THE NEWS IN CONDENSED FORM FROM ALL PARTS OF THE COUNTY

FILLMORE.

Since Waddle has gone wrong, Waddle scribe, must get the correct details of the game of baseball before you publish the score. I will correct your mistake. The score stood 3-4 in favor of Fillmore; it ended on a five-inning game. Fillmore had the bats 4 times and Waddle 5 times, and the men, as you call them, beat anyhow. You said in last week's issue the Fillmore team had half of State College. We beg your pardon, we had only a pitcher and short stop, while Waddle had 5 of the best of Scotia's team. We will give you the names of our players and where they are from. Earnest Sowers, of State College, played with us since the first game. The names are of both teams as follows: Fillmore—Eddy Taylor, Fillmore; Earnest Sowers, Fillmore, S. C.; Robert Tressler, Fillmore; Snyder, State College; Roy Whitmer, Fillmore; Ellis Huey, Fillmore; F. Fulton, State College; Roy Crust, Fillmore; Wm. Whitmer, Fillmore. This is our batting order and the men that played with us. Now I will give you the Waddle team's names and their place: Orvis Harris, Waddle; Lester Meek, Waddle; William Stine, Scotia; Carl First, Waddle; Albert Medwitz, Waddle; Eddie Markley, Scotia; Andrew Tomco, Scotia; Barr Mattern, Scotia; Howard Hall, Waddle; Umpire, Mr. Curry, Scotia. One of your own men or boys, as you call them, kept the score so don't kick on the score. It is 4 to 3 in favor of Fillmore. Any one disputing this ought to see the score card. George Crust has it in his possession and if you still are not satisfied we will give you another game with the same men on both teams. Call us by phone, we have both phones: J. C. Kockey's on the Bell, or J. C. Hunter on the Commercial. Cut out your hot air and play ball, if you have the sand to again tackle the Fillmore experts.

UNION TWP.

Our hats are off to the Runville scribe, we appreciate the compliment; call us down when we get too windy. The Wallis Run Lumber Co. purchased these horses the past week and lined up their team and ran a truckload of logs over it which proved a success. The mill will start on Monday. They have several men peeling bark. One of our young stock farmers is putting on a good deal of style with his young cattle. He tabs them on the top of their ears, then to finish off he put earrings on the under side. Charley C. Walker, of Romola, cut his foot badly while peeling bark, on last Thursday. Edward Barton, of Unionville, killed the first rattlesnake on the lumber job on Wednesday; it had twelve rattlers; the next day Samuel Butler, of Romola, killed a large one. You can now get your ticket for Glen Harris. When our new station is finished it will be one of the coziest little stations in the Snowshoe line. It will be a credit to the company and an honor to Dode Walker, the section boss, for the way he flags it up with crushed limestone. A couple of our young men, from camp spent Saturday night down the run. A. I. Klunger, of Birmingham, arrived here on last Thursday as the head sawyer for the Wallis Run Lumber Co. On Friday and Saturday he set the mill up and put it in running order. G. Shalley spent Sunday with his family, at his home at Fairview. Al. SHORT TALKS BY L. T. COOPER.

DEBILITY.

Many people who talk to me say: "I feel half sick all the time. I don't just know what's the matter with me." This is general debility. It's very common. People who get in this shape have my sympathy. They aren't sick enough for bed so they drag around and their families get exasperated with them. There are two causes for this condition; bad habits and a weak stomach. By bad habits I mean eating irregularly and too fast and not chewing the food thoroughly. The stomach gives out and loss of appetite, biliousness, constipation, and general debility result. First get the stomach in shape and then be more careful in the future, and the worn out, despondent, half sick feeling will be a thing of the past. Two bottles of Cooper's New Discovery will put the stomach in shape. Common sense will do the rest. There are fifty thousand people in this country who know this to be true because they've tried it. Here's a letter from one of them: "I was all run down from overwork, lost ambition and energy and could not sleep. It was difficult for me to attend to my work owing to that tired feeling. I secured two bottles of the New Discovery medicine and determined to try it. The result delighted me for renewed strength and vigor and energy came with the first few doses. It's effect was different from anything I had ever taken. I finished the two bottles now and feel well and strong again." E. McDade, 839 Dix Ave., Detroit, Mich.

We hear favorable reports of these famous medicines every day. Ask us about them. Sidney Krumrine, Druggist.

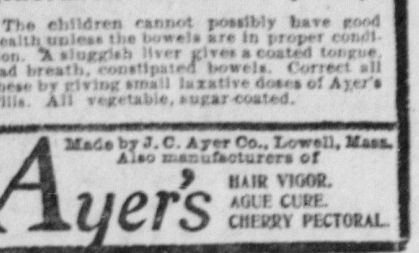

"None But the Brave Deserve the Fair," but whether you be brave or timid, you will get nothing but fair treatment here. We are in business to make friends and to keep them. We can only do this by giving the people their money's worth right along, by offering the freshest goods, by prompt and polite service, and by charging only reasonable prices. We know that you will be satisfied with what we sell, with the price we sell at, and with our selling methods.
