Catarrh — A Guaranteed Cure

One thousand retail druggists who are the leaders of the drug trade of the United States, and that means the world, rated by Bradstreet's and Dun's at twenty million dollars and whose retail business aggregates over seventy million dollars annual sales, have agreed to give their name, financial backing and endorsement to the guarantee that **Rexall Mucu-Tone** will cure any disease or trouble arising from catarrh or they will refund the money. We are proud of our connection with the **Rexall Remedies**, particularly so of **Mucu-Tone**, because a remedy must be something out of the ordinary to get our backing. It is not all profit that leads us and our one thousand associates into endorsing this remedy; it is our years of experience with medicines and our knowledge of them that makes us believe that **Rexall Mucu-Tone** is a bona-fide discovery for the cure of all ailments due to catarrhal affection. We know that it is not a cure all, but a remedy built on scientific lines and not a patent medicine as each one of the one thousand druggists knows its formula and its value. It has one great additional value besides curing constitutional catarrh—that it is a system builder. No such tonic was ever before designed for the curing of inflammation of the mucous membrane—nor can it be improved on in the present age. Just stop and reason with yourself for one minute. We are doing business right here in your midst. Could we afford to offer our name and endorsement to **Mucu-Tone** as we do if we did not know that it was an honest medicine? Could we afford to agree as we do that we will refund every penny paid us for the medicine if it does not benefit.

All we ask is the customer's word and the empty bottle and we hand the money back. No signed certificate. We believe the public, especially the sick, are honest, certainly every sick person who suffers from any of the following ailments should take advantage of our offer to-day. **Rexall Mucu-Tone** cures catarrh of the nose, throat, stomach, intestines, liver, kidneys or bladder, and any who are convalescing from sickness of any kind should take advantage of our offer and purchase what we recommend as the best tonic ever sold in a drug store. We have a large trial size at fifty cents and we guarantee it or refund your money.

GREEN'S PHARMACY

THE Rexall STORE

A REASON

The **Rexall Remedies** deserve confidence. As all these Remedies are grouped under one name, they must succeed or fail together. There must be no weak links in this chain. One unworthy remedy would mean disaster for the entire plan. If you, for example, purchased the **Rexall Cough Cure** and were not cured by it, how could we expect you to place any faith thereafter in the **Rexall Dyspepsia Cure** or any other member of the **Rexall family**?

You can understand, therefore, why such anxious care was given to finding and choosing the remedies to which the name "**Rexall**" was given. We have admitted none to this circle until our committee of experts had been convinced by investigation and test that it was the best remedy known to medical science for the ailment it aimed to relieve.

Who should know better than the leading thousand druggists of this country what are, and what are not, efficient medicines?

Remember, the success of our enterprise depends on the merit of each individual remedy. Our reputation, which is our very business existence, is at stake. Can you doubt that in buying a **Rexall** Remedy you are buying the best that science and experience can give you?

- For Nervousness—**Rexall Americanitis Elixir**, 75c.
- For Dyspepsia—**Rexall Dyspepsia Cure**, 25c.
