An incompetent servant had been discharged by her employer. "Very well, mum," she said. "I'll go. But I'll be asking for a reference." "A reference!" echoed the lady. "What reference can I honestly give such a worthless girl as you?" Bridget bridled. "It's a civil thing I'm asking," she returned. "You kin say I lived wid you four months. That'll be reference enough, mum."

In Spring Time Housewives are Puzzled!

This is the season of the year when the good housewife must exercise unusual care and ingenuity in the preparation of meals. Ingenuity, because garden truck is not to be had; and care, because groceries are expensive.

Sechler & Co. is one of the oldest and leading stores in Bellefonte. The firm name means

SHORT TALKS BY L. T. COOPER.

CONSTIPATION.

I can tell a person who is constipated on sight. Their complexion is pasty or yellow. Their eyes are dull, and they look and feel sleepy. Nowonder they do. The bowels are a sewer. They carry away the poisonous refuse. If they don't act the poisonous matter is absorbed by the body, and headaches, dullness, bad complexion and eventually serious troubles result.

There is no better rule for good health than that the bowels should move every day at the same hour if possible. Regularity can be acquired by making a habit of this. Foolish people neglect this and when chronic constipation effects them they take pills every few days to force the bowels to perform their natural function. As years go on they require more and more pills. This should be stopped. Cooper's New Discovery will build up the stomach and cause the bowels to act naturally. While taking the medicine get the habit of regularity, then gradually stop taking the medicine.

Here is a sample of letters from those who have tried it:

"For sixteen years I have suffered from stomach and liver trouble, and chronic constipation. I had frequent headaches and always felt tired and worn out. I heard of Cooper's New Discovery and began its use. After I had finished one bottle I was wonderfully improved. Constipation gave way to a pleasing regularity of the bowels and I ate better, slept better and felt better than I had for months. It is the greatest medicine I have ever known." Samuel Booren, 1742 Marney Ave., Scranton Pa.

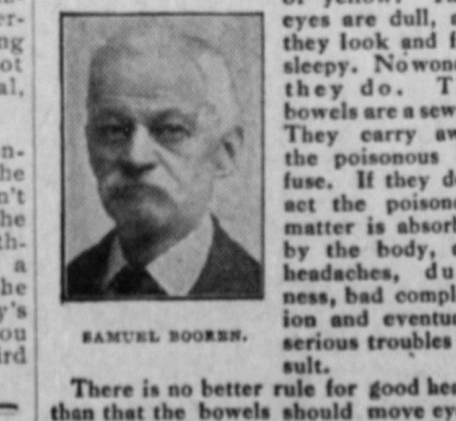

Our customers who have used them say the Cooper medicines do the work. We sell them.
