by Miss Sarah Louck on the school house campus on Tuesday evening, Sept. 6th, was the second event. Sept. 6th, was the second event of its kind here this season, and like its predecessors was enjoyed to the limit. After the dancing had ceased and the corn had been separated from the husks and apples which were cooked along with the corn to flavor it, all commenced to eat as if they had had no corn since last year, and expected no more until next year. In fact, when the time came to go home some were in favor of singing, "We won't go home until morning," but the majority ruled and at a late hour all departed for their, or someone else's home, in a very happy mood. Those who were present and wished for many more such evenings were, Newt Louck, Lloyd Walker, Fred Witherite, Clair Poorman, Samuel and James Shirk, Merril and Elry Lucas, Roy and Orvis Lucas, Norris Shope, Clyde Watson, Misses Sarah and Anna Louck, Lera Ammerman, Olive Lucas, Elsie Walker, Florence Lucas, Maud and Minne Walker. Stewart had placed it on top of articles in her trunk, so that it would be seen when the trunk was opened. Miss Stewart was an attractive young woman, 23 years old. She had many friends, but evidently became melancholy because the right man did not come along.

NO TONGUE CAN TELL

Until I was Cured by Cuticura Remedies. Body and Face were Covered. Terrible Pain and Itching. Made Up Mind Death was Near and Longed to be at Rest. Began to Feel Better After First Bath with Cuticura Soap and Application of Cuticura Ointment.

No tongue can tell how I suffered for five years with itching and bleeding eczema, until I was cured by the Cuticura Remedies, and I am so grateful I want the world to know, for what helped me will help others. My body and face were covered with sores. One day it would seem to be better, and then break out again with the most terrible pain and itching. I have been sick several times, but never in my life did I experience such awful suffering as with this eczema. I had made up my mind that death was near at hand, and I longed for that time when I would be at rest. I had tried many different doctors and medicines without success, and my mother brought me the Cuticura Remedies, insisting that I try them. I began to feel better after the first bath with Cuticura

and one application of Cuticura Ointment. I continued with the Cuticura Soap and Cuticura Ointment, and have taken four bottles of Cuticura Resolvent, and consider myself well. This was nine years ago and I have had no return of the trouble since. Any person having any doubt about this wonderful cure by the Cuticura Rem-

edies can write to my address (Signed) Mrs. ALTIE ETSON, 93 Inn Road, Battle Creek, Mich. Oct. 16, 1909. Send to Potter Drug & Chem. Corp., 131 Columbus Ave., Boston,
