:30 p.m., now leaves at 2:45 and returning arrives here at 5:20 instead of 5:10. The night train which left here at 6:40 now leaves at 7:05 and returning arrives in Bellefonte at 9:40. C. T. Fryberger, one of Phillipsburg's leading citizens, attended the Centre county institute.

She left many friends to mourn her departure. She was the daughter of Mary and J. P. Seibert of Bellefonte; aged 47 years. B. V. FINK—an aged and respected citizen of Taylor township, died at his home near Mt. Pleasant on Friday, Nov. 9, 1905, of general break down incident to hard army service. Long after Supt. Etters fixed on same week for institute, as a result there were competing entertainments Wednesday evening. Under these circumstances it is unfair to criticize the opera house management for interfering with the institute, by counter entertainments. These are the facts and should be known. Schwab may Live at Williamsport. It is reported from Altoona that Charles M. Schwab contemplates leaving Loretto and making his summer home at Williamsport. The people of Loretto report that he will sell his magnificent home at that place and erect a mansion at Williamsport that will eclipse any residence in that section of the state.
