## Breezy "That" Column

THAT a woman in Bellefonte can't always gain her point by trying to sharpen a lead pencil.

That the merchant, in Bellefonte, who is after quick results, should take a by no mob's haste nor swayed by gods of gold.

THAT at times it looks as though Harry Baum, of Bellefonte, was thinking of

going into the butchering business. THAT "Billy" McFarlane, of Bellefonte, should tell his friends who that girl was who said she could kiss and learn to love

THAT the man in Bellefonte who never flops his wings except in prayer meeting will never rise high enough to get into

THAT there are too many men in the churches of Bellefonte who are dead in In loftler virtue, wisdom, courage, power earnest. What is needed is more fellows who are alive in earnest.

THAT Hard Harris had better keep away from South Thomas street or he will get the fever and want to run for county treasurer on the Democratic tick-

THAT a burned child dreads fire, but

there are widowers in Bellefonte who are waiting for a leap year proposal to marry the second time, which takes as much nerve as to stand before a loaded the Rocky Mountains the weather was

THAT Solomon, in all his glory, was not half as smart as several fellows in Bellefonte think they are. Wait until the lid is lifted and there will be something doing, and don't you think there

THAT Sam Cherry, of Bellefonte, is That Sam Cherry, of Bellefonte, is poses. They raise the nicest fruit at making himself O K with one of Eve's Wenatchee I ever saw. Peaches, plumbs, fairest daughters. Sam has been on the warpath these many years and it is soon and all small fruits grow to perfection

did perfectly right. She's got the grit all right to stand up for her rights. She will get another young man to kiss and hug her, so she needn't worry.

whether we really believed that every man in Bellefonte secured the wife that the Lord intended for him. The only plausible answer we could give to this was that he believed that all men are bell, June 15, 1898, lot in State College; punished in this world for their sins.

THAT Harris Olewine, of Bellefonte, succeeded in capturing a prize last week which braces him up financially so as to be ready for the opening up of the ice cream parlors and the soda fountains. Girls, this is leap year, and you have a perfect right to make this young man come to the rack and open up. He has the "Mon."

her spare moments in making her wedding trousseau. If reports are correct 27, 1908, lot in Julian; \$30.

she will become a charming little milk lohn Hamilton et ux to E. L. Graham, maid, who will spend the balance of her lot in State College; \$500. life in singing pretty little ballads while she milks the cows, feeds the chickens and drives the ducks to water.

student from State College came to Geo. Campbell. Three of the infants Bellefonte to have a little fun with one died within an hour after birth. One boy of our girls, and while he was taking ten and girl will live, it is said. Three were minutes to kiss her good by his companions drove off and left him. He started to walk but had to call on a farmer to aid him to get back to the Coldeclare the case to be one of the most lege in time for chapel the next morn- remarkable known.

THAT they say that George T. Bush is extending his postal card business up these twins have been born, and each of on Bishop street. It looks as if he was the other brothers is father of triplets going to spend more of his time at that station than the one in the Arcade. His friends and patrons are hoping that he will be kind enough to give them telephone connections between the two ago. places. He should, at least, take his meals with Mitch Cunningham, at the Haag hotel.

THAT the young man and lady of Bellefonte, who went out sleigh riding the other night and got tangled up in the robes in the rear of the sled could hardly have had the gall to look one another in the face the next morning. A straight girl out with a crooked fellow often results disastrously. It's a very er counties in this section. Sheriff Allen, hazardous risk and would not be taken for some months past, charged the country that is allowed the country of the section of the country of the co even by an insurance company.

THAT several ladies in Bellefonte were sitting at a card table the other night increase. and the conversation turned on the virtues of their husbands. One of them said, referring to her "hubby." He never drinks, swears; indeed he has no bad Just at that very moment he happened to be loving another man's wife, who lives in another part of the town. It's real amusing how some fellows can pull the wool over their wives eyes.

THAT Bellefonte has in it two girls who used to be good friends, and now they scarcely speak. The coolness was caused by both of them becoming heart broken over a young man who boards at the White Elphant at the terminus of West Bishop street. For two girls to be completely mashed on one young man when there are so many around ought to make the other fellows strike

man or woman, has the moral right to one small cigar factories and numerous descerate the Sabbath by taking a girl out of the kitchen and putting her to work at scrubbing halls in a public building. This is a mean way of trying to save a few paltry dollars, and in direct violation of the laws of both God and Three telegraph operators saw a man. Most properties in Bellefonte, used for public purposes, have a sufficient income to pay a regular janitor a powerful searchlight. Operator Ferwithout asking girls to do the work. Bet- guson, of Bloomsburg, first saw the

THAT the other day, just as "Bill" Miller, the express agent, was coming from Harrison Walker's office some very naughty boy slung a snow ball that struck a book "Billy" bad in his hand. The young man who was delivering successful and practical demonstration or how a fellow, when he is in trim, can swear in Greek, Latin, Italian and French, all at the same time. While this is true you could have played checkers on the coat tail of the youngster who threw the ball.

In the bills for expenses incurred by the jury under his supervision, the total being \$4,302.75. The other expenses of the trial have not yet been announced, but the total will be much less than for the first trial, which cost the county about \$25,000.

THE IDEAL LEADER.

He is one who counts no public toil so

not courting, all just men's re-Prizing. With none but manhood's ancient order

Nor crowned with titles less august and

Than human greatness. Large brained, limpid souled, Whom dreams can hurry not nor doubts

retard.

Born, nurtured of the people, living still
The people's life and though their noblest
flower,

In naught removed above them, save

The ampler vision, the serener will, And the fixed mind, to no light dailyings

-William Watson.

#### From a Zion-ite.

EDITOR DEMOCRAT : I left Bellfonte, February 3, at 4 p. m. and arrived in Wenatchee, February 7, That the greedy and avaricious man in Bellefonte should wear a plaid suit so that when he went to do anything that he knew was mean and low it would Through the states of Ohio and Illinois much corn is in the fields unhusked. I passed by way of Pittsburg, Chicago, St. Paul. Grand Forks, Devil's Lake, Spoakane to Wenatchee. I saw much beautiful land enroute. After crossing about 70 degrees warmer and we ran at the rate of 50 to 55 miles an hour. At Wenatchee they have completed a large bridge across the Columbia. The bridge is about a quarter of a mile long and carries a trolley track and two large pipes, 3 feet in diameter, to convey the water across the river for irrigation purtime he is making his peace, calling and here; hundreds of acres are in orchards and many more are being prepared. THAT the girl near Fillmore, who gave Bearing orchards sell at \$1,000 to \$1, her beau the bounce the other evening 500 per acre. This sounds large, but it because he ran around with other girls, is true.

H. L. TRUCKENMILLER, did perfectly right. She's got the grit Wenatchee, Wash. Feb. 13, 1908.

#### Real Estate Transfers.

T. A. Meyer et al to Irvin A. Meyer, THAT the other evening we were asked Dec 30, 1907, land in Penn twp.; \$225. Caleb E. Long et ux to Elizabeth Frankland, Feb. 18, 1908, premises in Philipsburg; \$1725.

Maggie E. Spotts to Earnest Spotts, Worth twp; \$1000.

W. C. Hall to J. W. Coakly, Feb. 24, 1908, premises in Julian; \$800 Ellen E. Beerly admr. to Lemuel

Beerly, Sept. 5. 1903, house and lot in Boggs twp; \$300. That it is said that a young lady on Lemuel Beerly to J. L. Aikens, Feb. east High street, Bellefonte, is spending 28, 1908, land in Boggs twp.; \$225.

May Murphy to Emma Walizer, Feb.

#### Five Children at One Birth.

Five perfectly formed children were THAT it is said that the other night a born at Steubenville, O., to Mr. and Mrs.

Campbell is a mill worker, and has four brothers. To the family of two of Campbell's first wife died after be-

#### Twenty-Five Cents Too Little.

The grand jury of Clearfield county, in its report last week, makes a recommendation that Sheriff Allen be allowed more than 25 cents per day board for each prisoner in the institution. The jury report says that 25 cents is inade-quate in view of the great increase in the cost of food stuffs, and that sum is less than is allowed the sheriffs of many othty forty cents a day per prisoner, but the county auditors would not allow the

#### Cases Must go to Court.

Hereafter the Dairy and Food department will try all cases of violation of the oleomargarine law in the courts, and will not permit them to be settled in the a dealer who violates the law cannot transfer his license, and this will have considerable to do with putting a stop to violations of the law.

#### Fire Destroys Buildings.

The entire extreme northeastern sec-West Bishop street. For two girls to be completely mashed on one young man when there are so many around ought to make the other fellows strike for a mirror to see whether their hair is parted exactly in the centre.

The entire extreme hortneastern section of Tampa, Fla., proper was destroyed by fire, which raged from 9 a. m. to 1 p. m. Sunday. The area burned covered fifty five acres and three hundred exactly in the centre.

The entire extreme hortneastern section of Tampa, Fla., proper was destroyed by fire, which raged from 9 a. m. to 1 p. m. Sunday. The area burned with a loss estimated at \$600.000. The THAT no person in Bellefonte, be it a burned section included four large and

Three telegraph operators saw a strange light in the skies Saturday night, and each one asserts that it looked like ter ask them to go to church instead of gleam and communicated with the to scrub.

That the other day, just as "Bill" three of the men believe that it was the searchlight of an airship,

#### A Big "Bill."

Captain William Ricketts, who had personal charge of the Thaw jury during the last trial, on Tuesday received

"See there!" exclaimed the returned

An Alabama man, meeting an old darky formerly in his service, put to him the usual question, "Well, Jed, how are you today?"

"Tol'able, sah, tol'able," cautiously replied Jed. "Ah'd be all right, sah, if it wa'n't for de rheumatism in mah right laig."

"Ah, well, Jed, we mustn't complain. We're all getting old, and old age does not come alone." "Old age ain't got nuthin' to do wid

it, sah. Heah's mah other laig jest as

old, an' dat's sound an' soople as kin be!"-Lippincott's.

Faraway Markets. "Where are you going, my man?" sáid an English tourist, stopping an Irish farmer on the way to the cattle

"To Waterford fair, your hon"," was the answer.

The Englishman looked approvingly at the helfers the other was driving. "And how much do you expect to get

for your beasts at Waterford fair? he asked. "Shure, an' if I get £8 a head I

shan't do badly." "Ah, that's a sample of your country," said the Englishman severely. "Take those heifers to England and you'd average £14 a head for them."

"Just so, yer honor, and if yez were to take the lake o' Killarney to hell yez would get a guinea a drop."

She was standing on a chair on the pier watching the racing. On a chair behind were two Frenchmen. The lady turned around and said, "I hope I don't obstruct your view?"

"Mademoiselle," quickly replied one, "I much prefer the obstruction to the

# Public Sales
