Both Sandy Ridge and Retort firebrick works are running to their fullest capacity with a demand for more laborers. We have been reliably informed that hay, best quality, is selling at five and six dollars per ton in the field in Cambria county, so great was the crop. Harry Washburn and A. W. Hoover, of Phillipsburg, were visitors in this part of the county, this week.

There will be a ball game on the grounds on Saturday afternoon. The base ball game at Martha, on Saturday afternoon, between the Julian and Martha clubs, was one of the best games played this season. Mr. Hutchings was the twirler for the Martha club and did good pitching, but was not effective as the Julian boys found him at pleasure. Ed Bullock was on the rubber for the Julian club and he delivered the goods good and proper from beginning to end, kept the Martha boys guessing all through the game. There were lots of rooters went up from here and kept the boys in best of humor. The score was 8 in favor of Julian. Mrs. J. H. Turner, Mrs. W. G. Tallheim and son and Elia Alexander, attended the Lutheran reunion at Lake-mount Park, Thursday. Robbers entered the store of J. H. Turner some time during Friday night, by breaking open a front window procured stamps and pennies amounting to several dollars. They also took clothing, shoes, hats, pants, jewelry, razors and knives amounting to over a hundred dollars. No clue, as yet, to the robbers. There will be preaching services in the M. E. church on Sunday morning, at 10.30, by the pastor, Rev. Bierly. Mr. Quick and family, of Milesburg, spent last Sunday with his sister, Mrs. John Copely.

The festival held at this place Saturday night was very largely attended; about \$67 was taken in during the evening for the benefit of the telephone company in our town. Mrs. Barshinger, of Bellefonte, was a guest at the U. B. parsonage last week. Two of Snow Shoe's young men having been to Milesburg over Saturday night, returned on Sunday evening, stopped at the U. B. church, and attended Y. P. C. E. U. not exactly for that alone, for the boys had something else in view, which they were trying to play, and did play, as they tried to chaperone two of our young ladies home, but not getting that accomplished asked two more and succeeded in escorting them to their home. Now Scott and Pinney, don't kill too many birds with one stone. Wm. Hoy, of Bellefonte, was a guest of C. B. Freil's, Sunday. REBERSBURG.

The champion ball game did not eventuate, Saturday, because of the attractions—picnic at Livonia and Madisonburg. The funeral of the late Reuben Smull was largely attended, and was held at the late residence instead of the church. The address was made by Rev. Haney from the text: "I know not the day of my death." Music was furnished appropriate to the occasion by the choir of the Evangelical association. Among the relatives at the funeral was Prof. T. J. Smull, of Mackeyville. The Lutherans are building a large shed on the rear of their lot, to shelter horses and carriages of attendants at their church. Among the first defenders who enlisted in 1861, and who gave his life, was Daniel Miller. There were many more who went to the front later and fell in the dreadful battles of the wilderness. Mr. and Mrs. Jared B. Kremer are entertaining as guests, their daughter and family; their son-in-law is a Presbyterian minister. Wm. J. Mallory, the Arizona silver and copper mine owner, left a few days ago for Pittsburgh and will return to Globe city to close out his holdings, with a view to return to Rebersburg for the balance of his days. Real estate is in demand in this vicinity. The lots of the late Peter Kessler brought an average of \$250 per acre. Farmer Miller has threshed out his crop already. The wheat yielded 30 bushels to the acre. Noah Brungart has supplied himself with a new threshing outfit for this season. The various disappearances of persons of whom no account is ever received recalls one here. Early in May 1858 Jacob Shultz, Sr., who was a veteran of the war of 1812, left his home at the mountain side and no trace of him was ever obtained by his relatives, though an extensive search was instituted. Many of the residents of this ancient burg are ex-farmers, who still own their farms, but prefer to live in town and take life easy. They keep up the habit of early rising, however. Mr. and Mrs. Cal. Weaver attended a funeral at Spring Mills on Sunday. Squire Carlin is a firm believer in Bryan's election this year. The Faxons are delighted with Brush valley, and are doing quite well at the hotel. There will be apples enough to supply the whole world. The telephone brings all adjacent burgs to our doors. The editor was lucky to escape that spook in Culvy's narrows. He is there sure enough, for he has been seen by the travelers at the Cherry Run bridge. The editor must have had his antidote against snakes and spooks with him. Wm. J. Bair recently laid new earthen pipes from the spring to the ancestral abode. Just ask him how they work. Joe Meyer, of Centre Mills, is quite patriarchal, and although well blessed with mills and lands and houses, he is never idle. Joe is said to be the wealthiest man in Brush valley. He won it all by his own shoulders.

The crowd consisted of Edward Ohi and wife, Roy Ohi, Pauline Raup, Bruce Harris, Vesta Eddy, Blaine Harris, Lottie Pifer, Glenn Nolan and Pearl Webner. All report having had a good time. L. C. Gladfelter is gaining in health slowly, since his returning from the hospital. Mack Holmes has returned from the woods with a cut foot. Kunes, of Blanchard, who suffered a slight stroke of paralysis in the right side recently is able to be moved to his chair at this time.

LIVONIA.

The picnic and festival given by the Reformed Sunday school, of Livonia, were held on Saturday, July 25th, in the pretty grove near the church. Everyone had looked forward to this outing for some weeks, and as they were not to do, the good people of Livonia spared no efforts in giving all the folks an enjoyable time. Not only was the eastern end of the valley well represented, but there was present also a large number of people from the Reformed Sunday schools of Tylersville and Greenburr. Interesting addresses were given by the Reformed and Lutheran pastors, Revs. Wetzel and Bixler. Although the heavy clouds in the morning prevented the band from coming, there was no lack of music; the Stover family, noted for their musical ability, especially Reuben Stover, a skillful violinist, gave a good and varied program. Indeed, the large crowd of people, the merry shouts of the children, the happy smiles which were indicative of the kindly feeling which prevailed everywhere, prove that the pleasurable event was a decided success. In the evening of July 24, wedding bells rang in our pretty valley, when Leslie Stover led Miss Martha Snook to Hyman's altar at the home of the bride's parents, Mr. and Mrs. Will Snook. The newly wedded couple received the very best wishes from their many friends, as they are very estimable young people. On Thursday of this week, Mrs. Thos. N. Stover, together with her daughter, Miss Nettie and son Howard, attended the funeral of Mrs. Stover's sister, Mrs. Bigamann, of Millinburg. Mrs. Bigamann, who was formerly Miss Grace Catherman, visited here frequently, and her friends are sorry to hear of her early death. The Misses Violet Wolfe and Mary Meyer, of Rebersburg, are visiting among the hospitable people of Livonia, where they formerly taught school. Miss Wolf was graduated from Bucknell this June, while Miss Meyer is still a student at the same university. Prof. Henry Kreider and family are spending part of their vacation at the old Kreider homestead. Mr. Henry Gilbert, of Aaronsburg, is visiting his relatives and friends at Livonia.

Blanche Daugherty has been spending some time at Spruce Run. Messrs. Culver and Williamson, of Moshannon, were seen in our midst Saturday evening.

COMMON SENSE

Leads most intelligent people to use only medicines of known composition. Therefore it is that Dr. Pierce's medicines, the makers of which print every ingredient entering into them upon the bottle wrappers and state its correctness under oath, are daily giving in favor. The composition of Dr. Pierce's medicines is open to everybody, Dr. Pierce being desirous of having the search light of investigation turned fully upon his formula, being confident that the better the composition of these medicines is known the more will their great curative value be recognized. Being wholly made of the active medicinal principles extracted from native forest roots, by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, triple-refined and chemically pure glycerine being used instead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely free from the objection of doing harm by creating an appetite for either alcoholic beverages or habit-forming drugs. Examine the formula on their bottle wrappers—the same as sworn to by Dr. Pierce, and you will find that his "Golden Medical Discovery," the great blood-purifier, stomach tonic and bowel regulator—the medicine which, while not recommended to cure consumption in its advanced stages (no medicine will do that) yet does cure all those catarrhal conditions of head and throat, weak stomach, torpid liver and bronchial troubles, weak lungs and hang-on-coughs, which, if neglected or badly treated lead up to and finally terminate in consumption. Take the "Golden Medical Discovery" in time and it is not likely to disappoint you if only you give it a thorough and fair trial. Don't expect miracles. It won't do supernatural things. You must exercise your patience and persevere in its use for a reasonable length of time to get its full benefits. The ingredients of which Dr. Pierce's medicines are composed have the unqualified endorsement of scores of medical leaders—better than any amount of lay, or non-professional, testimonials. They are not given away to be experimented with but are sold by all dealers in medicines at reasonable prices.
