TYLERSVILLE.

Protracted meeting in the Evangelical church has begun. Everybody admires the garments made by our popular dressmaker, Mrs. Amanda Shreckengast. A. F. Greninger, one of our regular hunters, is away on another expedition and has reported a bear or two. P. P. Greninger has some pretty flag badges which he is selling. Wm. Greninger is slowly recovering from a stroke of paralysis. W. H. Caris' stammering is not now so apparent unless he earnestly discusses something. W. H. Weaver is quite a hunter since sometime ago he carried off the lion's share of those who encamped in the Narrows. He still shoots some and cuts no bad figure with a gun on his shoulder. Zeida Greninger has such sore eyes at times that she cannot read her lessons. Butchering is the go now. Every day the squeal of the porkers is growing less. (Sundays excepted.) Hoyt Miller arrived from one of the western counties on Saturday. Wm. Harter and P. F. Shreckengast, who are away hunting are expected back by Saturday. Samuel Wance has a healing on his hand.

PORT MATILDA.

C. C. Marks, brakeman, died Saturday, Nov. 18, 1905, 13 miles from Cumberland, Md., on the B. V. O. R. R., from an accident which was caused by the engineer running by flag and crashing in the rear end of a train ahead with a terrible result. The engine on which deceased was sitting with 18 heavy loaded cars went crashing down a deep embankment, he being on the fireman's side of engine, was turned under when leaving the track and when released some hours later was found a shapeless mass. He was a son of J. T. Marks, deceased, and Madara Marks, Port Matilda, and was aged 30 years, 2 months and 7 days; was born and reared in Port Matilda. He leaves to mourn his sad death, a widowed mother, wife and babe, three brothers and two sisters: Wm. E., James C., Jessie, Mrs. Tillie Camp, of Altoona, Pa., and Leander, of Julian. Interment was made in the M. E. cemetery in Port Matilda by side of his father and sister. The funeral was large and sorrowful, noticeable by the presence of his youthful widow, a bride about a year ago who followed him to his last resting place. Jacob Frantz thus far claims the championship in butchering the largest hog in this vicinity this fall. A few days since he dressed one that tipped the scales at 394 lbs. The hunters hereabouts are meeting with poor success this fall, as game appears very scarce. Prof. James Hughes, of Bellefonte, passed through our town this week on his return home from the Allegheny mountain where he fully enjoyed himself for a few days hunting deer. Although as he claims of having poor luck he had a good time anyhow. Mrs. Madara Marks extends thanks to all those who so ably assisted in the care and burial of her son C. C. Marks. An unusual large crop of corn of a No. 1 quality has been harvested and housed in this portion of Bald Eagle valley this fall.

IS YOUR BACK ALLRIGHT.

If It Isn't the Chances Are That Your Kidneys Are Calling For Aid. The kidney's are the most important of all the organs; they have more work to perform than any other, hence the necessity of heeding the first symptoms of their derangement. They filter or strain the blood, thus removing the impurities and poisons from this vital fluid. By keeping these greatest of Blood Purifying organs in good health, many diseases are prevented. Pains in the back and loins are evidence that the kidneys are affected, and they in return will affect the Nerves, causing nervousness, sleeplessness, restlessness, irritability, etc. Infrequent or too frequent urination excessive, painful or scanty urinary passage are all conclusive proof that the kidneys need assistance. For any of these troubles Krines Kidney Pills are a positive cure and for them to fail to do what they were designed to do would be like reversing the law of cause and effect. These pills are sold and guaranteed at Krutrine's Drug store. If you are not benefited you get your money back by asking for it.

SPRING MILLS.

Have you already given thanks this day for past benefits from Him that giveth all things? Al. McCools buried their infant on Saturday in the Georgesvalley cemetery. The pike through town is now free of toll. The creek road seems entirely abandoned since the people all travel the pike. Our hunters who are in the Seven Mountains have shot a large bear which dressed five hundred; and two deer, one of which had large horns. Those who are in the Bear Meadows have one deer. There will be a shed erected near the postoffice in which the mail route men will put their horses when waiting on the mail. Lee Smith met with an accident last week, was to Lamburn ore mines with a team; on his way home the team got away with him, rupturing some of the muscles of his left leg. Very fortunate his leg was not broken. The counterfeiters flourish because there are so many people who want money bad. It is better to have a fall outing than a falling out.

Ask Your Own Doctor

If he tells you to take Ayer's Cherry Pectoral for your severe cough or bronchial trouble, then take it. If he has anything better, then take that. But we know what he will say; for doctors have used this cough medicine over 60 years.

"I have used Ayer's Cherry Pectoral for hard colds, bad coughs, and influenza. It has done me great good, and I believe it is the best cough medicine in the world for all throat and lung troubles."—ELI C. STUART, Albany, Oregon.

Keep the bowels open with one of Ayer's pills at bedtime, just one.

BENNER TWP.

ROCK VIEW. Thanksgiving day is here; look out for the turkeys. Miss Kathryn Royer is visiting in our view. Clayton Royer and family visited at S. H. Hoy's on Sunday. There is supposed to be a bear in the Spring creek woods of our view; boys get your dogs and guns and make a hunt. The scribe did not see it, so can not say whether it is a polar or a black bear. Some men make money by sticking at it, and others by sticking to it.

SIMPLY REMEDY FOR CATARRH

Just Breathe Hyomei Four Times a Day and be Cured. If a few years ago someone had said you can cure catarrh by breathing air charged with a healing balsam, the idea would have been ridiculed, and it remained for that eminent investigator, R. T. Booth, to discover in Hyomei this method of cure. Hyomei has performed almost miraculous cures of catarrh, and is today recognized by leading members of the medical profession as the only advertised remedy that can be relied upon to do just what it claims. The complete outfit of Hyomei costs \$1.00, and consists of an inhaler, a mucous dropper, and a bottle of Hyomei. Breathe Hyomei through the inhaler for a few minutes four times a day, and it will cure the worst case of catarrh. It soothes and heals the mucous membrane of the air passages, prevents irritation and effects a complete and lasting cure. In Bellefonte there are scores of well known people who have been cured of catarrh by Hyomei. If it does not cure you, S. Krutrine will return the money you pay for Hyomei. This is the strongest evidence that can be offered as to his or their faith in the remedy.

BEFORE AND AFTER

THOS. J. BROOKS

USING Rexall "93" Hair Tonic

THOS. J. BROOKS

LOUISVILLE, KY., May 24, 1905. Gentlemen:

Allow me to say a word endorsing the remarkable merits of your Rexall "93" Hair Tonic. My attention was called to this remedy by one of your clerks, who guaranteed beyond question it would stop my hair falling out, and also put my scalp in healthy condition for new hair. I hand you photograph before starting to use it, which shows me to be nearly bald. After using two bottles I saw decided improvement, so continued its use. I have used seven 50-cent bottles, and have a heavier suit of hair than I ever had in my life. I also enclose photograph taken a few weeks ago, showing the wonderful results in a short time. I take great pleasure in making this statement to you, gentlemen, endorsing your great Rexall "93" Hair Tonic, and will answer promptly all inquiries regarding it. I am at present special agent of the Western and Southern Insurance Company, 21-22 Courier-Journal Office Building, this city. Very respectfully,

Thos. J. Brooks

This is a remarkable case—an exception to the rule. We do not promise that "93" will grow hair on every bald head—but we do guarantee, because we know, that it will stop falling hair, cure dandruff, and give satisfaction to anyone needing a hair dressing. If it doesn't, bring back the bottle, and we'll refund the 50 cents you pay for it.
