PORT MATILDA.

Last fall when the Port Matilda Water company laid their line through our town, they agreed to furnish water to our school building for four dollars for the entire year. The schoolboard had agreed to put the water in when several of the citizens kicked, as we say, and they then gave it up. The people who kicked do not know what they were kicking about. What would four dollars a year amount to in our taxes. Had they done such we would have had water in our school building which we know is perfectly pure, whereas we have none. There is a well on the school ground, but it is only a shallow well and the surface water can easily get into it. No one will drink the water. If we need pure water, we certainly need it at the schools, where our children get their drinking water. Do we want our children to be drinking microbes and typhoid fever soup while at school? It seems that some of our people prefer that to good, pure mountain water.

There are about 100 pupils attending the schools here in town. Taking the cost for the water after it is in the building it would not be more than 4 cents a pupil. Think of it, people kicking about such a thing.

The guests gathered in the forenoon and greatly surprised Mrs. Osman who never suspected any such a gathering. My! what a dinner they did have. The only trouble we had was that we regretted that our stomachs would hold so little. The following are the names of those present: Rev. Ake and wife, G. R. Williams and wife, A. W. Reese and wife, Dr. Thompson and wife, A. S. Price and wife, A. J. Johnson and wife, Gilbert Eller and wife, E. M. Woodring and wife, Geo. Gates and wife, S. S. Miles and wife, Walter Williams and wife, Mrs. Alexander Chaney, Mrs. Wm. Bennett, Mrs. Aaron Woodring, Mrs. R. C. Thompson, Mrs. J. A. Williams, Mrs. J. M. Williams, Mrs. Jennie Henry, Mrs. Malnes, Mrs. W. T. Patton, Mrs. H. A. McKinney, C. R. Richards and wife, Mrs. McFee, Mrs. E. B. Jones, Mrs. Edgar Williams, Misses Florence Williams, Zenovia Miles, Bella Eller, Katherine Reese, Helen McKinney, Beatrice Ake and Violet Williams, Messrs. A. C. Johnson and Leon Ellis, Masters Andrew Johnson, Kenneth Woodring, Don Williams and Gilbert Malnes. Many useful and valuable presents were received by Mrs. Osman for which she is very thankful.

We had four sermons preached in our town on Sunday. If we keep this up long surely some one will hear the gospel and our town ought to be made better.

Does Not Color Hair

Ayer's Hair Vigor, as now made from our new improved formula, does not stain or color the hair even to the slightest degree. Gray hair, white hair, blonde hair is not made a shade darker. But it certainly does stop falling hair. No question about that.

Does not change the color of the hair.

Indeed, we believe it will stop every case of falling hair unless there is some very unusual complication, something greatly affecting the general health. Then you should consult your physician. Also ask him about the new Ayer's Hair Vigor.
