Let us tell you why Buckbee Full-of-Life Seed yields better quality and greater quantity. It's pedigreed. You can't grow pedigreed seed in one season. It takes time and care. We have been working for these results for 35 years. Buckbee Seed is grown under soil and climatic conditions best adapted to each variety. It's an interesting story-told, with other valuable information, in our new 1907 Seed and Plant Guide. Seed sold on orders from this book is pedigreed-selected seed grown from selected seed, for

generations back. From good seed only can good seed be grown.
