MAJESTIC BAKING DEMONSTRATION

ONE WEEK, BEGINNING MONDAY, SEPTEMBER 10th.

We heartily invite our friends to call any day during the above mentioned week and we will demonstrate the superior qualities of

The New Majestic malleable and charcoal Iron Ranges

THE MAJESTIC MALLEABLE and steel range as formerly turned out by the Majestic people has been considered throughout the entire country par-excellence, and far ahead of any other range made. But with the NEW CHARCOAL IRON BODY in place of Steel, making it double its value, and the fact that it is the only range in existence made of Malleable and Charcoal Iron, you can readily see that if quality is considered, the Majestic leads by a big margin. WE WANT YOU TO CALL at our store during this week, and let us explain this new feature:— CHARCOAL IRON BODIES; let us explain why it is the best material for range bodies, and incidentally, why it is not used on other ranges. We want you to call if you intend to buy or not, as the information gained will serve you in the future.

HOT COFFEE AND BISCUITS--FREE

Come any day during this week and have buttered hot biscuits and hot coffee. Biscuits baked on a Majestic in three minutes while you wait.

HANDSOME SET OF WARE--FREE

With every range sold during this demonstration we will give absolutely FREE one set of Majestic ware worth every cent of \$7.50. This ware will be on exhibition at our store. Everything useful, ornamental and durable. Come in and see it, and you will agree with us that it cannot be bought for a cent less than \$7.50, and it is cheap at that.

Come in any day, you are welcome whether you intend to buy or not
