Capt. S. H. Bennison suffered a re-lapse from his old malady last Thurs-day, and is yet confined to his room and

Mud prevailed and rumors of April flittings float through the air. In last week's letter the names of some of the parties who attended the social

functions here were somewhat mixed. It is one of the advantages of the newspaper writer who is detached from headquarters, to be able to charge the responsibility and all blunders upon "the orinter," no matter who is guilty; but 'Uncle Sam," as represented by the train mail agent, is even a more impersonal personality (sic)than "the printer," and as the matter passed through the mails we will try shirking the responsi-bility upon him with apologies to the mixed, and see how it will work.

F. C. Hart and wife, of Blum Brothers, Philadelphia, were guests, last week, of Mrs. Hart's uncle, Rev. W? W. Rhoads, Mrs. Hiram Lucas, with her daughter, Mrs. W. I. Harvey, and Mrs. Schenck. and granddaughter Rebecca, who have been much in Lock Haven since the death of Mr. Harvey, have returned to the old Lucas home, and will be perma-

nent residents in Howard. It is pleasant to know that A. A. Pletcher is returning toward health, though less rapidly than could be wished. Emma M. Willard, of Bellefonte, a graduate nurse of Meadville hospital, is Haven

is careful and competent nurse.

The Howard High School Literary Society held its regular meeting on Friday, and the exercises were given a strong trend in the direction of a Lincoln celebration, Short sayings of Lincoln were quoted, his favorite hymn was sung, his Gettysburg speech read and recitations in commemoration of him and his greatness were had. A debate followed upon the resolution, that Lincoln is deserving of greater honor than Washington, the judges reporting in favor of the affirmative. Rev. Rolin S. Taylor and Prof. Weirick delivered a short address, followed by the reading of Washington's Farewell address, and the singing of the Star Spangled Banner. The occasion has been spoken of as pleasant and profitable, Emma Pletcher is a Williamsport

bed, though he is mending and hopes to be about again in a few days. Arthur Wetzel and Gilbert Neff are making very creditable progress in the art of pyrography without teachers, and without other tools than the end of an ordinary poker heated in the stoves in their mothers' kitchens. On Friday Arthur displayed his patriotism as well as his skill by producing an easily recog-nized picture of Lincoln, copied from a portrait in one of the newspapers, and Gilbert, who has all of a boy's fondness for a horse, produced an equally excellent representation of his favorite.

At last week's meeting of the Ladies' Aid Society of the Evangelical church, the pastor, Rev. W. W. Rhoads, was presented with a handsome quilt of their own making.

The meeting of the directors and stockholders of the Howard Canning company on Saturday, was an interesting and beneficial one, and another will be held at 1 30 in the afternoon of Saturday the 27th at which all stockholders will be on hand. These meetings are in the interest of bettering the company's business, and much of next year's success may depend upon them. Every stockholder should attend.

Josephine Henderson returned last Saturday from a week's visiting in Lock

The first public sale of the season, disposing of the household goods, furni-ture and implements at the old D. P. Pletcher homestead, in the township, on Saturday last, was well attended, and good prices were obtained.

A. A. Schenck, our hardware dealer and tinsmith, spent last week in Philadelphia in attendance upon the convention of hardware men held there, and reports it to have been an occasion of social pleasure and business profit.
Deputy Factory Inspector E. P. Gam-

ble, of Altoona, who is detailed to look after fire protection and fire escapes, was in town last week, and this reminds us that our school board has not yet had the proposed and very necessary change in the main doors to the school building made as yet. It is to be hoped, of course, that our school building may never burn, but it is entirely possible to have a dreadful disaster in any building where people assemble in numbers and where the outside doors open inward, without the actual occurrence of fire. A mere alarm of fire, or of any other imminent danger, such as the cracking of a beam, or the sound of a gun fired in who is badly crippled with rheumatism, sustained a heavy fall one day last week, and is still suffering from the drive them in a rush down stairways against doors which are sealed against P. G. Rayner, representing the Phila-delphia Record, was in town last Monoutward. The committee in charge of Mrs. Michael Confer, who is well to be complimented upon the careful to be complimented upon the careful against such disasters by provision made against such disasters by

having all the doors swing outward. It comes in the line of strictly good news for everyone, and particularly for the men who have for so many !months had no employment, that the works of the Howard Iron and Tool company started up last Monday with good prospects of running for an indefinite time. Two of our young men, Balser Weber and Harry Jenkins, the latter of whom less steel rakes and hoes, brake rod jam chains, bar iron, raking dogs, and all sorts of special forgings. The immediate inducement to do this was an accumulation of orders for these products sufficiently large to keep them running still coming in.

WOODWARD.

Old Pappy Feese, from Hiad Corner, took a trip to Coburn on Monday dined here with her relatives, Mr. and Mr. Feese is some 80 years of age and undertook to walk a distance of about 9 Wednesday evening last the home of miles. He can walk as fast and as
