The Satisfactory Store, 14 Days!

Willard's Bazaar

THE WILLARD WAY

FOURTEEN DAYS of absolutely the lowest prices. Just ready to step over the fence from Summer to Autumn, we must resolutely clear the store of small lots of goods. From now till mid-October this store will receive more goods than it will sell, as we outfit people for the winter and prepare for the Holidays. However big the store seems it is too little in the fall, so we will choose nine days twice grass and hay to put out any goods we can spare; we've sold more goods month by month since we came here, and at prices cheaper than you ever bought good reliable merchandise before, here or from any mail order house and by coming here you get good service and good goods at the lowest cash price sold, and you have the satisfaction of seeing before you buy, and this you cannot have when you send to Chicago or elsewhere for them. We will place these goods on tables from day to day in our center aisles at, in some cases, half price, one third or one quarter off as the article demands the room for other goods. On these tables will be found Dress Goods, Lawns, Waistings in white and colored, Children's Dresses, Skirts, Shirt Waists, Kimonos, Wrappers, Muslin Underwear, Hardware, Tin and Grantware, Hosiery for boys, ladies, misses and children, in fact it will pay you to visit our store if you are contemplating a purchase of anything found in a large store as our stock is resourceful.
