In consequence every week we are compelled to omit several as we are unable to get everything in type by evening when the paper is made up. We would like to have correspondence by Monday and not later than Tuesday. Try and oblige us in this.

Sunday morning Phoebus appeared in all her splendor, taking advantage of the beautiful day the principal thoroughfares were thronged with promenaders. "Merry Widow" costumes predominating.

St. Mary's Dramatic Club reproduced "The Noble Outcast" Saturday evening. At the conclusion of the drama the younger members of the club gave a concert. So well did they impersonate the negro character, that one was carried back to the cabin scenes of slavery! The audience was so taken by "The Cakewalk," which was one of the principal features, that the young performers were encored several times.

One of the most brilliant functions of the social season was the ball given by the members of Division No. 1. Ancient order of Hibernians, in the pavilion of the Snow Shoe Driving Park, on Monday evening, April 20. The pavilion was most beautifully and artistically decorated in green and white resembling a Roman garden. Handsomely gowned women added splendor to these decorations, while from behind a screen of palms could be heard the Snow Shoe orchestra which made its initial bow on this evening furnishing music for the occasion. The reception committees consisted of the following gentlemen: L. Redding, Emanuel Burns, Frank Burns, Edward Burns, John Tobin, William McLaughlin and John Daley, Jr. The matrons were: Mrs. L. Redding, Mrs. Edward Burns, Mrs. Jno. Tobin, Mrs. Peter Devlin, Mrs. Edward Quick, Mrs. Jas. McGroarty assisted by a bevy of young society buds. In all it was a very pleasant affair and too much praise cannot be given Miss May Kelley and Miss Sue McGroarty to whose artistic taste the success of the decorations can be attributed.

Michael Loughery, of Germantown, brother of Mrs. P. J. McDonnell, after an absence of many years, is visiting friends in Centre county.  
Howard Brady, of Portage, came down on Saturday to visit his dear little sisters, Margaret and Frances, and his grandama, uncles and aunts.  
John Stuckey, a right smart kid of Everett, is night operator in the signal block tower at this place; and do you know, he's just dead gone on our young girls. He has picked out seven, but he says he'll have to draw lots to decide which one he likes best.  
Our town, on Monday, was visited by a terrific hail storm. Hail stones as large as walnuts fell covering the ground to the depth of nearly an inch. Many panes of glass were broken, the other day.  
On last Friday evening, from 4.20 to 4.50 p. m. for the space of just 30 minutes, I was a multi-millionaire, anyhow I felt that way. Through the courtesy of the editor of the Centre Democrat, I was permitted to ride on his million-dollar automobile from Bellefonte to Unionville. We were accompanied by two of Bellefonte's representative young ladies, Miss Lela Smith and Miss Louisa Arms, expert sculptors in Italy. The measly thing had no wings but we flew all the same—any how we beat Billy Halligan's train by 10 minutes and 17 seconds.

As a sure sign that summer is here is the fact that Doc. Irvin resurrected one of his ancient straw bats, and was seen wearing it on the streets.  
Six of our jolly boys and girls went down to the beach to fish the other evening. They fished till nearly midnight resulting in a catch of one "cattie" 3 inches long and one eel thick as a lead pencil and twice as long. They drew lots for the game and one of the girls was the lucky one. Next morning, after she had prepared them for the frying pan, she left them on a plate on the back porch and were confiscated by two very bad little sparrows.

### A Cure for Sciatica.

"Some years ago, while stooping over, I was taken with sciatica in my left hip, from which I was laid up, helpless, for over six weeks," writes Mrs. Julius Stott, of 10225 Columbia Avenue, Cleveland, Ohio. "I could not lie on my left side, and my left leg was swollen and became so much shorter that I had to have five lifts put on my left shoe.  
"Every winter for a number of years I was laid up in this way and suffered excruciating pain. I tried everything and all consolation I got from people was that sciatica could not be cured.  
"After trying everything else, as a last resort I got a dollar bottle of Sloan's Liniment and was amazed when I found that it gave me relief. I used a second bottle and the swelling went out of my leg and it was only necessary for me to use a part of the third bottle.  
"Sloan's Liniment has certainly done wonders for me, and if you wish to refer to me you can do so."

### Will Move Monument.

In 1891 Peter Meitzler, the famous hotel man, of Lock Haven, had a life-sized statue made of himself, the work being done by expert sculptors in Italy. It was placed in Highland cemetery and thousands of people have gone there to view it. Mr. Meitzler has decided to move the celebrated statue to the Westington street cemetery. Williamsport, where he has three brothers buried. Those who have seen it state it is a perfect likeness of the man whose grave it will mark.
