If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowels affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultants, as bronchitis, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering or chronic cases it is especially efficacious in producing perfect cures. It contains 12 ack Cherrybark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley, of Springfield, M. D.; Prof. Bennett, Med. College, Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Hinkle, M. D., of Hahnemann Med. College, Chicago; and scores of others, especially eminent in their several schools of practice. "The Golden Medical Discovery" is the only medicine put up for sale through drug stores, that has the following words upon its wrapper: "This preparation is made from more than any number of ordinary ingredients. Open publicity of its formula is the best possible guarantee of its merit. A glance at this publication's formula will show that 'Golden Medical Discovery' contains no poisonous, harmful or habit-forming drugs and no chemically pure, triple-refined glycerine being used instead. Glycerine is a strictly non-toxic substance and besides is a most useful agent in the cure of all stomach, as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. 'The Discovery' is a concentrated glyceric extract of native, medicinal roots and is safe and reliable. A booklet of extracts from eminent medical authorities, containing its ingredients and mode of use, is sent free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.
