BUSINESS MEN'S PICNIC AT HECLA

AN ENTHUSIASTIC MEETING OF EXECUTIVE COMMITTEE

DATE TUESDAY, AUGUST 24TH

Indications Are That Coming Big Day's Outing Will be a Record Breaker—Another Meeting in Bellefonte July 30.

The next big outing at Hecla Park this season will be the Business Men's picnic of Centre and Clinton counties. The date has been set for Tuesday, August 24th. This was settled on Friday afternoon at a meeting of the executive committee which was held at the new Clinton County Club house, which is located on the old Sanderson farm, between Mill Hill and Lock Haven. This is an ideal spot, and the building is unique in every detail. The attendance was large and the enthusiasm ran high. Everybody seemed in a mood to make this picnic the best of all the previous ones.

The meeting was called to order by President T. J. Smull of Mackeyville, who by his droll and facetious remarks kept the company in good humor. After Secretary C. F. Montgomery had called the roll, the election of officers followed, and on motion of P. P. Pitman, of Lock Haven, all the present officers were re-elected by acclamation, as follows: T. J. Smull, president; G. W. Fredericks, treasurer; and J. C. Meyer secretary. There being a vacancy in the office of vice president, caused by the death of C. F. Montgomery, Phillip D. Foster, of State College, was nominated and elected by acclamation, as were all the other officers.

It was then announced by the secretary that the vice president, C. F. Montgomery, of Bellefonte, had died since the last meeting, and Phil D. Foster, of State College, was elected in his stead. Whereupon J. Will Conley, of Bellefonte, arose and feelingly referred to the death of Mr. Montgomery, closing his remarks by offering the following resolutions, which were adopted:

Whereas, since the last previous annual meeting of this association, death has removed our much beloved vice president, C. F. Montgomery, of Bellefonte, now therefore be it

Resolved, That this testimony of our esteem for his genial personality and helpful companionship of the late Mr. Montgomery be spread upon the minutes of the association, and that in confirmation of our high regard for him as a member of our association and a christian gentleman, a copy of this minute be forwarded to the family of the decedent with the assurance of our tender sympathy and earnest condolence.

After a consultation of the finance committee, it was ascertained that \$500 would be available for all purposes, such as music and other amusements. When it came to music the majority of the committee seemed to favor the Re-pass band of Williamsport, although the section was left to the Music committee.

Ex-Mayor W. H. Stevenson, of Lock Haven, then offered a suggestion that the various clubs representing the Central Pennsylvania baseball league be secured to transfer two games on the day of the picnic to Hecla Park. This suggestion appealed to all members and a resolution was passed to negotiate with the proper officials with a view of bringing this about.

Joseph Herr, of Salona, spoke of the sanitary conditions of the park, and suggested that closets be placed nearer the centre of the picnic grounds.

The association is non-political, and it is proposed to keep it so, but Philip Kift, of Lock Haven, could not suppress a desire to compliment Hon. J. C. Meyer for the excellent work he accomplished while in Harrisburg as Centre county's representative, and thus in a neat speech congratulated him for the magnificent showing he made while in the legislature.

In course of his remarks Mr. Kift spoke of the good work done by Mr. Meyer in that section and generally of his attitude in assisting to secure appropriations for worthy charitable organizations, especially for the hospital and Lock Haven Normal. Ex-Mayor Stevenson also spoke in a happy vein on Mr. Meyer's service in the legislature, and hearty applause followed the remarks of both speakers. In response, Mr. Meyer thanked the members for their appreciation of his efforts and hoped that he could do even more for the good of the commonwealth in the future.

On motion of P. S. Kift the present committees were retained for the ensuing year, which are as follows: Finance—H. Sechler, Bellefonte; John R. Thompson, Salona; John M. Bullock, Bellefonte; Phillip D. Foster, State College; M. M. Keley, Snow Shoe.

Amusements—John D. Sourbeck, Bellefonte; Phillip S. Kift, Lock Haven; S. Krumrine, Bellefonte; Harry Otto, Bellefonte; Frank Harder, Lock Haven; C. H. Bressler, Lock Haven. Printing—Robert Cole, Bellefonte; A. L. Merrill, Lock Haven; A. Gross, Mingle, Centre Hall.

Closing—D. I. McNaull and U. A. Xander, Lock Haven; E. C. Tuten and Dr. D. G. Stuart, Bellefonte.

Music—Hard P. Harris and George R. Meek, Bellefonte; A. C. Candor, Lock Haven.

Management—J. C. Meyer and J. W. Conley, Bellefonte; George W. Mason, Lock Haven.

The time of the next meeting was fixed upon motion of George W. Mason at the Bush House in Bellefonte, on Friday, July 30, at 6 o'clock in the evening, at which time the various committees will be expected to make full reports on what they have done. The members then adjourned to the

dining hall, where the club chef, Mr. Smith had prepared as fine a dinner as the members ever sat down to. Following this the members indulged in a stroll about the beautiful new club house and grounds until the time arrived for their departure.

Those present from Centre county were as follows: Hon. J. C. Meyer, Frank Warfield, J. Will Conley, Francis Spear, James Corl, John D. Sourbeck, L. T. Munson, Phil D. Foster, A. Gross Mingle and M. D. Kelley. Those from Clinton county were: T. J. Smull, W. O. Bentley, D. H. Stoner, A. C. Candor, H. A. Stevenson, G. W. Fredericks, C. F. Brown, R. Hayes, Stewart, John R. Thompson, W. H. Stevenson, J. A. Herr, Frank Harder, George W. Mason, P. P. Rittman, A. L. Merrill, P. S. Kift, U. A. Xander and D. I. McNaull.

A. E. Brainard, general agent of the N. Y. Central railroad, of Williamsport, was also present as the guest of the committee.

He will probably make arrangements to run a special train from Williamsport on that occasion.

A TRUE DIPLOMAT.

On Saturday several gentlemen were incidentally discussing the amusing rivalry existing between two professional men in Bellefonte; and to that fact they largely attributed some of the recent unpleasant incidents about one of our charitable institutions.

Colonel Taylor of the 5th Regiment came along and was asked how he managed to get along so well with these two chaps in the same regiment, at Encampments.

"That's easy," the Colonel replied, "you see it is this way: I don't listen to their stories, but I go to the one fellow and tell him what a good man he is, and that he should be promoted. Then I slip around to the other and tell him that the success of the regiment depends on him, and that he deserves to be advanced. That makes both work like hell for me, all week. Do you see—dead easy—best men I ever had."

The crowd roared at the Colonel's diplomacy and as the writer started for the office the Colonel grew grave, even serious. Following for some distance he repeatedly exclaimed, "No, no, don't print that!" "Don't do it!" and displayed great uneasiness.

When asked as to the objection to seeing a good story in print he replied: "I don't just care for that, but you see, if they read it it will spoil my game—now DON'T DO IT! Both are friends of mine you know; very useful! DON'T DO IT!"

We assured the Colonel that it would be suppressed; but we think the Colonel is wiser than the farmer who crossed his bees with lightning bugs and made them gather honey both day and night.

Damage Done By Lightning.

On Thursday afternoon a terrific storm passed over Bellefonte, doing more or less damage. Lightning struck the southwest corner of the hotel, and running into the D. A. R. room the plug was blown out and the covering on the table set on fire, which was extinguished before any great damage was done. During the same afternoon the barn on the farm occupied by William Bodle, near Hunter's Park, was struck by lightning and burned to the ground. One colt, three calves and all of this year's crop of hay were also destroyed. There was \$500 insurance on the barn and \$200 on the contents. On the farm of Fred Reynolds, near Roopshurg, which is occupied by J. W. Denner, the barn was struck but it was extinguished before any great damage had been done.

The school directors of Rush township held a meeting on Saturday evening, and in addition to transacting other business matters, elected teachers for the next term, as follows: North Phillipsburg—Grammar, Zoe Charles Knapper; 1st Intermediate, Margaret Allen; Primary, Mame Flegal, Sandy Ridge—Grammar, J. H. Straw, Principal; Intermediate, Isabel Hutchings; Primary, Bertha Hessong. Edendale—Grammar, H. E. Stover; Primary, Goldie Swift. Tower—Grammar, Gertrude Fulton; Primary, Anna Bowers. Bellefonte Woman Sues for \$10,000.

Victoria Andrews, of Bellefonte, by her attorney, W. C. Fletcher, Esq., brought a trespass suit in court at Altoona Monday against A. Karam, an Altoona merchant, to recover \$10,000 damages for alleged false arrest and imprisonment. Plaintiff alleges that she was arrested at defendant's instance, kept in jail over night and discharged by Alderman Leake the next day.

There will be a school teachers' reunion held at Greenbush on August 14 to which all school teachers and others having the interests of the public schools at heart are invited. Invitations are being sent out to all old teachers, it being the intention of the committee to totally eclipse all former reunions of this kind.

CLARENCE E. HUYE—Son of Augustus Huye, formerly of Millheim, was a victim of the mine explosion at Winburn, Pa., on June 23rd, he being one of those seriously injured. He died at the Spangler, Pa., hospital Friday, July 2, at 10 o'clock, and was buried at Belsano, Pa., on Sunday, July 4. He leaves to survive him a widow, two children, Merrill and Emma; also a father, two brothers and three sisters, all residents of Cambria county.

DAVID HOY—died on the 25th of June at his home in Brush valley, Miles township, in his 75th year. Was born in Gregg township March 17th, 1835. His illness, dropsy of the heart, was of short duration; and is buried by side of wife, Barbara. Surviving are two daughters and one son: Mrs. W. H. Weaver of Philadelphia; Mrs. M. C. Auman, of Wolf's Store, and H. M. Hoy, at home, also one brother, J. S. Hoy, of Madisonburg, and three sisters, Mrs. Lydia Gramley, of Spring Mills; Mrs. Rebecca Kern, of Logan Mills and Sarah Mergentine, of near Portland, Oregon.

JOHN FOLEY—A native of Bellefonte, died on Thursday July 8 at the University of Pennsylvania hospital, in Philadelphia, following a lingering illness of about five months. For the past seven years he had lived near Williamsport, but about five months ago he returned to the home of his brother-in-law, Clayton Rider, of Coleville and later became a patient at the Bellefonte hospital, where he slowly grew worse, despite the efforts of the physicians in charge. He was a son of Mr. and Mrs. Martin Foley, both deceased, and was about 32 years. Surviving is one sister, Mrs. Clayton Rider of Coleville. The remains were brought to Bellefonte and funeral services were held from St. John's Catholic church.

PHILIP MUSKER—son of John and Susan Musser, was born in Centre county, February 19, 1822, and passed away at his home in Lena, Ill., July 10, 1909; aged 86 years, 4 months and 21 days. As we find in the Freeport Bulletin, his youth was spent on his father's farm near Bellefonte, and there he grew to manhood and received his education. On December 21, 1848, he was united in marriage to Miss Sarah Biko, of Aaronburg. In 1853 they moved to Stephentown county, Ill., locating at Cedarville, where they resided until 1866 when they removed to Lena. Mr. and Mrs. Musser were parents of five children, two sons passing away in early childhood. Mrs. Musser passed away July 31, 1898.

A few days prior to her demise she had a bad attack of cholera morbus which seemed to have been checked but later she suffered a relapse. She possessed a sweet and lovable disposition, thus she was greatly admired by a host of warm friends. Her bright face and her friendly greeting will be sadly missed in the household, and much sympathy is extended to the heart broken parents. The touch of the Divine finger in taking away this lovely child may be for a purpose, because mysterious are the ways of God when He desires to make an impression upon his subjects. The funeral took place on Monday morning at 10 o'clock. Interment in Catholic cemetery.

Wm. Henry Whippo—a veteran of the Civil war, died suddenly at the home of his son, Curtin Whippo, at Juniata, where he had been visiting friends for a few days, coming from the Soldiers' home at Dayton, O., where he had made his home for several years. Death was due to heart failure. Mr. Whippo accompanied by his wife, intended to spend several weeks visiting their children and Mr. Whippo's sisters, brother and aged mother, Mrs. Hannah Hicks, of Huntington Furnace, who is past 95 years of age. Mr. Whippo's war record began Aug. 17, 1861, when he enlisted in Company 107 of the gallant Forty-ninth regiment. He was honorably discharged Oct. 21, 1862, from that regiment. At the close of his army career he returned to Bellefonte and later removed to Burnham where he secured a position as boss puddler at the works located there. He was located at that place for many years. He entered the soldiers' home March 19, 1907. GEORGE MATTERN—at one time one of the most prosperous farmers in Centre county, died Tuesday morning about 10 o'clock, at his home, about a mile and a half west of Scotia. He was a remarkable man from the fact that he had not walked for 28 years, and had lain in bed for 23 years, utterly helpless from rheumatism. He was 76 years of age on the 17th of last December. He is survived by one daughter and two sons: Mrs. John F. Gray, of State College; Stewart, of Los Angeles, Cal., and Blanchard, at home. He learned the trade of a carpenter in the vicinity of his native home and some twenty years ago he went to Altoona and had since resided there. He is also survived by two brothers, Isaac Frain, of Jacksonville, Pa., and John Frain, of Salona, Clinton county. Funeral services were conducted at 9:30 o'clock Monday morning in the United Evangelical church, and the body was taken to Salona, where interment was made in Cedar Hill cemetery.

MILLIGAN WALKER—on last Sunday morning T. Milligan Walker, well known and highly respected citizen, passed away at his late home at Wingate. He was formerly a citizen of Runville, where he spent the greater part of his life. But on account of his health he was compelled to quit lumbering and bought himself a home here where he remained until his death. The deceased lingered along with a complication of diseases for some time. Dropsy setting in, soon resulted in death. He was born at Runville Feb. 23, 1849, died July 18, 1909, aged 60 years, 5 months and 25 days. He was a son of Jacob C. and Margery Walker, deceased. He leaves a widow, an adopted son, Willard and the following sisters, Mrs. Cyrus Lucas, Mrs. Daniel Poorman, of Runville; half sister Mrs. Philip Reside, James Yearick, brother of the widow, from Johnsonburg, Pa., was in attendance. His interment took place the 20th inst., in the Messiah church cemetery. Caught by a Mower.

J. B. Poorman, a farmer of Curtin, on the first day of July, he and his son went out to mow with a mower and by some mistake stepped on the wrong side of the machine, and the knives came close to him before he noticed them; but as soon as he saw he was on the wrong side he jumped, but the knives caught him on the left leg, cutting it to the bone, severing all the leaders on one side, and cut a piece out of both bones. Dr. Kurts was on hand inside of half an hour and dressed the wound, which required nine stitches. Mr. Poorman suffered great pain and loss of blood, but is getting along as well as can be expected.

THE COUNTRY CLUB ELECT OFFICERS

A CONGENIAL COMPANY ASSEMBLED AT CLUB HOUSE

A FINE ELECTRICAL PLANT

Henry C. Quigley, Esq., Takes the Cup This Time at the Annual Bird Shoot—R. B. Freeman Comes in Next.

On Saturday evening the members of the Nittany Country Club assembled at their club house, at Hecla Park, to elect officers for the following year. One of the attractive features on this occasion was the inspection of the newly installed electric light plant to which Hard Harris and DeLaune Stuart have been devoting their best efforts during much of this summer. A water wheel and dynamo have been placed on the site of the old wheel that furnished power for the Hecla furnace when in blast years ago. The plant is located about a quarter of a mile from the club house which, of course, necessitated putting up poles and stringing wire. A short time ago it was completed, and when the current was turned on everything worked like a charm. The large and commodious building is excellently and brilliantly illuminated. In the dining room and parlors are found neat and good sized chandeliers from which comes plenty of light. In the other apartments are single lights which have proven very convenient for a place of that kind. The large porches have also been illuminated with the electric spark, and in time lamps will be strung from the club house to the depot, down through the park. The water is a little low now, and there is some question whether the wheel will run every minute in the twenty-four hours. However, the idea is a good one, and the plant will furnish light for all ordinary purposes. One consolation is that if it goes out the boys can go to bed, as there is plenty of sleeping room.

In the afternoon the annual club shoot took place of which we give the score below. Other games were indulged in during the afternoon after which the annual dinner took place at 6 o'clock. William Kelley and wife, who have charge of the club, furnished a trout dinner which was much enjoyed, especially by those who had not been successful fishermen during the season. Col. J. L. Spangler presided when commendatory speeches were made on the grand achievement made through the successful operation of the new electric light plant. Everybody was unanimous in the belief that a new era had opened up for the club, and more interest would be taken in it. After dinner an executive session was held when it was found that their finances were in good shape, which is the pulse of an association like this. The following officers of the club were re-elected: President, Col. J. L. Spangler, of Bellefonte; Vice President, R. B. Freeman, of Tyrone; Secretary and Treasurer, George R. Meek, of Bellefonte. The board of governors are Col. J. L. Spangler, R. B. Freeman, J. G. Anderson, W. Harrison Walker, L. T. Munson, D. G. Stuart and Thomas Beaver. After the business had been transacted the boys had a very pleasant, sociable time. About nine o'clock the guests began to scatter out, some in their automobiles, while others returned on the train. Henry C. Quigley was the man who took the cup this year for the best shooting. He killed 84 birds out of a hundred which was a fine record.

Among those present from Tyrone were: J. K. Johnston, Superintendent of the Bald Eagle Valley Railroad, R. B. Freeman, J. G. Anderson, Dr. Fowle, A. D. Mingle, F. W. Aikin, George Gibbs, J. T. Francis, Clate Poorman, W. H. Scullin and Charles H. Rowland, of Phillipsburg.

Christian Endeavor Union.

The executive committee of the Centre County Christian Endeavor Union met at Unionville, on Saturday, July 16, and arranged for the annual convention to be held at Eagleville, September, 1 to 2. A delegate from the committee visited the Endeavor society at Eagleville on Sunday and completed the arrangements with the local society. He found the people there most enthusiastic over the convention, which promises to be the best in the history of the Union.

Off to Camp.

This afternoon Company B, N. G. P. will leave for an outing of ten days at Somerset. The bugle corps will accompany them, and the boys are in good shape for the annual encampment. Col. Taylor has made excellent provision for our local boys which insures them both hard work at inspection and a good time when off duty. To see the wives and sweethearts at the train with tears in their eyes one would almost believe we had another big war on our hands.

Burglars At Clarence.

On Tuesday night the Beech Creek station at Clarence was entered by burglars but were frightened away before any great damage had been done. The purpose was evidently to blow open the safe. The entrance was made by cutting out one of the window panes.

Williams Reunion.

The Williams Reunion will be held this year on August 21st, 1909. The several committees, and the location of grounds will be announced later.

R. R. Hartsock (Cor. Sec.)

The Historical Committee of the "Old Home Week" association at Phillipsburg has arranged with Agnes Rowe to obtain a manuscript almost completely covering the history of the town and written by her father, S. B. Rowe, deceased. The book will be published immediately.

PLAYING GOOD BALL.

Contrary to expectations Bellefonte's league ball team lost Saturday afternoon by a close score of 2 to 1. The score was even at the ninth inning but during the tenth inning the visitors scored, and once more Bellefonte was compelled to eat a lemon, and a sour one, too, because they felt certain of winning out, which would have put them in excellent shape for taking the pennant. The fault was not in the box but in centerfield, which should have been well guarded. The team showed most excellent work and should have won out, but this was one of the cases where there was a slip between the cup and the lip. However, it was one of those kinds of games that could not help but be enjoyed, and it created much enthusiasm. During several plays the air was filled with hats, umbrellas and canes. The crowd was greatly increased by Manager Cunningham freely distributing tickets to the fair sex, but the receipts were not what they should have been, because the young men failed to accompany them. At Lock Haven, Renovo and Jersey Shore the crowds at the games are such as give inspiration to the boys, and give them some respectability in the league. On Wednesday another game was played at Lock Haven, and a large number of base ball enthusiasts took advantage of the low rates over the Central Railroad of Pennsylvania. The score was five to two in favor of Lock Haven. A return game will be played here on Friday afternoon when a special train will bring a large number of rooters. Let Bellefonte show its colors by turning out in large numbers. At the request of Manager Cunningham the stores will be closed on Friday afternoon from 3 to 5 o'clock. This is done so that everybody can show their loyalty to the home team, and witness the champion game between Bellefonte and Lock Haven. Admission 25 cents for gentlemen and 15 cents for ladies.

WEDDINGS.

Mr. and Mrs. Meyer will be home in Bloomfield after October 15th.

Shattuck—Stuart.

An event of interest took place at the home of Postmaster John W. Stewart, of State College, the marriage of his daughter, Elizabeth M. Stuart, to Prof. Harold B. Shattuck, professor of mathematics at State College. The event took place Wednesday morning at 10 o'clock in the presence of about 300 guests at the home of the bride's parents which was beautifully decorated. The groom's best man was Prof. Friszell, and the maid of honor was Margaret Stuart, sister of the bride. Prior to the ceremony, Miss Cough, of Newport, sang a selection entitled, "O, Promise Me." This was followed by the wedding march, played by Mary Christ. The bride was given away by her father, after which Rev. Martin, pastor of the Presbyterian church, assisted by Dr. Hall, an Episcopal clergyman, of Wilmington, Del., performed the ceremony, the ring service being used. They left on a wedding tour up through Canada, and will visit the groom's friends in Connecticut. On their return they will go to housekeeping at State College.

On Saturday afternoon and evening Mrs. Amanda Fisher, of Boalsburg, gave a reception to her son Frank and his pretty bride, at her home at that place. During the entire reception nearly 200 people called.
