More than one au-tomobile has had a severe bump at that place, and the supervisor could do a good act by repairing the pesky thing.

-On Tuesday afternoon Mrs. S. Donachy returned from Williamsport at that place. She says her husband is getting along as well as can be expected, although four pieces of his jay bone had been taken out since he left here two or three weeks ago. It will remembered that before going to Williamsport the jaw bone broke in two, causing one side of his jaw to be lower than the other. If the physiclan can cure the necrosis some method will be taken to supply the loss of bone in his jaw so there will be no disfigurement. The case is a very serious one, and no one can tell the outcome.

### A WORTHLESS DECISION.

In the case of Grove et al vs. the the local papers are all wrong in their statements as to what the Court, in reversing the Court below, decided. But for the fact that all of the town papers have come to the conclusion that the decision handed down affects many school districts this would not be written.
