The sermon will be preached by the Rev. E. F. Faust, pastor of the Reformed church. The second special service alluded to will be held the first week of January. This is known throughout the church as the Week of Prayer. It is the custom in many places for the churches to hold, union services during this week. The Week of Prayer will thus be observed in Howard. Beginning Sunday evening, Jan. 1, 1911, union services will be held each evening.

Sunday evening, Jan. 1, 1911, union services will be held each evening. Jan. 8. The services will be in the ed, two evenings in each; Methodist, Christian Chapel, Reformed and Evangelical. This will constitute a Season of Prayer and will be inspiring and It is hoped that all the people of town will attend these services. Subjects of deep interest will be discussed. Two pastors will speak at each service except that on each of the two Sunday evenings a sermon will be preached by one of the pastors. There will be a large choir consisting of the united choirs of the several churches of town. Soul-stirring hymns will be sung. This will be a spiritual treat for all. Nothing will be left undone by the pastors to make it a week of blessing for the churches and people blessing for the churches and people of Howard. When she went home about 9 o'clock she took the doorkey out of her pocket, unlocked the front door next the street, and left the key sticking in the door, presumably to show her courage; fixed the fire for the night and went to her bed, and after saying "Now I lay me sumably to show her courage; fixed the fire for the night and went to her bed, and after saying "Now I lay me down to sleep," etc. was soon sweetly wrapped in the arms of Morpheus, sleeping the sleep of innocence. In the morning, when she came down stairs, she discovered that the key was not in its place on the inside of the door. On opening the door she found the key, with a large red ribbon tied to it on purpose, to attract burglars, sticking on the outside of the door, where she had left it. Poor, dear lady; she would have fainted but there was no man there to catch her. I tell you, it takes a brave, courageous woman to sleep alone in a house with the front door key sticking in the door on the outside. I'll bet it won't happen again before there's a Democratic president elected which will be on the Tuesday after the first Monday of November, 1912.
