SPRING MILLS.

Another volume of life is closed never again to be suspended, another white and spotless year is before us. Let us each strive to so live and order our ways that when the record is ended, it may not be marred by so many mistakes and thoughtless acts as the one just past. Let us be guided by love to God and man, with pure hearts to scatter blessings along life's highway. Let us comfort the sad and the needy, cheer the gloomy and not only live for those that love you, for those whose hearts are true, but for "the Heaven that shines above us and the good that we do.

The Christmas service entitled "The Angel Chorus," rendered in the St. Marks Lutheran church, on Christmas eve, was a decided success. The church was crowded to its utmost capacity. The participants all performed their parts creditably and admirably. A number that won very favorable com-ment was a "Cantatta," entitled "In search of the King." This was exceptionally well rendered. A beautiful soprano solo, entitled "Christmas Bells are Ringing," sung by Miss Orpha Gramley, deserves special mention as it was well executed. The music was under the direction of W. E. Ream and was extraordinarily fine. The ladies deserve special credit in the way of beautiful decorations and in training the children.
