MILESBERG.
Rev. C. F. Hall, pastor of the Baptist church at Milesburg, has organized the boys of the borough—a chapter of the Knights of King Arthur. This is an international and inter-denominational work among boys. Its purpose is to develop the manliness of the boy, and train him to treat womanhood with due respect. About 30 boys are enrolled as pages. If faithful here, they will be advanced to title of esquire when they pledge themselves to abstain from use of tobacco and intoxicating liquor and all impurity. Faithful here, they reach Knighthood when they become an active Christian. This does not supplant church membership. Give a boy a chance and he will make a man.
Rev. G. Zerbe, in addition to this, has arranged with Christian Lantern slide and Lecture Bureau, for a course of six illustrated lectures of an educational nature. The first will be April 30th, 8 o'clock p. m. in the Baptist church at Milesburg; subsequent lectures will be held at same place, at intervals of about two weeks. A slight admission will be charged to cover the expenses. The great lack in our small town is just such an influence as such talks will create. All lectures will be illustrated by upwards of 80 slides, many of them the finest work of art in that line. A move of this kind deserves the patronage of the town.
The Baptist church also have in contemplation extensive repairs upon their parsonage property, which, when completed, will greatly add to the appearance of that portion of the town.

SHORT TALKS BY L. T. COOPER. INTERNAL PARASITES.
Cooper's New Discovery has taught me many things. Not least of which is that parasites or tape worms as they are called are responsible for an immense amount of suffering. Thousands of these creatures have been brought to me by people who have taken the New Discovery and now know that an immense amount of supposed stomach trouble is caused in reality by one of these parasites. A man or woman may be afflicted in this manner for years and not realize the true cause of their suffering. When I first sold Cooper's New Discovery I did not know that the medicine would remove this trouble. I have since found that it invariably does so. The following letter is a fair sample of the symptoms as experienced by an individual thus affected:
I was always tired. My stomach bloated and the slightest exertion made me sick, weak and dizzy. My appetite was variable and a good nights sleep was unknown to me. When I awoke in the mornings I had a bad taste in my mouth and a coated tongue. I heard of the wonderful benefits that were being derived from Cooper's New Discovery, and decided to try it.

"The horrible tape worm, sixty feet long that had been sapping my life away, passed from my system alive and squirming after I had taken three doses. Now I have a splendid appetite, every trace of stomach trouble has disappeared and my digestion is good. I sleep well and am gaining in strength every day." Nick Emmerick, 1344 Louis Ave., Milwaukee, Wis.

We are authorized agents for the Cooper medicines. Call and let us tell you more about them.
