We Trust Doctors

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.

You must look well after the condition of your liver and bowels. Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia, and thus preventing the Sarsaparilla from doing its best work. Ayer's Pills are liver pills. Act gently, all vegetable. The dose is only one pill at bedtime.

A REASON

Spring Troubles

If you live a confined life, get no outdoor work or exercise, experience symptoms of general weakness, forgetfulness, lassitude, irritability, loss of appetite, pain in the small of the back, there is no question about it you are suffering from spring fever and inflammation of the mucous membrane.

Alderman Peter A. Wendling, of the Chicago City Councils, has written this letter on the subject: "Last spring, after I had completed my canvass for election to the City Council I felt worn out and out of sorts. I could not determine any particular seat of my ailment. I was able to attend to my duties, but any great effort distressed me, and I lost considerable in weight. As I had enjoyed uniformly good health I was not greatly alarmed, and felt that my trouble would soon wear itself out.

Finally I consulted a physician, and his diagnosis was that I was suffering from incipient intestinal catarrh. He advised me to take a course of treatment at one of the celebrated medicinal springs. I was inclined to take his advice, but found it difficult to get away from my public and private business. While I was hesitating what to do, one of my political friends advised me to try Mucuo-Tone. He told me that it had cured his wife, and he said, 'Alderman, it will cure you.' Well, he was right. I think I took four or five bottles during the course of a month, with the result that I was entirely free from pain and had recovered my normal energy and buoyancy. I got back my old weight, and when any of my friends commented on my improved appearance I told them it was all due to Mucuo-Tone."

His experience is no different from that of many others. Rexall Mucuo-Tone cures "Spring Fever" by working through the blood, thus reaching the affected membranes wherever they are located; drives out the poison and allays the inflammation, for as it is a powerful nutritive tonic, it revitalizes the blood, soothes the strained nerves, builds up the body, and relieves you entirely of that tired, worn-out feeling which comes with the change of seasons.

Any customer of ours who purchases a fifty-cent bottle of Mucuo-Tone, gives it a fair trial, and doesn't find that it will do all we claim for it, can have his money back by returning to us the empty bottle.

- For Nervousness—Rexall Americanaitis Elixir, 75c.
For Dyspepsia—Rexall Dyspepsia Cure, 25c.
For Coughs—Rexall Cherry Juice, large bottle, 25c.
And—106 other Rexall Remedies for 196 other ailments.
