Dressing

If you wish a high-class hair dressing, we are sure Ayer's Hair Vigor, new improved formula, will greatly please you. It keeps the hair soft and smooth, makes it look rich and luxuriant, prevents splitting at the ends. And it keeps the scalp free from dandruff.

At the same time the new Ayer's Hair Vigor is a strong hair tonic, promoting the growth of the hair, keeping all the tissues of the hair and scalp in a healthy condition. The hair stops falling, dandruff disappears. A splendid dressing. Made by the J. C. Ayer Co., Lowell, Mass.

SPECIAL SALE!

For the Children's Sake

Please get them Mapl-Flake. Because of the Maple flavor. Because it is so digestible. Get them the food that they like best, when it's the best food for them.

We cook our wheat in pure Maple syrup, just

for the children's sake. They like Maple sugar better than anything

else that is good for them. So we use it to please them. To induce them to prefer the best food they can eat.

It is rather expensive, but it is wise-for you, for them, for us. There is no food like wheat.

for variety. But the staple is always wheat. Whole wheat alone contains all the needed

Other cereals may be used, for a little time,

food elements in properly balanced form. So we use for Mapl-Flake the finest wheat in America.

But wheat must be cooked-cooked more than the usual-else it is half indigestible.

The atoms must be separated-by a fierce heat-so the digestive juices can get to them. Not half the wheat that people eat is subject to digestion.

The balance is wasted. It ferments and forms

gas. It leads to digestive disorders. That's why we spend full 96 hours in prepar-

mg Mapl-Flake. We steam-cook the wheat for six hours. Think

Then we cure it for days-a partial digestive

Then each separate berry is flaked so thin that the full heat of our ovens can attack every atom.

Then we bake those thin flakes in a heat of 400 degrees.

That's why Mapl-Flake is the best food produced.

It is because of our process. It is nothing but whole wheat, cooked with pure Maple syrup. But it is wheat made digestible. Wheat in a

form that is new to you. A food that's all food.

You will never again use other flaked foods-

even though they seem cheaper-after you try One 15c Package Free

We would far rather buy the first package ourselves than to have you go without knowing it. So, if you wish, please send us this coupon, and we will send you an order-good at your grocer's - for a 15c package free.

Please let Mapl-Flake-for your own saketell you how good it is. Then ask the children what food they'll have next.

Cut Out This Coupon

I have never used Mapl-Flake, but if you will send me an order on my grocer for a 15c package free, I shall be glad to try it.
