

Bellefonte and Vicinity

The Local Happenings in Short Paragraphs

The City Laundry has put a new wagon on the road. Mrs. Emil Joseph and son Edmund are visiting friends in New York. Miss Christine Merriman left for California Friday to be gone a year. A new vault is being put in the office occupied by Hon. John G. Love. Isaac Mitchell arrived home Wednesday evening much improved in health. John Marks and daughter Estella, of Avis, formerly of this county, were pleasant callers. Harry Hoover, of Fleming, was a caller and reports apple trees in full blossom up that way. Miss Grace Witmer has left today on an extended trip through Altoona, Johnstown and Pittsburgh. Mr. and Mrs. Geo. Furey, of Martinsville, Ill., are now at the Morris Furey home south of town. Gentles horse sale on Saturday was well attended, at the Garman House, and horses sold at good prices. After a several months' sojourn in Philadelphia Miss Sara Collins has returned to her home in this place. Mrs. Jack McClellan, of Philadelphia, is the guest, for an indefinite time, of her sister, Mrs. J. L. Spangler. Mr. and Mrs. Paul Reish and their child John Hayes Reish, of Milliflinburg, are guests of Dr. R. G. H. Hayes. A new lot of desk blotters have been printed and are ready for distribution, at this office. You can have them for the asking. Chairman Taylor's announcement for the democratic primaries and county convention will be found in another part of this issue. Col. J. L. Spangler was taken ill over Sunday, threatened with pneumonia. He is about again, but not in the best of health. A great deal of hustling is being done about the monument this week so as to have everything finished in time for the dedication. Essie M. Viehderfer, of the Senior class, Bellefonte High school, has been announced as the winner of the J. C. Meyer biographical prize for 1906. The Ladies' Aid society of the Presbyterian church are making preparations for holding an old-fashioned spelling bee in the court house, on Tuesday, May 29. Last Thursday afternoon the Seniors of the Bellefonte High school, planted their class tree, a Norwegian pine, on the east portion of the school house grounds. A new flag 12x22 feet has been purchased by Principal James Hughes, and will be unfurled on the morning of the day of the dedication of the Soldiers Monument. Supt. F. A. Thomas, wife and son Francis, are at Denver, Colorado. Mr. Thomas is transacting important business at that place and will be gone but a short time. Harry Hoy is remodeling the creamery in Bellefonte by putting in new additional machinery which will improve the quality of the product as well as enlarge the capacity of the plant. The Garman House cafe has been in the hands of the painters and paper hangers the past week, and some decided improvements have been made—so we are informed; and quite likely is correct. The tombstone for Warren Burnside was completed at Johnson's marble yard this week, and will be set in place in the cemetery at once. It was secured by popular subscription among citizens of town. The residence of Col. and Mrs. J. L. Spangler, on Allegheny street is being repaired and remodeled this week, and on that account they have taken temporary quarters in the Harris home across the street. The ladies of the Lutheran church will furnish excellent meals on day of Dedication of the monument, in the rooms on Bishop street, a few doors below the Aikens' store. Proceeds for liquidating church debt. On Saturday, 3 p.m., a game of base ball will be had on the Glass works meadow, between State Reserve and the Academy teams. It will be a crack game, the Academy having lost only one out of five this season. Admission 25 cents. Judge Orvis presided at the Clinton county court Monday afternoon in place of Judge Mayer who is ill in the German town hospital. There will be no jurors in attendance at the May court, as the majority of the cases on the trial list have been continued. Miss Mary Bradley, who spent the winter in Philadelphia attending a conservatory of music, has returned home and will resume her position as organist in the Episcopal church, which was filled by Miss Dora Meyer's during her absence. Monday night some one broke into W. Harrison Walker's office on High street by forcing a window at the rear of the building. His desk was gone through and up to this time the only thing that has been missed is a few postage stamps. What a man would expect to find in a law office worth taking is hard to figure out. Mr. Walker says the bills left for collection on his desk were not even disturbed. The Army and Navy Journal at Annapolis, in a recent issue, contained the announcement of the engagement of Ensign Alfred Brisban, formerly of Bellefonte, and Miss Grace Howard, daughter of Commodore Howard, of Annapolis Md. Ensign Brisban is now on a vacation and in the course of a few weeks will be located at Washington, D. C., where he was promoted to the engineering department. It would be well if after the dedication of the soldiers' monument the police were having it a part of their duty to see that the concrete elevation in front of the half circle is not used as a place to sit down upon and for loafing, squirting tobacco juice and dropping other wastes about it. Decent regard for the living ones, will lead any patriotic heart to observe this respect without needing a policeman to teach it. If this observance is enforced in the outstart, such would be the most fitting time. But we think no one will be wanting in showing the required respect to the premises immediate to the monument. There is as much reverence due here as to the tomb in the cemetery.

A thunder gust set in last evening bringing the much needed rain. Miss Blanch Hagan and her friend Miss Armbruster, were pleasant callers. Edward Fleming, of Altoona, spent Sunday visiting his parents at this place. The Central R. R. of Pa. has added a new motor car to their equipment, to make trips over their road. Rev. Dr. Laurie preached in Great Island Presbyterian church, Lock Haven last Sabbath, both morning and evening. J. C. Meyers, Esq., is attending the Odd Fellows gathering in Pittsburgh this week as a representative of the Bellefonte lodge. Clement Dale, Esq., has been selected by Gregg Post, Bellefonte as Decoration Day orator, Wednesday, May 30, at the court house. Editor Tuten who was stricken with paralysis is considered in a critical condition. Most of the time since then he has been unconscious. Mrs. J. W. Coolidge and daughter Grace, of Palo Alto, Cal., are visiting at the home of the former sister, Mrs. S. D. Ray, on Howard street. A. A. Dale, Esq., of Bellefonte, has been chosen to deliver the oration on Memorial Day, at Philadelphia. They can depend on something fine on that occasion. Green's drug store is placing a handsome new fountain this week, that is much admired. Although in business for over fifty years, that store is always at the fore-front. Mr. and Mrs. William Furst, of Philadelphia, spent several days of the past week in town visiting his father, Hon. A. O. Furst who has been ill, but hopes to be out soon. John Keichline and sister Daisy, who have been in Cairo, Egypt, for over a year are expected home on a visit to their parents, Mr. and Mrs. John Keichline, to-day. They were engaged in mission work in that country. Harry P. Bush and wife spent part of the past week in Bellefonte visiting his mother, Mrs. D. G. Bush. He expects to sail in a few days for Punta Arenas, Chile, where he has promoted a large gold mining enterprise. This trip was made for the purpose of purchasing mining and dredging machinery. M. E. Church Reopening. The Methodist Episcopal church, of Millheim, was reopened with appropriate services May 14 to next Sabbath, inclusive. The following is the program: Monday, May 14, 7:30 p. m.—sermon by Rev. C. F. Garrett, pastor United Evangelical church. Tuesday—sermon by Rev. J. M. Reack, pastor Lutheran church, Centre Hall. D., president Dickinson Seminary, Williamsport; at 10:30 a. m. Address by Revs. Conner and Eveland; 6:30 p. m., Epworth League Devotional; 7:30 p. m., sermon by Rev. B. C. Conner. Fatal Auto Accident. A serious automobile accident happened on Tuesday night at the iron bridge a mile and a half above Clearfield, on a section of the new state road, in which Samuel I. Snyder and Charles T. Kurtz were seriously injured, while the machine was going at a high rate of speed, by running into the guard wall. Mr. Snyder was thrown over the wall and landed on his head and shoulders twenty feet below on a drift pile near the brink of the river, and sustained a fracture of the vertebrae. At this time he is paralyzed and delirious, and is in a very critical condition. Mr. Kurtz sustained many bruises and a broken leg. Mr. Snyder is a retired jeweler, and Mr. Kurtz is a prosperous merchant, of the firm of Lurtz Bros. The car is a total wreck. Must Remove Hats. The official board of the Methodist Episcopal church, of Franklin, Pa., adopted a resolution calling upon the women, who worship there, to remove their hats. The new order goes into effect next Sunday. The action was the result of complaints of many men that they could not see the preacher through the myriad of bonnets. There was not a vote against the resolution, though three married men on the board failed to vote. Letter to W. B. Rankin. Dear sir: Here's a bully one. Mr. Dooley (not of Chicago), painter, Lancaster, N. H., got the job of painting the Episcopal parsonage. He was used to a paint, as pure as Devoe, but weak and short-measure—he didn't know it was weak or short-measure. Dooley surveyed the job, and said it would take 20 gallons. Mr. L. F. Moore, our agent, offered to give 10 gallons Devoe. Accepted of course. Eleven gallons did it: the 10 plus one. Mr. Moore isn't painting parsonages on shares this year? Yours truly F. W. Devos & Co. May Go To Frisco. A number of carpenters and bricklayers from Lock Haven and vicinity talk of going to San Francisco in a few weeks, where they are confident of greatly bettering their financial condition, as better wages will be paid, and there will be steady work for years to come in rebuilding the ruined "city by the sea."

OVER THE COUNTY.

The members of the Millheim Methodist church will hold a festival on Decoration day. Ezekiah Sproull, of Mingoville, will hereafter receive \$12 instead of \$10 per month pension. Ex-sheriff John Spangler, of Centre Hall, was seriously ill at his home last week, but is much improved since then. Dr. J. F. Alexander, of Centre Hall, has been seriously ill the past week and doubts are entertained as to his possible recovery. Grace, the 4-year-old daughter of A. A. Stover, of Haines township, one day last week fell off a lounge and broke her collar bone. "Domino," of Unionville, is in Pittsburgh, attending a district convention of Odd Fellows, being a delegate from the Unionville lodge. Meeting of Centre County Po-nono Grange will be held in the hall of Logan Grange, Pleasant Gap, on Thursday, May 24th, at 10 a.m. Mrs. John G. Platt and daughters, of Philadelphia, left for Atlantic City, to join Mr. Platt and make their home in the City by the sea. Apples may be plenty in this county—trees in all parts are reported full of blossom. The late cold spell did not hurt that fruit in our county. Perry Stover, after a short visit to his old home, Coburn, returned to West Virginia where he is on a lumber job. He did not forget to give us a call. Daniel Glossner, of Blanchard, was 58 years old last Saturday and his wife planned to give him a surprise 55 guests invaded the house and took possession. Ice cream and cake will be served in the old post office room at Milesburg, Saturday eve, May 19, for the benefit of the U. E. church. All are invited. The Centre Brick company is the name of a new corporation applying for a charter and whose intention it is to erect a large brick making plant at Howard. The Samuel Musser farm situate near Penn Hall, was sold by the executors last week at public sale and was bought by John and Samuel Musser for \$61.55 per acre. J. B. Sliker sold his interest in the lumber business at Monument to John Bowden, and has moved to near Milesburg where Mr. Sliker will engage in farming. The wife of Rev. G. W. McClain, of Spring Mills, this county, formerly of Mansion, recently underwent a most serious and delicate operation at the Lock Haven hospital. Edwin Forest Watt, of Philadelphia, and Miss Eleanore Kathryn Burns, of Howard, this county, were married at Atlantic City April 21st last. The couple will be at home in Howard after June 1. Mrs. S. Bickel, of Sandy Ridge, formerly of Philadelphia, recently underwent an operation for a cancer which was taken from her head by Dr. Stonebraker. She is seriously ill now with stomach trouble. Rev. Crittenden will address the Christian Endeavor, Sunday evening, May 20, at Pleasant Gap. The topic lessons from the lives of Elijah and John the Baptist—a temperance topic. A cordial invitation to all, especially to the young men. Harper Baker, son of John Baker and Miss Rachel Waugh, daughter of Jack Waugh, both of Philadelphia Wednesday slipped off to Corning and had the nuptial knot tied returning home Thursday evening, when they met a welcome unclouded by parental chiding. David Chambers, son of Andrew Chambers, of Snow Shoe, was taken to the Lock Haven hospital last week suffering with appendicitis, where an operation was performed for the removal of the diseased appendix. The young man stood the operation well and is getting along very nicely. The Rev. Richard H. Wharton, pastor of the Fairview Methodist Episcopal church, Altoona, and one of the best known ministers in the Central Pennsylvania conference, died suddenly at the Altoona hospital Wednesday 10th. A few years ago he was stationed at Milesburg and was favorably known throughout that section. Mr. and Mrs. Frank P. Furey, who lost their home by fire in Osceola during the big fire there years ago, again suffered the loss of their home by fire in the recent San Francisco catastrophe. Mrs. Furey is a daughter of the late Gottlieb Keller, deceased, for many years a resident of Philadelphia, and also a sister of Mrs. J. B. Howe, of Windler. A few days ago Rev. J. E. Irvine and County Superintendent Tarring S. Davis, of Altoona, walked from Tyrone to Bellefonte and the next afternoon they left on foot again for Reedsville, Milliflin county, where they expected to take the trolley cars for Lewistown and go home by railroad. This was a walk of about sixty miles in a little over one day, which was getting over the ground pretty rapidly. Centre county peach growers may feel an interest in the item below from the Williamsport Sun: S. W. Cambell, of Unityville, says that upon the advice of an old peach grower, he placed one peck of unslacked lime about the trunk of each peach tree last fall. Upon examination a few days ago there was not a sign of a borer seen and everything looked perfectly clean. His trees are filled with blossoms. The Rev. Dr. John W. Rue, pastor of the Methodist Episcopal church at Waynesboro, Franklin county, formerly of Bellefonte, was the victim of an apoplectic stroke which for a time threatened almost immediate fatal results. The Waynesboro papers of Wednesday say that he has regained consciousness, at least at intervals, and his friends now hope for his eventual recovery although he is still in a precarious condition. A certain "hello" girl could not wake up in the morning in time to get to the office on time so a friend bought her an alarm clock. When it went off the first morning she rolled over and said in her usual tone but asleep, "Line is busy, call again."

JOHN SYLVESTER MUSSER—for sixteen years a resident of Warriorsmark, died last Thursday morning, of Bright's disease from which he had been a sufferer for two months. He is survived by his wife, Mrs. Martha Jane Musser; one daughter, Alice, at home; one son, Wallace, of Centre Line; one brother, Wallace, of State College; and two sisters, Mrs. Ada Boal, of State College, and Mrs. Sarah Houser, of Lavertown. Mr. Musser was a native of Centre county and was aged 55 years, 5 months and 2 days. SIMON HAUFF—died Friday evening, at his home on West Logan street. He was stricken with paralysis Sunday evening and lingered until the above time. He was united in marriage to Miss Catherine Yargar of Hartleton, Union county, who survives him with the following children all grown to manhood and womanhood: Alfred B., Mrs. Emanuel Klepper and Mrs. Milton Sample of Philadelphia; Mrs. G. F. Musser and Henry, of Bellefonte; Mrs. Philip Foster, State College. Also one sister, Mrs. Louise Yoltin, of Treverton, Pa. The funeral took place from the house Monday afternoon. Interment in the Union cemetery. MRS. MARY KNOFF—died Saturday afternoon, 5, at her home in Oak Hall, after a serious illness of several weeks duration. (We had brief notice in last week's Democrat.) Mrs. Knoff had been ailing for some time when the end came suddenly. She was the mother of twelve children, nine of whom survive, Mrs. Ann Davis, of Philipsburg; Mrs. Kate Irvin, Snow Shoe; Mrs. Ida Barton, Mrs. Mollie Mayor, Mrs. Nancy Corrigan and Mary, of Philipsburg; Samuel, Altoona; Wm. Liesburg and Al, at home. Her husband, Anthony Knoff, also survives. Interment in Union cemetery at Boalsburg. H. I. WISE—died suddenly at Berwick, Pa. on Saturday evening, May 5. Mr. Wise had not been well for some time and about 8:30 complained of being dizzy and soon became unconscious; notwithstanding medical aid, death came at 9:45. Mr. Wise was a former Centre county man, being born and residing at Zion until nine years ago, and was well known throughout the county. He was aged 43 years, 10 months and 11 days and is survived by his wife and four small children: David N., Carl I., William R., and an infant; also his mother, and a sister Mrs. Emma D. Lohr and brother Milton I., all of Berwick. The funeral services were held at the home on Wednesday, May 9, at 2 o'clock by Rev. J. W. Thompson, assisted by Rev. J. M. King. Interment in Berwick cemetery. DR. CARL V. VISHER—one of the foremost surgeons of Philadelphia, died Sunday morning at the home of Dr. M. J. Locke, Bellefonte, where he had gone about May 1st, for the benefit of his health. He had been suffering from diabetes, but steadily lost strength, in spite of the best medical skill. Though ill for about six months, he was not believed to be in a critical condition, and the announcement of his death came as a shock to his many friends. A wife and two sons survive him. Dr. Vischer was born in Philadelphia in 1867. He attended preparatory schools and entered Hahnemann Medical College, graduating as a homeopathic physician in 1887. For two years after leaving college he was resident physician at the Children's Homeopathic Hospital. In 1888 he went to Europe, taking post-graduate courses at the Universities of Heidelberg and Vienna. He specialized there in pathology and bacteriology. Returning to the city, he was elected to the chair of those two branches in Hahnemann College, introducing the study of bacteriology at the institution. He held the chair there for four years, and at the end of that time he devoted his attention to an extensive practice in surgery. Until the time of his death he was chief surgeon at St. Luke's Hospital, attending surgeon at Hahnemann Hospital, and consulting surgeon at McKinley Memorial Hospital, Trenton, and the Wilmington Homeopathic Hospital, Wilmington, Del. He was largely instrumental in the establishment of St. Luke's Hospital, and was a contributor to a number of medical journals, and was prominent in various medical associations. He was also a member of the Pennsylvania Historical Society, the Academy of Natural Sciences, Philadelphia Athletic Club, the Columbia Athletic Club, the Navy League and the Automobile Club. Dr. Vischer performed many operations upon patients of this section and was successful, and attained remarkable prominence in his profession at an early age. The muck rake plea in the Gazette last week caused everybody to smile. Up to this time the Judge has not stated his position, as he is not so sure of having anything to give away. It doesn't take criminal lawyers long to become case-hardened. The man who is hugged by a bear may die of the grip. Never put a clock at the head of the stair; it might run down.

ADJOINING COUNTIES.

A cut-glass factory is the latest industry projected for the little town of Avis, in Clinton county. A new powder mill will be built near Clearfield by Tom. James Kerr. Work upon the plant will commence soon, the new manager, W. C. Mills, being now on the ground. The contract for a 52 feet span iron bridge across Fishing Creek, at Logan, was awarded to the Oswego Bridge Company for \$576 by the commissioners of Clinton county on Tuesday. Harry Zimmerman, a son of Walter Zimmerman of Tyrone, a brakeman on B. E. V. railroad, was hurt Friday afternoon by falling off a freight train, about half mile from the passenger depot in Lock Haven. Lock Haven council has appropriated \$10,000 for street paving, and has decided to do the work itself. Bids will be asked for the furnishing of the materials required. It is expected the cost will not exceed \$1.60 a yard. It is said that the Pennsylvania railroad company will continue its planting of trees for cross-ties by setting out 800,000 this year. Nearly 200,000 trees were planted last year along the Philadelphia and Middle divisions. James F. Thompson, one of Salona's oldest and best citizens died Wednesday morning as the result of a stroke of apoplexy. Mr. Thompson was in apparent good health up to Tuesday, when he was stricken at the home of his daughter, Mrs. A. M. Reigel. Union carpenters of Altoona to the number of 350, are on strike for the 9-hour working day, at ten hours pay. At present time the scale is 30 cents per day for a ten hour day. Now the men are asking for a nine-hour day for the same pay or 33 1/3 cents per hour. B. F. Klepper, of Booneville passed away Sunday last. Deceased had been in ill health for nearly ten years, having been afflicted with diabetes. He was moved from home before they are thrown into the heap. The wedding of Willis Kephart, of Osceola and Miss Annie Minto, of Houtzdale, was consummated at Clearfield on Wednesday of last week. Both bride and groom are blind, having been deprived of their sight for years. The groom is a well known character and has been canvassing that section for years selling medicine. They will take up housekeeping at Osceola. Lock Haven Democrat, 10: A snow fall on May 10 is something unusual for this climate, but that is what actually occurred at Clinton county today. At Logan at noon the ground was white with snow, and snow fell there and in other portions of the county. In this city snow flakes were seen in the air at noon today. In striking contrast to these vagaries of the weather are the blooming trees, lilac bushes, flowers and green verdure. The Pennsylvania fire insurance companies, which have suffered losses in the San Francisco conflagration, number among them include the Alliance, American, Delaware, Fire Association, Girard, Insurance Company of North America, Insurance Company of the State of Pennsylvania and Spring Garden. The companies have submitted a statement of their condition, together with their net losses from the California fire, the total losses being \$7,460,250. At the Lock Haven court this week, Judge Orvis pronounced the following sentences: James E. Heslin plead guilty to assault with attempt to kill and was sentenced to pay a fine of \$1, costs of prosecution and undergo a term of 3 years imprisonment at hard labor in the State penitentiary at Allegheny. Frank Harris, having plead guilty to the larceny of a horse, was sentenced to pay \$1 fine, costs of prosecution and undergo a term of 5 years imprisonment at hard labor in the Western penitentiary. George W. Dickey one of the most prominent citizens of Houtzdale, a leading merchant, and interested in various enterprises, became financially involved in business a week ago. The burden of misfortune proved a load greater than he could bear, and between 4 and 5 o'clock Tuesday afternoon the unhappy man sought his barn and there shot himself twice through the temple, and died without regaining consciousness. He was 65 years and is survived by his wife, five sons and two daughters who have the sympathy of the community in their sorrow. As a Beech Creek train rounded a curve near Lock Haven on Saturday, Engineer E. J. Morrison and Fireman Hoover almost simultaneously discovered a little girl apparently about three years old standing directly on the track. The engineer very promptly reversed his engine and Fireman Hoover lost no time in crawling through the cab window and down onto the engine pilot where he braced himself in preparation of picking the baby up. Before he could do so, however, the baby stepped outside the rail and the fireman called to her to lie down, realizing that this was her only salvation. She promptly obeyed, falling flat on her face. The engine pilot escaped her body by only a couple of inches and the entire train passed over her, the little girl emerging afterward unharmed. Washday Coming. The following is from the Howard Hustler, a prominent republican paper in this county: "We was there and had both eyes open. The "Leaders" had their way, and say—in all matters except the tiff about the right of a candidate's withdrawal which was discussed by the Curtin Township Lawyer and the Bellefonte Lawyer, and when put to vote the convention gave an overwhelming majority in favor of the Curtin township Lawyer. We stand up to say that if there was any "dirt" mixed up in the makeup of the ticket nominated, it will all come out on wash day next November."
