WARM AND DRY TO STAY WELL

Noted Authority Gives a Simple Prescription.

ALSO TELLS HOW TO TAKE

Tells the Readers of this Paper How To Prepare the Mixture at Home and Other Advice.

Now is the time when the doctor gets busy, and the patent medicine manufacturers reap the harvest, unless great care is taken to dress warmly and keep the feet dry. This is the advice of an old eminent authority, who says that Rheumatism and Kidney trouble weather is here, and also tells what to do in case of an attack.

Get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Mix by shaking in a bottle and take a teaspoonful after meals and at bedtime.

Just try this simple home-made mixture at the first sign of Rheumatism, or if you back aches or you feel that the kidneys are not acting just right. This is said to be a splendid kidney regulator, and almost certain remedy for all forms of Rheumatism, which is said caused by uric acid in the blood, which the kidneys fail to filter out. Any one can easily prepare this at home and at small cost.

Druggist in this town and vicinity, when shown the prescription, stated that they can either supply these ingredients, or if our readers prefer, they will compound the mixture for them.

Even the man with a constitution of iron may look a trifle rusty.

When the Hair Falls

Stop it! And why not? Falling hair is a disease, a regular disease; and Ayer's Hair Vigor, as made from our new improved formula, quickly and completely destroys that disease. The hair stops falling out, grows more rapidly, and all dandruff disappears.

Does not change the color of the hair.

The little book in each package gives the formula of our new Hair Vigor, tells why each ingredient is used, and explains many other interesting things. After reading you will know why this new hair preparation does its work so well.

THE MIDWINTER OUTING.

This is the time of the midwinter outing. A dash of summer in the midst of winter is an agreeable variation. It makes for health and pleasure and stimulates vitality.

For the extended trip, Southern California, the fruit and flower land of the Pacific Coast, offers unrivaled attractions.

For the fortnight trip, Florida, the summer garden of the Northern winter, bids you come and enjoy its genial sunshine, its tropical scenes and its out-door life.

For the ten days' outing, Pinehurst, Camden, Aiken, Augusta, Southern Pines and other popular resorts in the pine belt of the Carolinas and Georgia, offer many inducements.

For the short trip—the week-end outing—Atlantic City is always attractive. The same breezes that depress the thermometer in summer seem to keep it up in winter. It offers great hotels on the ocean's edge, out-of-door life on land and sea, and a climate full of snap but shorn of the winter severity.

Before deciding on your midwinter outing consult a Pennsylvania Railroad Ticket Agent and get a Pennsylvania Railroad Winter Excursion Book. Whether you select California, Florida, the Carolinas, or Atlantic City, the Pennsylvania Railroad offers a comprehensive train service, reasonable rates and ticketing arrangements, and the best facilities that modern transportation methods can provide.
