UNIONVILLE.

Ha, ha, ha, Francis, it wasn't Ben Franklin who said "Go West young man and grow up with the Country," it was Horace Greeley. See local item in last week's Democrat.

Thank you, Mr. Howard correspondent. My hat is off Col. Little Johnny Stray of Julian, transacted business in our town on Saturday.

Efforts are being made to organize a Rebekah lodge, I. O. O. F. in this place.

Mrs. Carry Emenhizer and little son, of Jackson, spent several weeks at the cozy home of her parents, Mr. and Mrs. Charley Hall.

Col. Harold Fisher made a business trip to Altoona, Phillipsburg and Clearfield recently.

Since the death of our esteemed Postmaster, Mr. St. Clair, there are a number of candidates who are anxious to sell post stamps and hand out the mail. J. W. Smith, a very competent young man has been appointed by the former postmaster's bondsmen, as temporary P. M.

I would agree that the attention of the tax payers to the fact that 5 per cent, will be added after Feb. 1st, if not paid. It is hard enough to pay the principal without paying 5 per cent. additional. Quite a number have paid during the last week. Again thanking you in advance, I am, yours for keeps.

Andrew Jackson St. Clair:—The Death Angel again visited our town and took from our midst one of the most prominent, most respected citizens, Postmaster A. J. St. Clair. On Friday morning our citizens were shocked when they learned that Jack St. Clair had died that morning between the hours of 5 and 6 o'clock, was flying through town. He had been in his usual good health and attended to distributing the mail the day before as usual, and seemed to be in his excellent spirits, but after he closed the office he complained to the family that he was not feeling well and continued to get worse. They finally called Dr. Russel in, who lives near by. Towards morning he continued to get worse, when the doctor was called in the second time; but when he arrived the vital signs had fled. The cause of his sudden death was heart failure, superinduced by an attack of pleurisy. A. J. St. Clair was born at Fisher's Ferry, Northumberland county, Oct. 24th, 1838; died Jan. 14th, 1910, aged 71 years, 2 months and 20 days. He was twice married, his first wife being Miss Malinda McEwen, to which union three children were born, all now deceased. His second wife was Mrs. Jerusha B. Thomas, who survives him with one daughter, Mrs. Anna Bullock. He is also survived by one sister, Mrs. Isabelle Smith, of Northumberland county, who is 80 years old. Soon after the outbreak of the Civil war, at the age of 22 years, he enlisted in Company E, 4th Illinois Volunteer Cavalry and fought under Gen. Grant at Pittsburg Landing, Fort Donnellson and many others. After 4 years of faithful service he was honorably discharged on Nov. 3rd, 1864. He then came East, but the spirit of patriotism was so great in him that he soon after re-enlisted in the 2nd Reg. Pa. Volunteer Cavalry and served till 6 months after the close of the war when he was again honorably discharged. He was a brave soldier, never known to shrink in his duty. Notwithstanding he was in many severely fought battles, he escaped without even receiving the slightest wound. He was a shoemaker by trade, which occupation he followed up to the time of his death. He served as post master of Fleming for 20 years and was a faithful, obliging and popular post master. His funeral occurred on Monday at 2 o'clock p. m. His body was taken to the M. E. church of which he was a faithful and consistent member for over 40 years, where services were conducted by his pastor, the Rev. J. D. Oyer. Interment in lower cemetery, where Milesburg Post G. A. R., Gen. Austin Curtin, Commander, held ritualistic services over the grave of their dead comrade. A large number of friends and relatives from a distance attended the funeral. Quite a number of veteran comrades from Bellefonte, Milesburg, Julian, and Port Matilda were also in attendance. The following old veteran soldiers served as pall bearers: James McClincy, Andrew Hall, John W. Bliddle, G. Alexander, Collins Johnson and William Resides. Thus has passed from amongst us an affectionate husband, a loving and indulgent father and an honest, upright, obliging citizen and neighbor. Rest in peace, brother.

STATE COLLEGE.

Willie Beck had a sled load of young people to Axeman on Saturday night.

The lecture and moving picture entertainment, in the auditorium on Saturday night, on the Country of Ireland, by Prof. Knox McCall, was largely attended and proved very satisfactory.

On Sunday Wm. B. Beck had a sled-load of folks down to John Osman's. A large number of people took advantage of the fine sleighing on Sunday.

Prof. George Myers has started a singing school here for the young folks which was well patronized on Monday night.

Mrs. Joseph Mingle, who had her arm broken and otherwise bruised by falling down a flight of stairs, is able to be on the rounds once more. She spent Sunday with Mrs. Garis, just across the street from her home.

The Rev. J. Allison Platts, of the first Presbyterian church of Bellefonte, spoke in the auditorium to the student body. He gave them a very interesting talk which was very much appreciated.

Mrs. James Martin has been on the sick list the last week with heart trouble.

Frank Yearick, who hauls lumber to Coburn, kept his feet in the cold places too long. He now suffers from the effects.

John Royer had several head of sick cattle; it is supposed that overfeed and no water at the right time was the cause of it.

Mrs. Charles Rauhouser fell hard on the ice while her husband was standing by her side. She was carried to the house unconscious and Dr. Smith summoned, and it was discovered that she had struck the arborescences. It was feared that concussion of the brain would take place, but later recovered and is making haste slowly.

The merchants are doing a fair business, trade is about equally divided among them. While trade is not as brisk as in a mining or manufacturing town, it has a better reality.

The Lutherans have found a leader again. Since affinity is so close, we would feel very badly if these people would have fallen into the ditch for want of a leader. In case such would be the condition, what would happen if the other denominations would be at large too.

Sleighing is all the go among the young folks. Two sled loads went to Karthaus where supper was served; all report a good time.

Tonight the Odd Fellows will hold their annual banquet in their hall at this place.

PORT MATILDA.

The thermometer has been creeping down among the zeros and a little lower.

The boys and girls had their fun spoiled when the snow came. They certainly have been enjoying themselves. They have skated every place in town, even going up on the hills and skating down into the streets of the town.

Coasting has also been excellent. Never can I remember such opportunities for enjoyment of the young as we had in the past weeks.

Nearly all of the children are sick, have been sick, or are going to be sick, with a sort of contagious trouble such as sore throat, coughing, and severe colds. I hear them say that some day in school their is so much coughing that the leader can hardly hear classes recite. Our doctors are kept very busy. Some are also reported as having another pleasant thing, the chicken-pox. More can boast of having them also, soon.

Last evening Paul Turner, while coming home from Phillipsburg, had the misfortune to have his horse get unruly while watering at a trough along the mountain. In attempting to hold the horse he had his one foot and leg badly bruised, and the sleigh containing his head of the bride in some way, and then became excited and unmanageable. Very glad nothing more serious occurred.

Some young man got a cold berth the other evening. He was from Martha Furnace we believe. While taking a sleigh ride with a girl of our town and another couple, his girl got tired of him and dumped him out in the snow on his nose, which seemed to be the most promising part of his anatomy. We are sorry that he received such shocking treatment, but do get discouraged for not all girls will do that.

We have a sort of contagious knotty affliction which seems to be roping our young people in, and binding them together for life. This can only be blamed on that little rascal Cupid with his dart. He has made this town his headquarters. We have had three weddings in the last three weeks, and on Friday evening two more of our young people, Miss Ruth Williams and Charles Richards, left on the train to get tied up for life. We are also informed that the band will have to accompany one of its members soon too. He seems to be a little afflicted with the same thing. How about it George?

Mr. and Mrs. Augustus Carbaugh, of Chambersburg, were the guests of Mrs. Carbaugh's sister, Mrs. Adam Cowher. They were on their way to Illinois where they expect to make their home in the future.

A sleighing party from Bald Eagle spent a very pleasant evening at the home of Jacob Biglow on Saturday evening.

A sled load of young people from Bald Eagle were entertained last Saturday night by Mr. and Mrs. Job Bigelow; it being their son William's 21st birthday. All had an enjoyable time and wishing the young man many happy birthdays, turned toward home and on their way gave Mr. and Mrs. C. Reese a pleasant call.

FILLMORE'

Be up and a doing you fox hunters; now is your time to reap a harvest of the beautiful golden furs.

Samuel Breen, who now occupies lower William Thompson farm, will move on the James Clark farm, now occupied by Charles Clark.

John Garman is very busy moving his machinery and other articles to the farm which he purchased two years ago and to which he expects to move in the spring.

Boyd Tressler and William Young spent Saturday and Sunday with Harry Marshall, of Port Matilda, and reports having a good time.

Charles Saxton, who has been working at Pittsburg, has come home on a vacation, but I couldn't say how long the vacation will be.

The first month of the new year is speedily passing away and how many of us that have resolved to turn a new leaf, have turned back to the same old record?

Boys when you go sleighing these stormy nights, don't forget about your poor horse and let him stand in the storm, for some one might remind you of it in a different way than would be pleasing. Take a little advice from an old gray-headed man and stable the faithful beast.

SMULLTON.

Prof. E. M. Brungart, of Selingsgrove, is visiting friends and relatives in this locality.

Domer Crouse, who had been employed in Illinois during the past summer, is now located in Canton, Ohio.

Mr. and Mrs. Calvin Zeigler, of Spring Mills, accompanied Rev. and Mrs. J. M. Lantz to Smullton on Sunday evening.

Those who Sundayed at the home of Mrs. Crater's were: Chas. Duck and Erna Vonada.

Those who Sundayed at the home of L. C. Miller's were: Lee Vonada, Russel Wolf, Dortha Roush, Ada Rachau, J. H. Roush, George Showers and family, Elmer Swartz and family, James Gramley and wife.

Quite a number of our young folks are attending singing at Madisonburg. The scribe would like to know how

the Brushvalley scribe got to wake up; brother scribe, you should not be afraid of bears, so do not be afraid to write to the C. D.

BENORE.

Geo. Harpster, of Pitcairn, is spending a week with his aunt, Margaret Bottorff.

Hettie Laufer was a visitor at Blanchard Matern's on Saturday and Sunday.

Guyer Ertley, of Jacksonville, spent a week with his aunt, Mrs. Blanchard Matern; call again Guyer.

William Laufer had his foot badly cut while digging out cars; his pick glanced and left a deep gash; he is under the doctor's care.

Rose Grose was badly injured last week while at his work; his foot slipped, and he fell from a trestle 20 ft. high and lit on his back. He is in a very bad condition and is under two doctors' care. His many friends hope for his speedy recovery.

A sled load of young people of this place went to Pine Grove Mills last Monday evening, at the Decker home, where a delicious supper was served, such as chicken and waffles, and anything else on the table you wished for; they were accompanied by Harry Valentine, the superintendent of the Scotia ore mines, also William Burnside, the time-keeper, and Messrs. Calvin Lykens, Malon Lykens, Charles Stitzer, Ray Matern, Harry Pennington, Guyer Ertley, from Jacksonville; Mary Koop, Marie Haugh, Henrietta Laufer, Viola Laufer, Grace Farber, Ada Behers, Mildred Shafer and Lynn Griffin, the driver; they spent the evening with music, singing and games and all had a glorious time.

For Lame Back

An aching back is instantly relieved by an application of Sloan's Liniment.

This liniment takes the place of massage and is better than sticky plasters. It penetrates—without rubbing—through the skin and muscular tissue right to the bone, quickens the blood, relieves congestion, and gives permanent as well as temporary relief.

Here's the Proof. Mr. James C. Lee, of 1109 9th St., S. E., Washington, D. C., writes: "Thirty years ago I fell from a scaffold and seriously injured my back. I suffered terribly at times; from the small of my back all around my stomach was just as if I had been beaten with a club. I used every plaster I could get with no relief. Sloan's Liniment took the pain right out, and I can now do as much ladder work as any man in the shop, thanks to

Sloan's Liniment.

Mr. J. P. Evans, of Mt. Airy, Ga., says: "After being afflicted for three years with rheumatism, I used Sloan's Liniment, and was cured sound and well, and am glad to say I haven't been troubled with rheumatism since. My leg was badly swollen from my hip to my knee. One-half a bottle took the pain and swelling out."

Sloan's Liniment has no equal as a remedy for Rheumatism, Neuralgia or any pain or stiffness in the muscles or joints. Price, 25c, 50c and \$1.00.

Sloan's Liniment on horse, cattle, sheep and poultry sold everywhere.
