

BELLEFONTE AND VICINITY

THE LOCAL HAPPENINGS IN SHORT PARAGRAPHS

James Sebring, the great baseball star attending to legal business. Howard Moore, one of the progressive merchants at Howard, transacted business in Bellefonte Monday. Miss Keturah Rider is acting as the assistant cashier in Joseph's store. The efficient bookkeeper is Miss Robb. Comrade John Daley, of Romola, was circulating among his many friends in Bellefonte on Monday. Mrs. C. U. Hoffer, who has been visiting the Gerbrich home the past two weeks, has returned to Philipsburg. Samuel Wallace, who had been visiting at the Joseph home for a week has returned to his home in New York City. Margaret Hockenberry, who was quite ill with pneumonia at the home of her mother on Quaker hill, is slowly recovering. Miss Leotto Bricker, whose engagement was announced recently to Mr. Sellars, of Waddle, is visiting friends at Pine Grove Mills. Harry Taylor, who has been at home the past few weeks nursing a badly cut hand, returned Sunday morning to his work at Baltimore, Md. The stork visited the homes of Edward Teaman, the florist, and Joseph McCully, the groceryman, last week and left a big boy at each home. Mr. and Mrs. James Sellars, of Ford City, Pa., are visiting at the home of Mr. and Mrs. Henry Lowery on Bishop street. Mrs. Sellars is a sister of Mrs. Lowery. Last week Miss Bertha Garver underwent an operation, Monday at the Bellefonte hospital, for an ailment from which she had been suffering for a year or more. Samuel Wilson, who is employed by the Eisenhuth Bros. in the lumber woods, near Laurelton, had his right ankle severely hurt recently. He was taken to his home and is now getting around with the aid of crutches. Friday conductor H. N. Reamer and wife returned from Williamsport where he consulted Dr. Haskins with reference to his eyes. He treated them but could not give him any satisfaction as to whether his sight could be permanently restored. A large stock company is said to be forming to take over the Ardell Lumber Co. in this place. It is probable that if the plan goes through the plant will be rehabilitated and put on a firmer basis than ever with an ample working capital. The College Y. M. C. A. has secured two notable orators—Hon. Champ Clark, of Missouri, and Hon. C. H. Grosvenor, of Ohio—to give a debate on "National Politics" in the Auditorium this Thursday evening. This, no doubt, will be a literary treat and should be well attended by residents from Bellefonte. Emery Gettig, of Altoona, a brother of Samuel D. Gettig, Esq., was a visitor in Bellefonte on Friday. He accompanied the body of Rev. Lambert, his former pastor, to Madisonburg, where the funeral was held on Thursday. He is a very fine gentleman, and is a man who makes many friends wherever he goes. William Boyer, an employe of the Fuel & Supply Co., knocked the persimmon, all right, last week. Two big boys came to make their home with him, and ever since he has been smiling to beat the band. There are some fellows in Bellefonte who had better go to "Billy" and find out what kind of breakfast food he has been feeding the stork, or they will pass away with the future generation knowing they ever lived. Francis E. Pray, who the past two years has taught the grammar school in the Stone school building, Bellefonte, has resigned his position to accept a better one in the public schools of Philipsburg, his resignation taking effect at once. Mr. Pray has been quite successful in his work here and it is to be hoped he will be equally so at Philipsburg. He left here on Saturday and assumed his new duties on Monday. He is a fine young man, and will be missed in the schools here. The strong Tyrone "C. C. C." basket ball team flushed with their signal victory over Altoona by the score of 39-18, came to Bellefonte Friday evening and lost the Academy game by the score of 19-24. It was probably the most interesting and exciting game of the season and every player on the Academy team deserves the congratulations of all interested for the excellent playing they did. The boys on the hill have been steadily improving in their work and will undoubtedly give a good account of themselves in the approaching series to be played between the Y. M. C. A. team and themselves. Peter Rider, whose trial for the killing of the Amasa boy was up in court Friday and Saturday, was found not guilty by the jury on Saturday under the indictment of murder in second degree. He left for his home, near Coburn, by train on Saturday at 1.40. On arriving at Coburn a large crowd had gathered to witness his arrival. The waiting room and platform were filled by persons of that vicinity, male and female. Rider was glad of the outcome and so was his family and many of the people of the vicinity. One sad incident, however, cast a gloom over Peter, being the death of his brother, at that place, the day before. Rev. Barry, who is about to finish his course for the ministry, at Susquehanna University, Selinsgrove, was on Sunday last, at a congregational meeting of the Lutheran church of Bellefonte, chosen as pastor for the vacancy that existed for several months. Rev. Barry filled this pulpit on a Sabbath several weeks ago, and the members were so greatly pleased with his efforts morning and evening, that at the election held last Sabbath all votes cast were for extending him a call. Rev. Barry will preach here again on Sabbath, March 17, morning and evening—thereafter occasionally until commencement at the university, after which he will be here to serve the charge as pastor. Next Sunday, Rev. Prof. Hoover, of Susquehanna University, will preach in the Lutheran church here, morning and evening, and from this on there will be preaching in the Lutheran church every Sabbath. Last Sabbath Rev. Aikens, president of the University at Selinsgrove, filled the Lutheran pulpit here and also administered the Lord's Supper to a large congregation.

Frank Bowersox was at the county seat attending to legal business. After being housed up for several weeks as the result of a fall Harvey Miller has recovered sufficiently to be around again. The Y. M. C. A. Glee club will repeat their concert and "Lawn Party" in Petriken hall on Tuesday evening, March 12th. Remember the date and don't forget to go. Mrs. Harry Yearick, who was taken to the Jefferson hospital four weeks ago for treatment, and later underwent an operation, has almost entirely recovered and returned home. The total rainfall in February was 21 of an inch—less than a quarter of an inch; there were seven snows, with a total of 15 inches. This was an unusually light precipitation for the month. Recently W. T. Royer, John, James and Edward Nolan, Walter Tate and James Miller, of Bellefonte, went to Tyrone and paid a fraternal visit to the Tyrone lodge of the Brotherhood of Locomotive Engineers and Firemen. Andrew Thal and family moved from south Spring street Thursday to the Thal property on Thomas street. Claud Smith, clerk in Montgomery's store, will move into the apartments which will be vacated by Mrs. Musser. Prof. C. A. Knuff, of Harrisburg, a graduate of Shippensburg State Normal, and of the Bucknell University has taken charge of the Senior Grammar School at the Stone building, recently vacated by Prof. Frey. It is said he is well fitted for the position. J. Thomas Mitchell has started work on the rebuilding of the Cruse house on east Linn street, which was destroyed by fire about nine months ago, and which property he recently purchased. He will use the old foundation and rebuild the size of the old house. Col. Hugh S. Taylor, of the 3th regiment, returned to Bellefonte Saturday from Altoona where he attended the inspections of Cos. C. and E. He was much pleased with the excellent condition in which he is finding the companies that compose this regiment. W. H. Burrows has rented the house on Linn street now occupied by William Garman and will move his family there April first. Mr. Garman has rented the house on East Lamb street occupied by William McClellan and the latter will move to the property owned by Oliver Witmer from east High street out beyond Wilson street. Clarence McClellan, a Bellefonte boy who two or three years ago joined the Salvation Army, has made such progress in the work that he has been made a captain and is to be placed in charge of the corps at Cleveland, Ohio. This is quite a promotion for one so young in the work as Clarence and if he continues he may yet become a general in the Army. We again desire to call the attention of the people of Bellefonte to the "Weighing Social," which will be held at the home of Mr. and Mrs. C. C. Spuey, Allegheny street, this evening, by the Ladies Aid society of the Methodist church. A weighing social will be something new in Bellefonte and if the ladies can just induce some of the real big men of the town to attend, it will help swell their receipts enormously. Of course all Bellefonters know that James Taylor is a cadet at West Point and Trude Bidwell is at the Naval Academy, Annapolis, but few know that the former stands sixth in a class of 168 students and the latter ranks twenty in a class of considerably over two hundred; facts which speak well for the efficiency of the Bellefonte High school as both young men have classmates of Harvard, Yale and all the leading colleges. There is every indication that the Bellefonte Academy will have a strong base ball team this year. So far twenty-two candidates have enrolled as applicants for the various positions and just as soon as the weather will permit outdoor practice will be begun. Manager McAsslin in arranging his schedule for the season has already secured dates with State, the Lock Haven Normal, Juniata College, Kiski, Williamsport, High school and the State reserves, and is negotiating with a number of other good teams for a game. Hadley's moving pictures will be shown for the second time this season at Garman's, on Monday evening, March 18th, under the auspices of Gregg Post, No. 95, G. A. R. The amount made at this entertainment will be used for the improvement of the soldiers' burial lot in the Union cemetery. Of course it is not necessary to exploit as to the merits of Hadley's pictures as everybody in Bellefonte knows they are always up to date and well worth going to see. Of course they will be just as good the next time as they were the last. Since the name plates for the soldier's monument arrived it has been discovered that the names of a number of old veterans have been omitted. This is not the fault of the monument committee, as everything possible was done to secure the names of every soldier and sailor who enlisted from Centre County, whether for a long or short period. It's the fault of friends who failed to hand in their names. The other day a large list of names of soldiers was handed to General John I. Curtin as not being on the plates. General Curtin took the list and on going over the plates found all but two. It was reported that Dr. R. G. H. Hayes, of Bellefonte, was going to erect a large building in the rear of Parrish's drug store to be used by John Lyon as an automobile store and general repair shop. This was in contemplation, but "Doc" got cold feet and the prospect was abandoned, at least for the present. Mr. Lyon has therefore decided to remain in the Arcade building, and for at least fifteen days has been making improvements to the room. He has torn out his old office in the front part of the main room and will use the entire space for storing automobiles and repairing the same. The front of the store will be so remodeled that an automobile can be taken in and cut just the same as at the Water street entrance. The entrance to the new cozy little office is from Water street instead of High street and when John gets a fellow in there, he never lets him get out without either buying a machine or saying that he will think over the matter.

Miss Mollie Snyder left Sunday for New York City. Francis Tompkins, a student of the Bellefonte Academy, spent Sunday at his home in Clearfield. James Sellers and wife of Ford City, Pa., accompanied by their two children, arrived in Bellefonte last week to visit friends. Robert Mensch, who is one of Aaronsburg's hustling young merchants, while attending court, paid us a short call on Tuesday. C. T. Gerberick, of Bellefonte, attended the funeral service of the late Rev. Lambert which took place at Altoona on Wednesday of last week. Gen. James A. Beaver, of Bellefonte, has been chosen a member of the Executive Committee of Penna. Y. M. C. A. at the convention at Allentown. The store owned for so many years by Wm. Miller, of Aaronsburg, has been purchased by George O'Bryan of Pine Grove, who has taken charge of the same. The Central Railroad Company of Pa. is erecting a paint shop at the round house and repair shops below town to take the place of the one destroyed by fire last fall. Mr. and Mrs. Neese have gone to housekeeping in the house formerly occupied by George Gault on Curtin street. Mr. Neese is one of the efficient clerks Joseph's store. The many friends of ex-county commissioner Abram V. Miller will be glad to know that on April 1, he will move his family to Bellefonte and occupy the old Foster home on Water street. Sigmond Joseph and Harry Holtz returned home from New York City on Saturday. They were accompanied home by Mrs. Louis Freidman, of New York. Mrs. Freidman was formerly Edith Holtz. The pattern shop connected with Lingle's foundry which some time ago was burned to the ground is being rebuilt and is now about half finished. When completed it will be larger and better than before. Rev. Schmidt has accepted an invitation to preach before the students of the Mercersburg College, next Tuesday. There will be no services, therefore, in St. John's church on Sunday, March 10, except Sunday School at 9 45 a. m. Thomas Williams has resigned his position as head clerk in E. T. Roan's grocery store and has taken charge of the Joseph Tressler farm. Edward Zimmerman will take his place in the store while Ed. will be succeeded by Harold Storm. Peter Mendis, of Bellefonte, came within an ace of going through the summer without pork and beans. His smoke house caught fire Saturday night and burned to the ground. Through the timely assistance of some of the neighbors the meat was saved. By reading the death notices in the Centre Democrat during the last three months, the reader must have observed that an unusual number of aged people passed over to the shore beyond this terrestrial sphere. The ages of the departed ran from 75 on up to close a hundred years. Representative John Noll is a member of a legislative committee which has been inspecting a number of state institutions in western Penna. Recently the Pittsburg Post contained a halftone portrait of the legislator and Mr. Noll's face was one of the most pleasant faces in the bunch. Knight Templars, of Bellefonte and other parts of this region are already planning to attend the fiftyfourth annual convocation of the Grand Commandery Knights Templar of Pennsylvania to be held in Harrisburg, May 27-29, and it is altogether likely that a representative delegation from this place will be present. Contractor Sam'l Gault, of Bellefonte, purchased on Wednesday the Thompson farm near Hoarard consisting of 120 acres. In the spring his son, Henry Gault, the superintendent of the poultry department of State College, will with his family occupy the farm, where he expects to go into the poultry business on a large scale. The new order of Elks, just about to organize in Bellefonte, has leased the Larimer property on West High street, and just as soon as it is vacated the house will be repaired and furnished in elaborate style. They will have the finest quarters to be found anywhere, and is composed of some of the best residents of the town. Sunday evening Mrs. Harry Rearick and little child left for her home in Altoona. Several weeks ago Mrs. Rearick left the Jefferson Hospital in Philadelphia, and after being discharged came to Bellefonte last week to recuperate at the home of her parents, Mr. and Mrs. John Woomer. She was accompanied to Altoona by Miss Sallie Ulrick. David Murray, of Lock Haven, who was placed in charge of the Western Union telegraph office here when John H. Wilson was transferred to the management of the Altoona office, has been transferred to Wellwood. William Dicken, of Cumberland, Md., but who lately has been working in Trenton, N. J., has been placed in charge of the Bellefonte office. The attention of farmers who make cider is called to the new pure food laws which states that every barrel of vinegar that is put out must be labeled plainly with the name of the person who barreled it, together with a statement as to whether the contents are composition, acid or real cider vinegar, made without the chemical. There is a heavy penalty for violating this law. Next Tuesday evening the charming comedy drama, entitled "Uncle Josh Comedy," will be the attraction at the opera house. This show brings with it a carload of special scenery and mechanical effects, a big band, grand orchestra and many new and novel specialties. It is a strong company of acting people and will, no doubt, draw a large crowd. Watch for the parade. A number of years ago E. T. Roan came to Bellefonte and started in the grocery business. Being an excellent business man he at once commenced to build up a large trade. He finally located on the corner of Allegheny and Bishop streets, and since then his business has been growing to such immense proportions that he found it necessary to find larger quarters. To this end he has leased the store room on Bishop street, lately occupied by Doll's bakery, which is now being fitted up for his occupancy by the first of April. The change will give Mr. Roan more room to handle his large increasing business.

Harrison Kline, the veteran father of Sheriff Henry Kline, is quite ill at his country home near Bellefonte. Mr. and Mrs. Julius Gutman who have been guests at the Joseph home returned to New York City Monday. Miss Ida Sink, of Lock Haven, spent Sabbath in Bellefonte as the guest of Milton Kerns and wife on High street. Monday morning Theodore Green (colored) was taken to the Danville Asylum by Sheriff Henry Kline and Robert Montgomery. Lew Gettig is in Buffalo N. Y., buying cattle for the Hewitt farm near Centre Hall. He will also buy a car load for his large trade in Bellefonte. Miss Bessie Brouse and Joseph Barnes of Bellefonte, were guests Sunday of Mr. and Mrs. Harvey Cupper, on East church street, Lock Haven. The ladies of the A. M. E. church will hold a supper in Crider's Exchange this Thursday evening at 5 o'clock. You are cordially invited to attend. John Eckel, of Penn Hall, has accepted a position as butcher in Gettig's meat market on West High street. He will move his family to Bellefonte and occupy a house on Lamb st. Harry E. Bilger, of Bellefonte, and Miss Laurena C. Witmer, of Pine Grove Mills, were married on February 28th, by Rev. F. W. Schafer at his residence on Main street, in Lock Haven. It was thought John, Rishel of near Bellefonte, would recover from his recent attack of vertigo but on Tuesday he took a turn for the worse and his condition is again such as to cause alarm. Lew Wallace, on Monday, began the brick work on the second story of W. Harrison Walker's office on High street. The work of completing the job will be rushed through in a hurry. Thursday night the first of a series of basket ball games will be played in the Y. M. C. A. gymnasium, between the famous Bellefonte Academy and the strong Association bunch with Walker to lead them. Mrs. Hattie Brown, widow of "Jim" Brown, called at this office Wednesday afternoon and positively declared that she was not the woman found in a drunken debauch on the streets of Bloomsburg the other week. It is said that the crowd Tuesday evening at the Bellefonte skating rink was a record breaker. Manager Taylor makes it a point to keep the place respectable and thus the popularity of the skating fad continues to grow. While in Harrisburg Thursday Hon. P. G. Meek, was taken suddenly ill. He returned home and on Saturday and Sunday he was quite ill. The trouble in his stomach and head. He is now much improved, and indications point to his recovery. Saturday evening, William T. Speer Jr., of Pittsburg, arrived in Bellefonte and Monday afternoon he accompanied his father, W. T. Speer, to Philadelphia where the latter expected to have another operation performed in his mouth. In consulting a specialist he was advised not to have the operation and then returned Wednesday evening. Tuesday evening about eight o'clock a violent blizzard set in, and in about two minutes over an inch of snow covered the ground. The wind blew like a hurricane and made it unsafe to be out doors on account of the fury of the blast and the blinding snow. It brought, where the blizzard got its whirly to start such a row, we are at a loss to know and it was so sudden. The annual contest of the prizes offered by the D. A. R. for the best essays on historical subjects of the Revolutionary period took place Friday afternoon at the Academy. The prizes were awarded to Miss Anna Lyon, of Bellefonte, from the ladies department, and George Lutz Harnock, of Wheeling, W. Va., from the young men's department. We had a pleasant call Wednesday afternoon from Hon. William Kepler, of Pine Grove Mills, and Hon. Franklin C. Bowersox, formerly of Snyder county. These two gentlemen were in the House of Representatives at the same time, and it was there that Mr. Bowersox made himself famous as a thinker and orator. He also served as County Superintendent of Snyder county. He now resides in Wilksbarre, and is setting along tip top. Mr. Kepler brought with him his charming little daughter, Marie, who had an enjoyable time in the evening at H. Henry's Minstrels. The Glee Concert and Lawn Party given by the Y. M. C. A. Glee Club a few weeks ago, will be repeated by request, Tuesday evening, March 12. Those who missed it before should not miss it this time; those who heard it before should hear it again, because there are new songs and several additions which will make it bigger, brighter and better than ever. Fishers. Miss Mary Fisher spent Sunday with Miss Edith Way. Mrs. W. M. Way left for Dix Run where she will spend a short time with her daughter Mrs. W. S. Hall. The married and single women of Howard have formed a club entitled S. S. S. These members have been socially enjoying themselves during the long winter evenings, by holding weekly meetings at the residence of each member the object is to have a little social time together, but the principal idea is to sew and make garments for the Bellefonte hospital. They have been doing excellent work for which they deserve a great deal of credit. 235 Miles of Good Road. In his annual report for 1906 State Highway Commissioner Hunter says that the department has completed 235 1/2 miles of good roads in Pennsylvania, of which 153 1/2 were built in 1906. The department has under contract or in readiness to be constructed 216 1/2 miles. If a man has common sense he enjoys a little nonsense occasionally.
