To Exterminate Mice and Roaches. Housekeepers who are trying to ex-

terminate mice and cockroaches will

find carbolic acid and alum two important aids. The cheapest way of buying the former is in crystals in a bottle. Place the bottle on a pad of paper in a saucepan and surround with cold wa-

ter, place on the stove and when dis-

solved pour into a quart bottle which

is nearly full of cold water. Cork se-

curely and place out of reach of chil-

When washing closets, floors to be re-

covered with mattings or carpets or

when cleaning storerooms use two

tablespoonfuls to half a bucket of wa-

The same solution is good to drive

away ants, but for them kerosene oil

is even more efficient. With oil wipe

the under part of shelves, tables or

wherever the pests have been found,

and one application will usually be suf-

ficient. If possible discover the ants'

To rid one's place of cockroaches will

be quite impossible if women are care-

less about leaving either food or damp

clothing in an infested room. It should

be remembered that the slightest

crumb is a good meal for one, and cloth

furnishes an ideal propagating place.

Therefore have everything scrupulous-

ly clean. In the work of exterminating

cockroaches wash the wood finishing in

an apartment with a mixture of a table-

spoonful of carbolic acid to a quart of

An infallible exterminator of these insects is an alum solution made of

this is that it destroys varnish, for it must be applied hot with a brush.

To do away with mice a mixture of

equal parts of flour and plaster of paris

is said to be excellent. No moisture is

applied to the powders, but all food is

put away and the mixture left on a

plate where the mice will get it. After one repast they return no more.

Constant effort with the use of strong

applications will exterminate even that

most awful of vermin, bedbugs. To have the compound necessary put to-

rether one pint each of wood alcohol

It is easier to make a new promise

Public Sales

Breezy "That" Column

THAT the Divine injunction is to "Remember the Sabbath day to keep it

That they say Bellefonte has a woman in it who will steal right before your very eyes. Watch for her.

THAT Bellefonte has a number of young men who pay attention to girls Her heart has shed a drop as dear hat never pay anything else.

As e'er bedewed the field of glory. but never pay anything else.

THAT "Domino" wants to know the difference between a glass of water and a glass of beer, 5 cents, of course.

THAT naturally the girls of Spring Mills like cold weather. It's the that brought "chaps" to their lips. It's the kind

THAT it is stated that there is a man in the South ward. of Bellefonte, who may have a weak voice but uses strong lan-

THAT the reason the girls, of Bellefonte, sit on the floor to put on their stockings is because they can't sit on the ceiling.

That if money talked what a picnic the women would have if they were clerks and cashiers in the several banks of Bellefonte.

That it seems a down right shame to waste beautiful clothes and costly diamonds on a woman in Bellefonte who says "them oysters."

THAT the difference between a bachelor girl and an old maid, in Bellefonte, is

the one knows she can get married and the other knows she can't. Girl in which class would you sooner be? THAT the whipping post should be redrunk and abuse their families, They

belong to the "Poo-Po-Gang."

THAT the time will soon be here when the young men of Bellefonte can take best-girls out walking on Curtin and Linn streets where they will not be troubled with running against soda water

and ice cream signs. THAT there is an exceedingly bright young lady in Belletonte who, if she desires ever to become some young man's darling, should not listen to every kind of doctrine. She is old enough to decide that question her self.

fall out and give the whole thing away. repentance or penitence beyond the A hammock is a nice thing, but it's most grave to which all mankind is hastening,

to treacherous for this couple. fonte, says that the reason he doesn't go | more. into the poultry business is that there are too many fellows around here who go gunning up on the mountaian for pheasants and go home with chickens.

THAT there are some girls in the Bellefonte High school who would display better judgment if they pay more attention to their books, and leave the boys go until they have their age. To bear some of them talk makes you very tired.

THAT John Curtin, clerk in the Centre County Bank, attended a little social affair at the Country Club the other evening and a very peculiar thing took place at the table. Some of the ladies blushed because they saw the salad dressing.

says that the best Union man often forgets all about the eight hour system and works overtime when courting a real pretty girl. He never thinks of asking establish a harem. for extra time, either guess that's right.

THAT John J. Bower, Esq., of Belle fonte, has a great fascination for good

of time after the goods have been delivered. It has been suggested the driver

THAT Bellefonte has in it a number of young men who are just aching to get an opportunity to secure a marriage li cense. Any man who has gone through the mill will tell them that hitching up double with a young lady doesn't mean that when the traces are stretched, the single tree is always standing parallel. In other words, marriage is not always a bed of

That the chief reason why some women in Bellefonte go to church is to show off their pretty gowns, and to hear their skirts rustling down the aisle. The proof of this is that they go to the temple of worship in the morning when the congregation is large and in the evening play cards. They, however, are no worse

That Charles Moran, one of the expert shoe fitters in Yeager and Davis' shoe store, killed a chicken the other day at the residence of Harry Yeager, and he swears that it had a lump on its left hind leg. We don't like to accuse the young man of being silly but he certainly must have been thinking of one of Col. Reynolds' Angora goats, or Harry Yeager must have been feeding his chickens sawdust, and some of them are walking around there with two extra wooden legs; what would his girl think if he made the same remark about her.

divided the furniture, Wenning had given his wife \$400 and they were leaving the house when he asked for a farewell kiss. He gave it with such fervor that Mrs. Wenning blushed, stammered and finally declared: "I love you best after all. Shall we go back home?" They did.

Now that March is on hand, it may be in order to say that one swallow doesn't make a summer, but a frog makes a spring.

It is a woman's place to give in to her husband, if he shells out. burn in h- like a tar barrel.

THE BRAVE AT HOME. The maid who binds her warrior's sash, With smile that well her pain dissembles, The while beneath her drooping lash One starry teardrop hangs and trembles, Though heaven alone records the tear And fame shall never know her story,

The wife who girds her husband's sword Mid little ones who weep or wonder And bravely speaks the cheering word, What though her heart he rent asunder, Doomed nightly in her dreams to hear The bolts of death around him rattle, Hath shed as sacred blood as e'er Was poured upon the field of battle.

The mother who conceals her grief While to her breast her son she presses, Then breathes a few brave words and

Kissing the patriot brow she blesses, With no one but her secret God To know the pain that weighs upon her Sheds holy blood as e'er the sod Received on freedom's field of honor. -Thomas Buchanan Read.

Progressive Euchre Denounced.

Society in Cynthiana, Kan., has been startled by a report made to the judge of Harrison circuit court by the grand jury, in which progressive euchre is bitterly THAT it is said that Bellefonte is soon denounced. The grand jury demands to suffer the loss of one of its "Hello Girs." One consolation the young man will have, he will never be lonely.

That a play in Garman's Opera house may be so pathetic as to bring tears to the curse of a young lady, and it may be so pathetic as to bring tears to the curse of a young lady, and it may be so pathetic as to bring tears to the curse of a young lady, and it may be so pathetic as to bring tears to the curse of a young lady, and it may be so pathetic as to bring tears to the curse of a young lady, and it may be so pathetic as to bring tears to the curse of a young lady, and it may be so pathetic as to bring tears to the curse of a young lady, and it may be so pathetic as to bring tears to the curse of a young lady. the eyes of a young lady, and it may print the names of the guests and wincause her gentleman friend to go out for ners of prizes. All are common gamblers ners of prizes. All are common gamblers and deserve to be fined. To play for a silver prize is as bad as to play for a silver dollar.

There are a number of people in Bellefonte who imagine that the chief end of man is to eat, drink and be merry around a card table; never think that the time That the whipping post should be revived in Bellefonte as a punishment for a couple of brutes in Bellefonte who get help are heard on all sides. There is prachably the some good for humanity, whose cries for help are heard on all sides. There is prachable to the some good for humanity and the some good for humanity and the some good for humanity. tically no difference between the habitual drunkard than the persons in Belle-THAT "Brit" Steele, the hustling collector for the Bellefonte Gas & Steam around a card table, forgetting all those Heating Co., wants to know the differ-ence between this world and the next enoble men and women. Both lead to a For some people there will be a h-l of life of idleness and shame, with this social cancer our moral tone of society That the young man in Bellefonte who has nothing to boast about but his ancestors is like a potato plant. The best thing belonging to him is under the ground, and he has nothing to talk about but dead issues.

become paralyzed because the card table has taken the place of the prayer meeting, and even Sunday evening services have been sacrificed for this growing evil. It is not an uncommon thing to hear the rustling of silks and satins down the aisles of our churches on Sabbath this office will receive a free advertisement in morning and in the evening see the pew this column. Others will be charged \$1. As the

vacant on account of what is known as a circulation of this paper is OVER 5,200 social game of cards. The card table is a week (2000 more than any other,) farmers rebading the young in the channels of a life of indifference, and dwarfing the mind of many a promising youth. Let printing bills promptly and at reasonable arling, should not listen to every kind of doctrine. She is old enough to decide that question her self.

That a certain gentleman in Belle-tonta shouldn't kise another man's wife in a hammock, because they are liable to fall out and give the whole thing away.

A hammock is a nice thing, but it's most of the world and mankind is hastening, a hammock is a nice thing, but it's most of the world and mankind is hastening.

A hammock is a nice thing, but it's most over this community when people will stop and think of the great revival will sweep over this community when people will stop and think of the great revival will sweep over this community when people will stop and think of the great realities of the world and the realities of the

Only one Man for Them.

Sixty co-eds of the Northwestern University of Chicago took advantage of the leap-year privilege Saturday night

and popped the question. All proposed to one and the same man. As a precautionary measure to prevent his escape they kidnapped him. He is "Jack" Brown, a janitor. The sixty girls live in Chapin Hall and Jack was taken prisoner by the sixty. The girls all wore masks. The young man was hustled into a darkened parlor. While a prisoner in the arms of six stalwart girls, the other tormentors marched up in single ecause they saw the salad dressing.

That Rush, the Bellefonte tinner, asked him to marry them. The youth said "yes" to the whole bunch.

A Demented Woman.

auct.
TUESDAY. MARCH 17:—at the Old Fort, Potter township, George W. Bradford will sell: 9 horses, span of mules. 15 milk cows all fresh at time of sale, 15 head of young cattle—all shorthorn stock, 12 ewes and a buck, 30 shoats of 100lbs each. 4 brood sows with pigs, Berkshire boar, and full line of farm implements. H. H. Miller, Auct. Sale at 10 a. m. Cyrus Heltman, the well-known Mackdogs, thoroughreds, if you please; while eyville farmer, while working in his barn this is true, its a question whether he can tell what kind of hair Moses' dog had, to see in the public road a woman, who oh! here comes John Knisely: he can was wandering about attired in a man's in Bellefonte is left standing in front of a certain house a considerable length of time after the goods have been a certain to the considerable length of time after the goods have been a certain to the considerable length of time after the goods have been a certain to the considerable length of time after the goods have been a certain to the certain that water was dripping from it. She asked Mr. Heltman, where a relative lived and was taken the certain that water was dripping from it. mented and had evidently roamed about ought to put up a hay rack along the all night in the rain, as early Friday curb, so that the horse can eat while he evening the woman was seen near the evening the woman was seen hear the canal in Flemington and she acted so strangely that the boys snowballed her, they believed she intended to drown herself, It is presumed that she walked the entire distance to Mackeyville during the night, during which time rain fell in torrents at intervals.

Altoona Murderer Caught.

William Conway, colored, who shot words, marriage is not always a bed of roses.

That Joseph Thal, of Bellefonte, has become quite an artist, especially along the line of decorating individuals for St. Patrick's day. He has a barrel in the rear of his store over which he lays his subjects, and when he gets through with them they generally eat five or six meals standing. However, he is a crackerjack at the business, and always renders general satisfaction.

William Conway, colored, who shot and killed Silas Cooper, on a street in Altoona, the evening of May 21, 1906, has been arrested at Welsh, W. Va., and was brought back to Blair county for trial. Conway, who had been working for a contractor in Ohio, returned there the day of the murder and learning that his common law wife, Hattie Hamm, had gone out to meet them on the street, shot Cooper without warning, killing him instantly. He then fied and succeeded in evading apprehension un-
