Bad Wreck at Vail. At 4:20 on Sunday afternoon the Tyrone Division had a wreck that tied up traffic for several hours. A freight train ran into the side of a second freight train at the junction at Vail station. Two engines and nine cars were wrecked and the debris scattered over the track. On this account the train that is scheduled at Bellefonte at 8:20 didn't arrive until Monday

morning at 2 o'clock. On account of the inclement weather the officials held the passengers at Tyrone instead of compelling them to wade the deep snow and face the fierce cold in transferring them from one train to the other.

On Wednesday of last week, Edward Weaver, of Linden Hall, was in Bellefonte looking for work. Not be-ing able to find employment, he be-came despondent, and on going home attempted to end his existence by shooting himself twice. The wounds were not of a fatal character and thus he is now glad that he is still in the land of the living. It is said he will remain on the farm during the coming summer.
