THE NEWS IN CONDENSED FORM FROM ALL PARTS OF THE COUNTY

PORT MATILDA.

The Free Methodist campmeeting is in full blast at this place. It is estimated that over one thousand were at the services on Sunday. Some put it at between fifteen hundred and two thousand. People were going continually all day. They have some very good speakers present. If they succeed in making any of our people better we hope that they will come another year.

Harvesting is about over in this vicinity. We have had fine weather for such, which would make the farmers feel thankful; the corn, potatoes and oats are showing all prospects at present for a bountiful crop.

On Thursday quite a crowd of people gathered at the home of A. B. Williams for the purpose of giving a surprise party for Harry Fisher of Richmond, Ind. It was Mr. Fisher's birthday and to keep him from finding it out Aaron and his brother took him up to the forby to fish until the people gathered. They kept him diligently at work hauling out shiners until nearly eleven o'clock then brought him back down to the house. He was told that someone was on the front porch, and that they did not know that he was there, and he was then to go around and surprise the person. You can slightly imagine his own surprise when he looked around the corner of the house and saw a whole porchful of people. He started to run away but they overtook him. He said he guessed he was surprised to the fullest extent. The ones in charge of the gathering then spread a sumptuous feast on the lawn which all seemed to enjoy immensely. All present seemed to enjoy themselves and Harry can look back years after this and remember the day with pleasure. The guests present were as follows: Mr. and Mrs. Joseph Harpster, Mr. and Mrs. George Harpster and daughter Alice, Mr. and Mrs. P. W. Young, Mr. and Mrs. Geo. R. Williams, Mrs. Jacob Moyer, Mr. and Mrs. John W. Williams, Mrs. John Smith and baby, Mrs. Mary Young, Mrs. Kate Weaver, Mrs. Ellen Williams, Mrs. Hannah Williams, Mrs. Marshall Lewis, Mrs. E. T. Spotts, Mrs. Margaret Spotts, Misses Estella Williams, Nannie Turner, Ida Turner, Edna Moyer, Pearl Harpster, Ruth Cowher, Eva Guyer, Grace Harpster, and Wilma Harpster; Messrs. Bernard Williams, Simon Harpster, Ralph Williams, John Williams, Dewey Williams, Ernest Moyer, John Cann and Walter Williams. Mr. Fisher is a brother of Mrs. Jennie Williams, who was the wife of Aaron Williams, a well known lawyer of Bellefonte, some years ago, but who has been dead for quite a number of years. It had been about fifteen years since Mr. Fisher had visited friends in this section, but when he again found his way into our community. He enjoyed himself so much that this year he is spending his entire vacation in our town and community. I believe if you ask him to recommend a place to spend your vacation and enjoy yourself that he will suggest Port Matilda.

We are sorry to state that one of Jacob Bigelow's daughters is very ill from the effects of a bad sunstroke. A good many of our people are suffering from summer complaint, or whatever you call it. The Free Methodists are holding their annual District Camp Meeting in Chaney and Thompson's grove, one mile north of Port Matilda, continuing from July 26th to 27th. A Tabernacle is erected on the ground to be used as a place of worship in time of inclement weather. They are also prepared to accommodate those coming from a distance with food and lodging at very reasonable rates. The spiritual work is ably conducted by Alfred J. Hill, Elder, and J. C. Davidson, pastor, assisted by able clergy from other districts.

CUTICURA CURES STAY CURED

First Father is Cured of an Eruption that Burned and Itched Day and Night. Then Baby is Cured of a Distressing Rash.

Neighbors Pleased to Find a Sure Cure for Skin Afflictions.

"I suffered for eight years with what the doctors called the 'seven year itch.' This was like small red pimples such as form on the face but they burned and itched, day and night. These pimples were from my ankles up, but mostly on my thighs and arms. I tried doctor after doctor but their medicines brought no relief. But at last I struck the right treatment—this was Cuticura. I bought a set of the Cuticura Remedies—Cuticura Soap, Ointment and Pills—and a few applications brought relief. When I had used about half the set I was nearly cured and after using two full sets I was well and best of all, I have stayed cured."

"About four months ago, our baby began to be covered with a rash and his head with a spreading sore. Back of the ears, the flesh cracked open and the poor baby would scratch at a hole in his skin, cry and could not sleep. Then we bought a set of Cuticura and with a few applications the burning and itching ceased, baby stopped worrying and could sleep. When this single set had gone we had an use for any more as baby was never troubled with the disease again. The neighbors who saw the condition of the baby all asked what cured him and when we told them, they were surprised and pleased to find a sure cure for these skin afflictions. Edward H. Carter, 325 North 27th St., Camden, N. J., Mar. 6, 1910."

A single set of Cuticura Soap and Ointment is often sufficient, restoring it the most economical and certain of the skin and scalp, used throughout the world. Potter Drug & Chem. Corp., Sole Props., 135 Columbus Ave., Boston, Mass. For full details, latest Cuticura Book on Treatment of Skin and Scalp Affections.
