BOALSBURG.

MILLER.—Mrs. Margaret Miller passed away at her home at Boalsburg on Monday evening, June 20th, after an illness of one week of congestion of the liver. She was born in Union county, January 9, 1832, making her age 78 years, 5 months and 9 days. Her maiden name was Shoemaker. On Jan. 29, 1852 she was married to Peter P. Reilly, a short time after their marriage they moved to Centre county and located on a farm near State College; from there they moved to a farm at Linden Hall, where her husband died in August, 1866. She then moved to Boalsburg where she remained for two years. In 1879 she was married to W. H. Miller and lived on the McFarlane farm on the Branch. In 1881 Mr. Miller purchased the old Riley home west of Boalsburg, where they lived for nine years, when they retired from active farm work and moved to Boalsburg. Mr. Miller died August 24, 1902. She was the mother of seven children. Her eldest daughter died while they were living at the Branch. The children who survive here are: Kleckner Reilly, Mrs. Ellen Cartwright, Mrs. Elizabeth McGarvey, toona; Jacob Rish, of Lock Springs, and Mary Rish and Nora B. Miller at home. She had 12 grandchildren and one great-grandchild. Two step children are also living: J. W. Miller, at Boalsburg, and Mrs. Andrew Lytle, of State College; also a nephew, George Shealey, of Flemington, and a half-sister, Mrs. Mary Shrader, of Illinois. She was laid to rest in the cemetery at Boalsburg Friday afternoon, and will be buried in the Reformed church, at which her pastor, Rev. A. A. Black, and Rev. J. I. Stonecypher, of the Lutheran church, officiated.

PLEASANT GAP.

Jessie Hartsock, of Altoona, is visiting friends in this place. Well, boys, get your tin horns ready for there'll be a big time at this place when the parties come back, and it won't be long. E. E. Swartz is having a porch put the length of his house and a roof put on the house; the work is being done by William and Michael Kersterer. Children's Day services at this place last Sunday were fine from start to finish. Ed Isler has put new spouting on his house, and Arthur Hornbeck has put a new roof on his barn. The fly is working on the wheat through this section, which is very hard on the farmers. Auner Noll, who has been away for some time, came home on Saturday; he reports having a fine time. Pleasant Gap No. 2. One night last week while Victor Meyer and his lady were out for a drive, they met with an accident. An automobile struck the buggy and caused the horse to run away, throwing the parties out, but they were not hurt much. But it didn't scare them out, for they think as much of each other as before.

THIS IS CERTAIN.

The Proof That Bellefonte Readers Cannot Deny. What could furnish stronger evidence of the efficiency of any remedy than the test of time? Thousands of people testify that Doan's Kidney Pills cure permanently. Home endorsement should prove undoubtedly the merit of the remedy. Years ago your friends and neighbors testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say time has completed the test. Mrs. John Fisher, 51 E. Water Street, Bellefonte, Pa., says: "I can recommend Doan's Kidney Pills just as highly today as I did three years ago when I gave a public statement in their favor. A member of my family produced Doan's Kidney Pills from Green's Pharmacy Co. and received prompt and permanent relief through their use from an attack of kidney complaint. I have also taken Doan's Kidney Pills for backache and pains through my kidneys and they have always had the same good effect. You are welcome to publish this statement." For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

MADISONBURG.

Boyd Stover, of Milton, was visiting at the home of Arthur Rachau's over Sunday. Saturday evening this town had more people in it than it had since Taft was elected president; don't know what the attraction was, but it was just swarming full of young folks. Mr. Gilbert, who came to this section for his health, is feeling much better and he thinks when the summer is around, he will be perfectly well. Roy Grimes, who started a barber shop in this place a few weeks ago, is still at it and has a fair trade; hope he will stay all summer and continue to improve the looks on some of our folks. The corn fields look more like corn fields since the warm sunshine and rain is chasing it out. John Klinefelter and Sammy Winters, of Rebersburg, were among our respectable girls on Sunday evening. A few of Millheim's sports were seen on the sidewalks of Madisonburg on Sunday evening. A few of our sports attended the surprise party held for Roy Miller on Tuesday evening a week; the boys reported having a big time as the most of them didn't get home 'till four o'clock. We suppose the base ball fever has died out in this town, as we do not hear any talk about it any more. Some of our young folks have been celebrating the Fourth already, and are supposed to be scattered through the whole town. Dudley Kidder has been visiting friends in this town the last few days. The farmers are getting ready to make hay and a number have begun already. William Zeigler is visiting with his brother, Emanuel, in this section. Noah Brungart's saw mill, which is erected south of this place, is running full blast at present.

SNOW SHOE.

The banquet given by the Ladies' Aid in the M. E. church basement on Wednesday night of last week for the Red Men, was well attended. All seemed pleased with the meal. Our town is somewhat quiet at present; the merry-go-round is gone and our moving picture show gathered his belongings together and moved; but we expect things to liven a little, as along will come the wedding and Union Sunday school convention. After many weeks of practice, Prof. E. J. Bowers will give his famous drama, "Placer Gold, or How Uncle Nathan Lost His Farm," Friday, July 1st, in the park pavilion, and Saturday at Karthaus. Come and enjoy a good home talent play. While working on the carriage in Uzzel's saw mill, M. B. Conway met with an accident which might have proven fatal. He was walking along the frame and making a misstep fell beneath it near the saw; he is around again. John Hockenberry had his hand cut running the cutoff in the same mill. On account of no services on Sunday night, a goodly number attended the children's exercises at Clarence. Those who have returned home from school for their vacation are: Misses Clara Keck and Annie David, from Lock Haven Normal; Misses Alice and Lou O'Brien, of Williamsport Dickinson Seminary; Miss Mamie Kelly, from Lancaster; Miss Ella Quick, of Creson; Miss Sarah Budinger, of Altoona High; Thos. Budinger, of State; Phillip Budinger, of Kiski; Augustus Keck, of U. of P.; Miss Blanche Zindel, of Lock Haven Normal; Miss Marie Reese, of Indiana Normal. Frank Shope and assistants, Miller and Bland, have begun painting the exterior of the pool room.

COBURN.

Cherries are not as plentiful as last year. Strawberries yielded well, but our local plots are too small and those engaged in raising them should enlarge their plots to be better able to supply the home demand. The farmers are busily engaged in finishing the cultivation of corn and some are making hay, which is an average crop. F. J. Malone suffered severely on Sunday with a sudden attack of acute indigestion, but he has recovered again. Mrs. G. W. Radel, who was very low with apoplexy, is on a fair way to recovery. Andrew Behm, who was kicked by a horse, is doing well. The doctor experienced quite a difficulty in reducing the fracture, as the thigh bone was broken near the knee joint. At the meeting of the board of directors of the schools of Penn township on Saturday evening, the following teachers were elected: Elk Creek, Katharine Stover; Pike, W. E. Braucht; Liberty, E. R. Schreckenast; Gettel, Lodie Risher; Mountain, Miss Smull; Coburn primary, T. A. Hosterman; Coburn grammar, not supplied. The directors would like to have a strong man for the vacant school—strong mentally and physically. On Saturday evening at 8 o'clock, Rev. J. F. Dunlap, D. D., president of Albright College, of Myerstown, will conduct a service in the United Evangelical church. It is a rare treat for our people to have an opportunity to see and hear a president of a college at this place and everybody should try to attend the service.

CLINTONDALE.

The Clintondale District Sunday school rally, which was held in this place on Friday evening, was a marked success and well attended. Rev. Hearck conducted the opening service, after which Mr. Adams, superintendent of the Trinity Methodist church, at Lock Haven, discussed "The Organized Adult Bible Class." The second speaker of the evening was Prof. Ding, superintendent of public schools of Lock Haven, and the last speaker was Mr. Harry Shaffer, whose object is to make Clinton county a "front liner" at the next State convention. If we had a few more as much enthused and concerned in the welfare of their county as is Mr. Shaffer, Clinton county would not remain among the star counties long. An announcement was made that the next Sunday school rally would be held at Mackeyville Friday evening, July 1, preceded in the P. M. by a Round Table convention. Miss Florence Rossman is home from Altoona on a three weeks' visit with her mother, Mrs. Annie Rossman. Mr. and Mrs. C. J. Shilling and little daughter, of Juniata, are visiting with parents and friends at this place and Kryder's. Mrs. J. H. Huston entertained the Missionary Society on Thursday afternoon; many out-of-town guests were present. Preaching services will be held in the Evangelical church on Sunday morning, July 3. We carry a full line of commercial stationery in stock, and can print your orders on short notice at the Centre Democrat office.

LEMONT.

The farmers began making hay and, if the weather is favorable they will have the finest hay that has been stored for many years. Samuel B. Weaver and John I. Thompson attended the State Prohibition convention, held at Harrisburg, last week. Last week was the hottest so far this summer; the thermometer stood at 84 degrees several days and the nights were warm. But that is what the growing crops need. Rev. A. A. Black's sale was well attended by the people of this town. George Grimes and family are entertaining his son-in-law and family, and a gentleman by the name of Chester, this week. Miss Ida Shuey and Adam Hanna drove down to Centre Hall on Saturday and had the words said making them, we hope, happy for life; and then during the evening the boys treated them to some fine music, using cowbells, old saws, etc. The Children's Day services held in the United Evangelical church on Sunday was well attended, and each child went through with the part assigned to it in good form. Phillip Bradford and family returned home Sunday from their visit of a few days at Centre Hall. Luther Dale and wife, with their father, A. W. Dale, on Sunday. Charles May and family, of Watstown, are circulating among friends in these parts. It has been reported the last two weeks that Dr. Allen came to Lemont to make his home, and each time the report proved incorrect; but they came Monday to stay, it is hoped by all, as this town cannot get along without a good doctor, and the above gentleman comes highly recommended.

SPRING CREEK.

Haymaking is now in order, the crop being above the average; wheat, corn and oats are doing finely. Rev. Stover will fill the pulpit of the Reformed church at Houserville on Sunday afternoon, at 2:30. Quite a number of the enterprising farmers of this community attended the farmers' meeting at State College on Wednesday afternoon; it was both interesting and instructive. J. D. Keller returned home after an extensive trip in other counties, gathering wool and selling woolen goods. Fred House, of State College, is spending his vacation at the parental home. D. Y. Wagner and wife spent Sunday in Lock Haven as guests of Jas. Waddle and family. Life Not Worth Living. Don't say life is not worth living. Take Sixine Pills and then when you feel the new life coursing through your veins you will feel new interest in living. Sixine Pills are sold by C. M. Parish, Bellefonte, Pa. where they sell all the principal remedies and do not substitute. Price \$1 a box; six boxes \$5. Full guarantee. A Fine Spring Game. When you have company a lovely game to play is flower spider web. This is played thus: In a nest are several small packages of flower seeds, and to each package is attached a cord of a different color. Each person is invited to choose a cord and follow where it will lead, for at the other end will be found the flower to which the seeds belong. The cords, of course, are carried in as intricate a manner as possible, under furniture and rugs around table legs, in and out through balusters, up stairs and down, until finally each child will find a potted plant with paper frills or a bunch of the flowers appropriate to the seed. The white to the stock gillies, the red to carnations, yellow to daffodils, the green to mignonette, the lilac to violets, purple to pansies and the pink to primroses. What's the Answer? Before attempting to do the trick place a pinch of salt on the white tablecloth in front of your place or wherever you wish to stand the egg, and it will not be noticed on the white tablecloth. After this has been attempted by others, place the egg in the pinch of salt, and you will be able to stand it on end as long as you please on the salt, as the small particles grip the egg and prevent it from falling. This is a splendid impromptu trick for a dinner table. Conundrums. When is a doctor most annoyed? When he is out of patients. Why is a poor acquaintance better than a rich one? Hot Weather Advice.

One of the best epitomes of rules for hot weather was compiled last week by Dr. C. Hampton Jones, assistant Commissioner of Health in Baltimore. Here they are: Be moderate in all things. Don't eat too much meat, or too much of anything else. Don't get grouchy because it's hot; everybody knows it. Don't say "Is it hot enough for you?" People have died for less. Don't drink intoxicants, and don't drink soft drinks indiscriminately. Lemonade is a good drink. Keep the body in good physical condition. Don't worry about anything. Whistle. Wear light clothes; light in texture and light in color. Black absorbs heat and so do dark colors to a great extent. Don't be afraid to wear shirtwaists. Forget to be so conventional in this particular. When you need envelopes, note heads, bill heads, shipping tags, business cards, etc., come to the Centre Democrat. We make a specialty of this kind of work.
