

BELLEFONTE AND VICINITY

THE LOCAL HAPPENINGS IN SHORT PARAGRAPHS

Mr. James K. Barnhart and child, ren are visiting friends in Pottsville. Thursday morning Helen Kremer left Bellefonte for Moshannon to spend a week with friends. Mrs. G. W. Shoch, of Millburg, has been a pleasant visitor at the Aikens home on Allegheny street. The Centre Democrat has 2500 more subscribers than any other paper published in Centre county. Dr. Seibert and his new automobile have not fallen out lately. In fact, he likes the machine better than ever. Miss Minnie Bachman of Bellefonte, left on Wednesday for Millburg where she will spend a week visiting relatives. Mrs. J. Thomas Mitchell, who had been making an extended visit among friends in Indianapolis, has returned home. Mrs. Merrill Barber, of Millburg, spent a few days in Bellefonte as a guest of F. Potts Green, on Linn street. Isaac Longacre, who has been visiting his family in Bellefonte for a week, left Saturday morning for Milton where he is employed in a nail mill. Miss Grace Cook, daughter of Mr. and Mrs. Claude Cook, who had been going to school near Philadelphia, is at home to spend her vacation. Joseph Wise, who for a number of years had been the machinist at the Bellefonte furnace, left Saturday for York where he has secured a position. Miss G. Vallimont, of Pine Glen, accompanied by her friend Mrs. M. Kremer, of Bellefonte, favored the Democrat sanctum with a call on Thursday. Geo. W. Fisher, of Moshannon was a pleasant caller. He stands 6 feet 2 1/2 inches, and would not need as long a pole to knock the persimmons as well little fellows. H. C. Warfel, of Philipsburg, who was recently appointed Notary Public by Governor Stuart, was in Bellefonte Saturday morning and was sworn into office. The venerable Mr. Sands, now in his 86th year, comes up town once in awhile; he was up Monday evening and seemed able for the half-mile walk, although of frail health. Mrs. James Coburn and Mrs. Rodgers, of Bellefonte, are improving their residence, on Allegheny street, by taking away the fence and doing some sodding. The change greatly improves the surroundings. Aaronsburg is the only point in the county that has made application for a farmers' institute this coming winter. We are entitled to three in the county and no doubt committees will be after an appointment. Mrs. Hoffer, of Philipsburg, daughter of C. T. Gerbrich, of Bellefonte, and Mrs. John Hoffer, also of Bellefonte, are spending a week or more at Atlantic City. The latter went there for the benefit of her health. The John Robinson's shows were at Tyrone and Philipsburg recently, and papers in both towns speak very favorably of the exhibits. It is about twice as large as the Cole Bros' show that was in Bellefonte a short time ago. Rev. T. Levan Bieckle, a former pastor of the Reformed church of Bellefonte, has resigned his pastorate of the West Philadelphia Reformed church for the purpose of an extended trip through Europe and a possible prolonged sojourn in Rome. No wonder G. B. Thompson, of near State College, has been "feeling his oats" for the last few days. It is all on account of his wife presenting him with another baby boy. The little fellow was born in the Bellefonte hospital on Wednesday. Edward W. Bush, a civil engineer of Hartford, Conn., who had charge of the Hartford Boulevard Improvement, and who graduated at State in '02 and has not been there since, spent Thursday with his cousin, George Bush, on his way to the College commencement. The Bellefonte Electric Company should be able to develop a large business in this community by demonstrating the great variety of uses that can be made of electric power for manufacturing and domestic purposes. A constant service, at a reasonable price, certainly should prove profitable to the company. At the annual meeting of the Pennsylvania retail jewelers' association in Harrisburg recently, Ira D. Garman, of Philadelphia, an old Bellefonter, was re-elected president of the association for the ensuing year and also one of the delegates to the convention of the national association which will be held in Omaha in July. This week Walter Clasper, of Pittsburg, arrived in Bellefonte for the purpose of starting the ice machine manufactured by the Larsen-Baker Ice Machine Co., of Omaha, Neb., which was recently purchased by William Doll, Billy Doll and Harry Miller put the machine together but it was like putting the cart in front of the horse, so when Mr. Clasper came he had to do some changing in the pipes. After this was done it was discovered the gasoline engine was entirely too small which compelled Mr. Doll to order a new one before any ice could be made. The engine may be along here any time now, when the plant will be put in operation. One of the finest appearing places in Bellefonte is the Pruner Orphanage of which the citizens of this place should feel proud. The other evening the Associate Editor of the Democrat was shown through the comfortable and cozy home. Everything is in tip-top shape, and we want to say here that as a matron of such a home Mrs. Harry Cleveland is the right woman in the right place, and instead of one child in the home there should be a dozen. It being a public institution it would be well for some of our good women in Bellefonte to go there and see what excellent work is being done. The little girl, who is the only inmate is receiving the same attention as if it were Mr. and Mrs. Cleveland's own child. In school Mrs. Cleveland's very high grades, and she is getting the training that in after life will be very beneficial to her. Such work as this should command the attention of all good thinking people, remembering that work like this is a more practical and lasting monument than a shaft erected over graves in the Union cemetery.

Jack Cardiff vs Tommy Crawford at the armory on next Monday evening. Everybody reads the CENTRE DEMOCRAT—though all do not subscribe for it. S. R. Pringel, the well known Port Matilda merchant, was a Bellefonter visitor on Monday. Miss Esther McElhattan left on Wednesday for Centre Hall where she will remain until Saturday. Miss Olie Robb, of Bellefonte, left Thursday for Altoona where she spent several days with relatives and friends. Harry Fitzgerald, of Columbus, Ohio, stopped off in Bellefonte for a brief visit with his parents while on his way to New York City. The street carnival managed to keep the public think a little. Some of us did not know whether we were "coming or going"—an item of expense in any event. George T. Brew, of Reconceverte, Md., is visiting Mr. and Mrs. Harry E. Fenlon at the Bush House. Mrs. Brew and little daughter have been here for some time. Miss Ann Keichline, who has been attending school at Cornell University, is home to spend her vacation with her parents Mr. and Mrs. John Keichline on Bishop street. Mannie Green, chief cook at the Bush House, is walking around with his hand in a sling. He was skating at the rink the other night when he fell and broke his wrist. On Saturday the 26th, there will be an ice cream festival on the lawn surrounding the United Brethren chapel at Valley View. This is for a good and worthy cause, and should be liberally patronized. Mr. and Mrs. Frank McCumpsey, of Renovo, have been guests at the residence of Mr. and Mrs. W. I. Fleming, on Penn street. Years ago they resided in Bellefonte when Mr. McCumpsey worked at the plastering business. Recent callers in our sanctum: S. Lora, State College; W. R. Young, Gregg; Mrs. William Corman, of Zion; W. H. Lingle and little daughter, of Centre Hall; S. E. Goble, of Gregg. Mrs. Ella Smith, of Altoona, who had been visiting in Bellefonte for the last three weeks as the guest of friends, left Monday accompanied by her father, Joel Johnston. In a week they will leave Altoona for a visit among friends in Illinois, Iowa and Colorado where they will spend the summer. Monday evening "Kid" Pillington, the Bellefonte pugilist and glove fighter, will meet Joe Getz at Johnstown, who is the 124-pound champion of Western Pennsylvania. Up to this time the "Kid" has been successful in knocking out some good men, but if he wins on Monday evening he will do it by adroit and skillful work. The other day we had a pleasant call from Calvin Huss, the musician, who makes a profession of traveling with up-to-date minstrels. He wanted to correct the rumor, that had gone forth in Centre county, that he was traveling with a moving picture show. He had been doing some special work in a vaudeville show but there were no moving pictures connected with it. Each Saturday evening there is something doing at the Electric Theatre. The orchestra plays and several films of pictures are shown. Everybody who visits there comes out with a degree of satisfaction at what they saw. On last Saturday the attendance was large and the patrons were given a real musical treat. It will be repeated again the coming Saturday evening. The scenic always throws on the canvass the highest type of films both of American and French make. They give good, clean, satisfactory service and are always admired by the throng that is found there every evening during the week. Mr. Brown, the manager, has been demonstrating to the people of Bellefonte that every refinement can be found in a moving picture show, which is a safeguard against anything objectionable. Will G. Laye will sing. James H. Rine, Financial Secretary of the Local Union Co., No. 1190, of United Brotherhood of Carpenters and Joiners of America, paid over to Mrs. Sarah Corl, of Pleasant Gap, the sum of \$200, it being the life benefit on the death of her late husband, William Wilson Corl. This is a good organization and is very strong all over the country, and every carpenter and mill worker should belong to the Bellefonte Local Union, as it is composed of some of the very best workmen in Bellefonte and vicinity. This week Walter Clasper, of Pittsburg, arrived in Bellefonte for the purpose of starting the ice machine manufactured by the Larsen-Baker Ice Machine Co., of Omaha, Neb., which was recently purchased by William Doll, Billy Doll and Harry Miller put the machine together but it was like putting the cart in front of the horse, so when Mr. Clasper came he had to do some changing in the pipes. Postmaster Yarnell, of Snow Shoe, was a business visitor in Bellefonte on Monday. Joseph Lose, of Altoona, was an over Sunday visitor at his home in Bellefonte. Dr. David Dale is becoming an expert pedestrian since he twisted the axle on his automobile. Miss Madeline Rowe returned Wednesday from Cresson, where she had been attending school. Will G. Laye, the well known singer at the Scenic, spent Sunday with his parents at Lock Haven. John Munson, who is now located in Baltimore, Md., was an over Sunday visitor at his parents home. Wilbur F. Harris and little daughter of Harrisburg, have been visiting at the Harris home on east Howard street. Walter S. Meserve, of Batavia, N. Y., is a guest in Bellefonte at the home of his brother, C. M. Meserve, on Bishop street. Mrs. Andrew Reeser and two children, of Elkland, Tioga county, are visiting friends and relatives in Bellefonte. Mrs. Louisa Bush is having her front steps made of concrete so that it will present a nice appearance when finished. George W. Rumberger, of Unionville, looking as genial and happy as of yore, spent Tuesday transacting business in Bellefonte. Mr. and Mrs. Joseph Stimmer, of Port Royal, spent Tuesday night in Bellefonte as the guests at the Barnes home on Bishop street. On Tuesday a car on the local freight jumped the track near Paddy Mountain. Nobody was injured but it necessitated the transferring of passengers, as it blocked traffic for several hours. There is no special news with reference to the blowing in of the two furnaces. While the pigiron market is stronger, iron has not reached the price that it can be manufactured in Bellefonte at a profit. W. L. Daggert, of the Bush House, is still continuing to make improvements. The latest is in the ladies' entrance which has been nicely finished with burp which has been painted buff, making the surroundings light and cheerful. A meeting of the Pennsylvania Bar Association will meet at Bedford Springs on July 1. Those of the Centre County Bar who belong to this association are Gen. James A. Beaver, John Blanchard, Harry Keller, Judge Ellis L. Orvis and W. Harrison Walker. On Thursday morning T. C. Heims, of Osceola Mills, came to Bellefonte and unloaded a fine forty-horse power Packard touring car. He had no trouble in setting it in motion, and the first trip was to State College where his daughter is going to school. Strawberries, such as Wm. Shaffer, of Zion, brings to town, would make the mouths of queens water. Shaffer is ever ahead on fine strawberries, such as are a delight and tempt the appetite—we know it from the box of luscious ones he left for the Editor. C. M. Parrish, Bellefonte's popular druggist, was out in the garden the other day hoeing corn, potatoes and cabbage; Jim Shorter was standing near by with a bucket in his hand, which probably contained water to be thrown on the hoe when it became too hot. Capt. and Mrs. W. H. Fry, of Pine Grove Mills, were passengers east on Monday evening to be present at the graduation exercises at the University of Pennsylvania. The Captain will spend several days in New York on business pertaining to his profession. Miss Lillian Walker, daughter of Mr. and Mrs. Miles Walker, who had a position in a millinery store at Leighton, Pa., is now at home. The last week she spent with her uncle, John Powers, of Lebanon, who had a house party at Mt. Gettina. She had a most enjoyable time. The Philipsburg Journal says that the proposition to remodel the court house at Bellefonte, at a cost of \$60,000, without additional taxation, ought to meet with very general approval. Centre county is worthy of a better structure than the one at Bellefonte, long designated as a court house. Mr. and Mrs. A. A. Hoffman, now of Lockport, N. Y., arrived in Bellefonte on Saturday afternoon and will remain here about a week. They left Bellefonte last September for their present home, where they have been living a quiet life and Mrs. Hoffman's health, we are pleased to note, has much improved. On Monday a number of flags were displayed about our town. This set many to inquiring as to the nature of the celebration, and some had difficulty in learning the purpose. It is evident that "Flag Day" has made little impression on the average citizen, as being a national holiday. The trouble is, we are having too many holidays—they lose their significance. On Wednesday M. I. Gardner and family and Mr. and Mrs. N. B. Spangler returned safely from an overland trip to Hanover and Gettysburg in their automobiles. They were very much delighted with the trip, and "Mitchell" says the report of his automobile troubles were greatly magnified. "N. B." says his little Stanley is a dandy as it gave him practically no trouble. Neither of the cars had a puncture on the entire trip which means a clearer record for the gentlemen in the hereafter. Colonel Bardine Butler, one of Howard's prominent citizens and professional men, dropped in to see us on Tuesday. We call him "Colonel" because he has been in some fierce struggles and won more battles than many Major Generals did during the war. The Col. informs us that he recently filed the original deed for that famous tract in Howard over which there has been considerable trouble. Burd knows he owns it and says that some of Bellefonte's attorneys will have to step lively to dispossess him. It was interesting to hear the comment on our streets the past week over the announcement that Charles E. Dorworth had purchased the Bellefonte Republican, and would become its editor after July 1st. It confirmed, even in more emphatic language, comment made recently by us along the same line. Water, by a law of gravity, finds its own level—likewise it does not require an age for a community to size up an individual. There is what some term "the law of equation" by which individuals do not have to wait for eternity to have their just deeds meted out to them. They invariably get it, in due time, here below.

John Saylor left on Wednesday afternoon for DuBois where he will remain indefinitely. Rev. J. Allison Platts, pastor of the Presbyterian church, attended the Huntingdon Presbytery in Petersburg this week. Mr. and Mrs. Boyd A. Musser, of Scranton, have been taking in the State College Commencement this week. On Wednesday evening they visited friends in Bellefonte. Miss Katherine Burnett, daughter of Mrs. Mose Burnett, who had been attending an art school in Philadelphia, is now enjoying the comforts of home at the Curtin residence on High street. Not all the pretty girls in Bellefonte this week could be credited to the town, because so many of them were en-route for State College to attend commencement exercises. They came from far and near. This morning a large delegation from the Centre Lodge J. O. O. F. left Bellefonte over the Central Railroad of Pennsylvania for Sunbury, where they will participate in the dedication of the Odd Fellows Home. The public should take notice that from now on the principle stores in Bellefonte will close promptly at 6 o'clock in the evening, with the exceptions of Wednesday and Saturday evenings when they will remain open until the usual time for closing. If you go into the Bellefonte Y. M. C. A. you will find Dr. Weston has been a very busy man. The interior of the building has been greatly improved with bright, cheery paper and paint. The people of Bellefonte are cordially invited to call and note these improvements. Conductor and Mrs. Harry Cook left Wednesday morning, of last week, on an extended two-months' tour to the Pacific coast where they will take in all places of interest prior to their return home. Mr. Cook has been granted a two-months' leave of absence from his run on the L. & T. branch. It is thought that by the 10th of July everything will be in shape to commence work on the remodeling of the court house. After the first pick is struck it will be rushed to completion as rapidly as possible. The county commissioners have decided that there shall be no dallying or delay in its construction. Bellefonte is full of agents this week who want to re-build the building of the municipal electrical plant. The great trouble with these agents was that they must have thought the Bellefonte Councilmen were easy, when they made their first bids. When bids vary from \$35,000 to \$46,000 there must be something radically wrong, or, using the old familiar expression, "There must have been a nigger in the woodpile." On Wednesday E. R. Chambers, Esq., was taken to the Bellefonte hospital where he will hereafter receive care and attention. His improvement is slight, if any. Mrs. Chambers, who has been almost a constant attendant at the bedside of her husband, ever since his illness, is now laid up with nervous prostration at the family home on Linn street. It is to be hoped that both Mr. and Mrs. Chambers will regain their good health. Superintendent W. A. Moore came up from Philadelphia on Tuesday morning with a new Ford, 1909 model. He was accompanied by Mrs. Moore and they left Philadelphia Sunday morning same time the cars of the Quaker City Automobile Club started on their endurance run for Pittsburg. His little Ford kept the pace right along and on some of the hard climbs passed them. Rains and heavy roads made it a tough trip, but his little car was more than equal for the test. His other car will be used by Messrs. Waddle and Shearer going to and from the furnace, and has lots of vitality left. Philipsburg to Celebrate. Philipsburg will have a great 4th of July celebration on Monday, July 5th. They have secured four of the best bands of Central Pennsylvania, as well as special trains from all points on the Tyrone and Clearfield, N. Y. C., and Philipsburg railroads. Following are list of prizes to be awarded for the parade: Secret society largest number of men in line, \$15; fire company largest number men in line, \$10; best uniformed company in line, \$10; best "Dark Town in line, \$7; best fantastic in line, \$7. Home fire companies are not allowed to compete for prizes in parade. READ IT. Pastor Russell's sermon will be found on page 2 of this issue and will be continued each week as long as appreciated. The Centre Democrat has the exclusive privilege of publishing these sermons in Centre county, therefore you will know where to find them. If you want to know who Pastor Russell is, be sure and read the introductory article found on same page.

The Absolutely Pure Baking Powder Made of Cream of Tartar, and Free From Alum or Phosphatic Acid Royal Baking Powder renders bread, biscuit, cake and all flour foods finer and more healthful.

WEDDINGS. YONADA-FISHER. Charles N. Vonada and Cora Belle Fisher, both of Walker Twp., were married at the Lutheran parsonage in Snyderdownton, on June 1, 1909 by the pastor, Rev. L. N. Fleck. May prosperity attend them throughout a long and happy married life, is the sincere wish of the many friends of the bride and groom. BULLOCK-WATKINS. On Tuesday evening, June 3, Edward A. Bullock, of Bellefonte, and Olive Watkins, of Curtin, were quietly united in the bonds of wedlock. The ceremony was performed at the Methodist parsonage at Milesburg by the pastor, Rev. R. Skyles Oyster. The bride is a well known young lady of Curtin and will make an excellent wife. The groom is a son of Forest Bullock and wife, and is an industrious, energetic young man, being employed in the carriage shop of his father in Bellefonte. GINGHER-HAMILTON. On Monday evening, June 7th, about 9:30 Edward Gingher and Edna Hamilton were quietly married at the Gingher home on High street, Bellefonte, by Rev. Barshinger, pastor of the United Brethren church. Charles Taylor acted as best man and Blanche Gingher, a sister of the groom as bridesmaid. The wedding was a surprise to their many friends and only became known Thursday. The groom has accepted a position in Pittsburg and left for that place on Tuesday. Mrs. Gingher will follow in a few days. HOUTZ-MINNICH. Cornelius B. Houtz, son of Clarence Houtz and wife, of Lemont, and Anna Minnich, of Altoona, were united in marriage at the home of the bride's mother, Mrs. Sadie Minnich, last week. The ceremony was performed by Rev. J. M. Waggoner, pastor of the First Church of God, in the presence of the immediate families. The attendants were Louisa Bickel and Morris L. Minnich, a brother of the bride. After congratulations had been extended a wedding supper was served. The groom is a car inspector employed by the Pennsylvania railroad in Altoona and the bride is an estimable young woman. After a wedding trip to Washington, Baltimore and Philadelphia they will take up their residence in the Mountain City. GETCHELL-BRUNGART. Sallie M. Brungart, daughter of ex-sheriff and Mrs. Cyrus Brungart, is now the happy bride of J. A. Getchell, a rising young business man of Conneville. The nuptial event took place at the Brungart residence at Centre Hall, on Wednesday evening of last week. Only the immediate friends were present to witness the ceremony which took place at six o'clock in the evening, and was performed by B. F. Beiber of the Centre Hall Lutheran church. The only attendant was Bessie Royer, daughter of Elmer Royer and wife, as flower girl. Following the ceremony a delicious dinner was served the bridal couple and a few invited guests. The bride is quite well known in Bellefonte, having lived here with her parents during the three years her father was sheriff of Centre county. ENECUTRIX NOTICE. Estate of Maria M. Rumberger, late of Ferguson township, deceased. Letters testamentary in the above estate having been granted to the undersigned, all persons indebted to the said estate are requested to make payment, and those having claims to present the same without delay to and amongst those legally entitled to receive the same, hereby gives notice to all parties in interest that he will meet all such parties at his office, in the Eagle Block, Bellefonte Borough, on Monday, July 12, 1909, at 10 o'clock in the forenoon, for the purpose of discharging his duties under said appointment.
