

CENTRAL STATES GO REPUBLICAN

Illinois, Indiana and Ohio Carried by Taft.

OHIO GOVERNOR DEMOCRAT

Deneen in Illinois; Watson in Indiana. Harmon, Democrat, Elected in Ohio. Taft's State Votes For Him, and Indianapolis, Home of John W. Kern, Is Republican—Chicago Goes Republican—Crowds Cheer Republican Standard Bearer When Result Is Announced.

Chicago, Nov. 4.—Illinois has been carried by the Republican party by a plurality of 170,000, giving the state's twenty-seven electoral votes to Taft and Sherman. The state Republican ticket has also been successful, Governor Charles S. Deneen winning from former Vice President Adlai E. Stevenson by 100,000 plurality. Chicago has gone Republican by 50,000, against 126,000 for Roosevelt in 1904.

The next legislature will be Republican by a majority on joint ballot of 38, a loss of 24. This means the re-election to the United States senate of Albert J. Hopkins.

There will be a decided change in the congressional representation of Illinois. The present delegation from the state includes twenty-four Republicans and one Democrat. The figures in the Sixty-first congress will be seventeen Republicans and eight Democrats, six of the latter being from Chicago. Speaker Cannon has been re-elected in the Eighteenth district.

Indiana Goes Republican.

Indianapolis, Ind., Nov. 4.—The endeavors of the Democrats to place Indiana in the ranks of their party, causing the state to be considered doubtful some time before the election, have not been successful. The Hoosier vote has been given to Taft and Sherman by a majority of 15,000, reducing the Republican majority of four years ago by two-thirds. The figures are: Taft, 235,000; Bryan, 320,000.

Congressman James E. Watson has been elected to succeed J. Frank Hanly as governor, leading Thomas F. Marshall, his Democratic opponent, by 15,000 votes. The state congressional representation, eleven Republicans and two Democrats, will remain unchanged, but the legislature is Republican by a slightly reduced majority. The term of Senator Hemenway, Republican, will expire in March.

This city disappointed the hopes of John W. Kern, Democratic candidate for the vice presidency, who resides here, by going Republican. Mr. Kern would not discuss the result of the election, saying that he would issue a formal statement later.

Taft Wins in His Home State.

Columbus, O., Nov. 4.—Secretary Taft's home state has given him a majority of 50,000, 200,000 below the majority of Mr. Roosevelt four years ago. The strong Democratic fight did not avail to carry the state for Mr. Bryan, but Judson Harmon, Democratic candidate for governor, is elected by about 15,000.

Large Democratic gains are reported from most of the large cities and towns. The rural districts generally, however, have remained Republican. The fight made by Governor Andrew L. Harris, candidate for re-election, for local option was an important factor in the result, as was foreshadowed in the county elections. The governor's activity lost him votes among the so-called "liberal" element, the loss showing in the returns from Cincinnati, Cleveland, Toledo and other cities.

Cincinnati Crowd Cheers Taft.

Cincinnati, Nov. 4.—The Republican ticket had a close call in Mr. Taft's home city, the party's majority of 40,193 in 1904 being reduced this year to 5000. Two years ago it was 7119. Mr. Taft received the returns at the home of his brother, Charles P. Taft. When his success at the polls was announced the house was surrounded by a cheering crowd calling for a speech from "the next president." Mr. Taft announced that he would make a formal statement in the near future.

Delaware Goes Republican.

Wilmington, Del., Nov. 4.—Taft's indicated plurality in Delaware is 3090, and the Republican state ticket, headed by Simeon S. Pennell for governor, and William H. Heald for congress, is elected by about the same plurality, with the exception of Davis, the Republican candidate for attorney general, who is probably defeated by Andrew C. Gray, Democrat. The successful candidate is a son of Judge George Gray, and the popularity of his father counted strongly for him in all three of the counties.

Close Vote in Colorado.

Denver, Colo., Nov. 4.—Colorado, which gave Mr. Roosevelt a majority of 34,582 in 1904, has again gone Republican, but by less than 8000. Jesse F. McDonald has been elected governor, and three Republican representatives have been chosen.

Montana Goes For Taft.

Helena, Mont., Nov. 4.—The three electoral votes of this state will be cast for Taft. Edward Donlan, Republican has been elected governor.

NEW YORK FOR TAFT AND HUGHES

Republican National and State Tickets Win.

TAFT CARRIES BIG CITY

Metropolis Gives Its Vote to Republican Presidential Candidate By Small Majority—Buffalo Goes Democratic, But Other Cities Are Republican. Next Legislature Will Be Republican.

New York, Nov. 4.—As the result of Tuesday's election New York state's thirty-nine electoral votes will be cast for William H. Taft and James S. Sherman. Both the Republican national and state tickets are victorious, Charles E. Hughes being re-elected governor.

Greater New York has gone Republican. The counties above the city have given to the Republican national and state tickets very large majorities. The figures are as follows:

In the entire state, Taft, 830,000; Bryan, 640,000; Hughes, 815,250; Chandler, 804,750. In New York city, Taft, 380,000; Bryan, 370,000; Hughes, 230,000; Chandler, 300,000.

Reports from all parts of the state indicate that the vote was heavy, the efforts of both gubernatorial candidates to bring out the ballots being rewarded with success. Both the old parties polled full votes, their strength not being seriously affected by the Independence, Socialist and other minor parties. Shearn, Independence party candidate for governor, ran ahead of Wanhope, the Socialist nominee.

The state's congressional representation will be divided, as at present, among the two parties, with one change, Hillquit, Socialist, being elected in the Ninth district in place of Riordan, Democrat. The next legislature will be Republican in both branches, insuring a Republican successor for Senator Thomas C. Platt, who will leave the senate in March.

New York and Buffalo are the only two large cities of the state that have gone Democratic.

PENNSYLVANIA REPUBLICAN

Party's Vote Cut Down in Nearly Every County.

Philadelphia, Nov. 4.—Pennsylvania has gone Republican by a majority of 200,000, the figures being as follows: Taft, 550,000; Bryan, 250,000. In 1904 Roosevelt carried the state by 505,519, and two years ago Stuart, Republican, was elected governor by 48,425.

The returns received show a considerable falling off in every county with the exception of two. A heavy vote was polled throughout the state, due principally to the many warm contests in the legislative districts. The Republicans hold their own in the congressional districts, if they do not increase their representation. There is practically no change in the Republican representation in the legislature.

In Philadelphia the national ticket carried the city by about 125,000 plurality. The entire Republican ticket is elected by a large plurality, including Joseph Gilliland for sheriff, who was opposed by D. C. Gibbons, the nominee of the Independent Republicans. The election in Pennsylvania turned almost entirely on national issues, the highest state officer voted for being a judge of the superior court. For that office William D. Porter, Republican, has been elected by a majority of 15,000 over Webster Grim, Democrat.

MARYLAND REPUBLICAN

Baltimore Gives Taft a Majority of 2000.

Baltimore, Nov. 4.—William H. Taft has carried Maryland by from 8000 to 10,000. Baltimore gives a Republican plurality of about 2000.

Four years ago one Roosevelt elector was successful by a plurality of about 500, while seven Parker electors were chosen by an average plurality of half that figure.

Returns so far indicate that W. H. Jackson, Republican, in the First district, and George A. Pearce (Rep.) in the Sixth, have been re-elected. Three other Republican congressmen have been elected.

Baltimore gives Taft about 2500 plurality.

Taft and Johnson in Minnesota.

Minneapolis, Minn., Nov. 4.—Governor John A. Johnson's efforts in behalf of the Democratic national ticket have not succeeded in giving the electoral vote of the state to Mr. Bryan, but have availed in re-electing him by a small majority. Of the state's 275,000 votes Mr. Taft polled 172,500, his majority being 80,000 below Mr. Roosevelt's majority of 161,464 in 1904. Governor Johnson's majority of 76,633 two years ago was reduced to 30,000 this year.

G. O. P. Carries Wisconsin.

Milwaukee, Wis., Nov. 4.—Mr. Taft's majority in this state is 50,000, being 105,000 less than the majority rolled up by Mr. Roosevelt four years ago. Governor James O. Davidson has been re-elected, and the state's congressional delegation, nine Republicans and two Democrats will remain the same in the next congress. The legislature will be Republican, and Senator Stephenson will be re-elected.

D. F. Fortney in Demand.

The school directors of Clearfield county met in convention at the court house at that place on Thursday. The meeting was called to order by County Superintendent Tobias. Among the prominent speakers was D. F. Fortney, of Bellefonte, who made two addresses, one in the afternoon and one in the evening. Mr. Fortney, as usual, made a deep and lasting impression upon his hearers. He is one of the ablest instructors of the kind in the State and is always in trim to either address students, teachers or school directors, and what he says always counts.

On Friday evening Mr. Fortney spoke at a large local option meeting held in the Second Presbyterian church of Altoona. He dwelt upon the great issue at hand as one against which prejudice and party politics are brought to bear with great power. All know how hard it is to break party ties. But why should any candidate refuse to come out and say that he is in favor of the rights of voters to an expression of their opinion at the polls? Party prejudice and fears overcome them. But there are times when all such prejudices and party ties must be cast aside for the support of some vital question at issue. He overthrew of slavery by a terrible cost to this country was cited as one such issue. Remember the saloon can no more continue to exist without boys as victims to it than a saw mill can run without water. Fathers, think of it, some of the boys needed for the saloons may be your sons. And think of the expense. Last year the nation expended about two billion dollars for maintaining the government and making various public improvements. This gave employment to many thousands and was along the lines of progress and advancement. There was also expended about two billion dollars for intoxicating liquors. And think of the results—the degradation, the poverty, the distress, the misery, the wrecked homes and suffering children. But these things cannot always continue. The Lord in past ages destroyed great evils and this is doomed to fall also. In conclusion the speaker urged the people of Altoona to do their part to hasten the overthrow of this evil.

Church Benefit.

For the purpose of helping defray the expenses of repairs at the St. John's Episcopal church the ladies are arranging for an entertainment in the Garman opera house. The entertainment will be given on or about November 17 and will be unique in every respect, and will be given in connection with the customary moving pictures. Other features will be in the nature of special vaudeville acts, consisting of the German band, Brownie dance, male quartets, etc. The very best home talent has been secured to make it a big success. The entertainment will occupy the evening hours and the price of admission will be twenty-five cents.

THE SOUTH IS STILL SOLID

Usual Democratic Majorities Returned in Dixie.

St. Louis, Nov. 4.—Missouri has reversed the Republican victory of 1904 and is again in the Democratic ranks by a majority of 35,000. St. Louis went Republican by a small majority, William S. Cowherd has been elected governor.

Texas.

Austin, Tex., Nov. 4.—William H. Taft did not make as good a showing in this state as President Roosevelt, who polled 51,242 votes in 1904. The vote this year is approximately as follows: Bryan, 220,000; Taft, 20,000. Thomas M. Campbell, Democrat, has been re-elected governor.

Georgia.

Atlanta, Ga., Nov. 4.—Georgia's thirteen electoral votes will be cast for William J. Bryan, and the state's representation will continue solidly Democratic. The state election was held in September. The Taft vote in this state fell 10,000 below that of Mr. Roosevelt, which was 24,003.

A United Party.

For the third time, William Jennings Bryan has been defeated by the people for President of the United States, something that has never happened to any other man since the foundation of the government. But he can console himself with the thought that he is not the first statesman of commanding ability, surpassing eloquence and seemingly boundless personal popularity who has striven unsuccessfully to reach the Presidency, other conspicuous examples being Clay, Douglas and Blaine.

But it is quite evident that Mr. Bryan's last campaign has not been in vain. No one ever questioned his sincerity, the elevation of his character or his patriotism, and when the heat of the campaign has passed, all men will admit that since his second defeat in 1900 Mr. Bryan has grown immeasurably in all the attributes of statesmanship and he has accomplished the apparently impossible task of uniting the Democratic party.—Record.

Mother Saves Children.

Monday night the home of George Hendricks, located two miles above Blanchard, along Marsh Creek, was totally destroyed by fire about 8:30 o'clock. Mrs. Hendricks, accompanied by her family of six children, ascended the stairs to their respective bedrooms. She carried in her hands a lighted glass coal oil lamp which she placed on a bureau in her room. Mrs. Hendricks began drooping, when she was startled by an explosion and soon the room was filled with the blazing oil which was scattered about the room in all directions. The first thought of the mother naturally was for the safety of her flock. Rushing through the flames which encompassed her she hastened to the rooms of her offspring and safely guided them down the stairway, which was filled with blinding smoke, and into the open air. During this time of excitement and peril Mr. Hendricks was on his way home from Blanchard. No attempt was made to save anything from the upper floors, and, in consequence, all the wearing apparel except that worn by the individual members of the family was consumed. The loss is several thousand dollars, on which there is an insurance of \$600 on the house and \$200 on the contents.

JAMES KERR DEAD.

James Kerr, democratic national committeeman from Pennsylvania, died at 12:40 o'clock Saturday morning at his summer home in New Rochelle, following an operation for an intestinal disorder which had made him practically an invalid for a year. His wife and sons were with him at the end. William J. Bryan visited Mr. Kerr last Monday and the latter was elated over the visit of the democratic candidate, but almost immediately afterwards suffered a nervous collapse which greatly aggravated his already weakened condition.

Mr. Kerr was born in Huntingdon county, Pa., in 1851. He received his education in the Pennsylvania schools and removed to Clearfield, Pa., when a young man. He took an active part in the politics on the side of the democratic party, with which he has always been identified and was elected for congress in 1888. Mr. Kerr was democratic chairman during the Pattison-Delamater gubernatorial campaign in Pennsylvania one of the rare occasions when the state went democratic. It was at this time that he was made a member of the national committee. In 1902 he received the votes of the Philadelphia delegation and other scattering votes for the democratic gubernatorial nomination in Pennsylvania, although not a candidate. Mr. Kerr had been identified with the timber and coal interests of Pennsylvania and was president and a director of a number of coal mining companies. He is survived by a wife and five sons. The funeral took place at Clearfield.

Wherever and whenever you are building in Centre County we urge that you send us your lumber list for our estimate.

If you build without consulting us, you are neglecting one of the vital things that make for economical cost of your job. In all probability you will get poorer stuff that we could supply for the same money. And the chances are that your total bill will be one-fifth or more over what it should.

All this because buying in several different places is a system that is not as good as this buying all at one place. It wastes and leaks.

But—under no circumstances, build without getting our estimate on what you will have to buy.
