Schnell, a native of Bellefonte, but for some years past of the well known residents of Guthrie, Oklahoma, died suddenly on Tuesday, November 29th, while upon a visit to his three sisters and brother at Fort Des Moines, Iowa. The first news was received by his cousin, Thaddeus R. Hamilton, in a telegram last week. Augustus Schnell was a son of Joseph and Catherine Schnell, who both died a number of years ago in Bellefonte. He was born and lived for many years here, having been a trusted clerk in the old Humes store, where P. D. Sheffer now is. At the outbreak of the Civil War he enlisted in the old Eagle Guards, Co. H, 4th Regiment, under Capt. Austin B. Snyder, for the three months' service. His death was the first in the family since the death of his parents in Bellefonte thirty-five years ago. He is survived by four brothers and three sisters, all of whom live in the West.

HAUPT.—Mrs. Catharine Yerger Haupt, widow of the late Simeon Haupt, died on Wednesday evening, Nov. 30th, at 10:30, at the home of her son-in-law, G. Fred Musser, on Logan street. Deceased had been in failing health for the past year or more due to the infirmities of old age, but had been confined to her bed only about three weeks. She was a daughter of Jacob and Mary Miller Yerger, and was born at Hartleton, Union county, December 25th, 1828, hence was 81 years, 11 months and 5 days old. She was united in marriage to Simeon Haupt, at Millheim, on September 10th, 1856. She had been a resident of Bellefonte for many years and was a woman who was at all times kind and thoughtful of those around her. She was a member of the Methodist church since early womanhood and followed the teachings of the Master in an earnest, humble way. During the past ten years she made her home with her son-in-law and daughter, and her declining days were days of peace and comfort. PASSMORE.—Jas. Passmore died at Philipsburg, Dec. 6. He was born April 4th, 1846, at Newton, Devonshire, England. Of an adventurous and ambitious nature, he left the shores of his native land in 1865 for Canada, where he remained until 1869, when the greater attractions of the United States appealed to his imagination and as a prospector and expert miner, he assisted in fixing the charge with his sick wife which blew away the first obstruction at Hell Gate. He operated in South Carolina, where were opened up copper, lead and silver mines. On September 3rd, 1873, coming to Philipsburg, he found employment with the late John Nuttall, who was then operating the Decatur mines. He was united in marriage to Mrs. Alice Haworth, who owned and operated a boarding house known as the Swan Hotel, afterwards founded the Passmore House, a hostelry known throughout the state. This proved a profitable venture and the name of James Passmore became known in a very enduring way to the traveling public. He was a leading promoter of Philipsburg's street railway system. At the time of his death he was President of this corporation and of the Philipsburg Electric Light Co. He was also one of the incorporators of the Moshannon National Bank. Mr. Passmore was married a second time, his present wife having been Miss Janet Donaldson, of Morristown. Three children also survive him by this union in the persons of Mrs. S. H. Wigton, James and Miss Janet.

Romance With This Marriage. La Vere Tallman, 17 years old, and Beatrice Sanders of the same age, were married at New, N. J., on December 1st, after a romantic adventure which won for them the consent of their parents to the match. For six weeks they lived in a cave in the Catskill mountains New York, having left home because their parents would not consent to their marriage. The bride is a member of a well-to-do Newark family. Her boy husband was a drug clerk. They fell in love last summer, and when permission to be married failed they fled, on September 15, with what little money they had, and went to the cave, this they had furnished with cheap rugs and rustic furniture. Tallman shot rabbits and caught fish. The girl cooked flapjacks on a griddle which they found.

Cold weather drove them from their mountain retreat to Yonkers, N. Y. The boy got work as a driver, but lost his place and the couple were in the railway station last night trying to keep warm when a policeman arrested them on a charge of vagrancy.

The girl's parents promised that there would be no further opposition to the marriage, when they learned that she had been found and the pair were returned to Newark. As soon as they arrived today they obtained a marriage license and the knot was tied.

Bars Mormon Preachers. Deciding their doctrine and teaching to be contrary to the Constitution of the United States, when he found no ordinance applicable, Mayor Weaver has refused permission to two Mormon elders to preach in York.

The mayor contends that, while the Mormons of today are not openly advocating the practice of polygamy, their teaching approves it.

The wise prophet does not tempt fate oftener than is necessary to maintain his reputation.

Down on Pennsylvania "Dutch." Dr. Nathan C. Schaeffer, State Superintendent of Public Instruction, in an address before the nineteenth annual convention of the Berks school directors on "The course of study," declared that "new-fangled ideas reigned in educating the child from the 'elbow down.'" He expressed himself strongly against the use of Pennsylvania "Dutch," as a language, and thinks that it should be rooted out as being only a conglomerate hash of no elegance or force. That would be

rough on Bonesteal's Gasjet, which depends upon that sort of "talk" in absence of anything else of merit, for its subsistence.

Heresy Trial.

The trial of the Rev. Dr. Grant, pastor of the Northumberland Presbyterian church, before a judicial commission appointed by the Northumberland presbytery, began on Monday morning. The trial will be held in the Northumberland church. Witnesses have been subpoenaed on both sides.

Weak Heart

Many people suffer from weak hearts. They may experience shortness of breath on exertion, pain over the heart, or dizzy feelings, oppressed breathing after meals or their eyes become blurred, their heart is not sufficiently strong to pump blood to the extremities, and they have cold hands and feet, or poor appetite because of weakened blood supply to the stomach. A heart tonic and alterative should be taken which has no bad after-effect. Such is Dr. Pierce's Golden Medical Discovery, which contains no dangerous narcotics nor alcohol.

The ingredients, as attested under oath, are Stone root (Collinsonia Canadensis), Bloodroot (Sanguinaria Canadensis), Golden Seal root (Hydrastis Canadensis), Queen's root (Stillingia Sylvania), Black Cherry bark (Prunus Virginiana), Mandrake root (Podophyllum Peltatum), with triple refined glycerine, prepared in a scientific laboratory in a way that no druggist could imitate.

This tonic contains no alcohol to shrink up the red blood corpuscles; but, on the other hand, it increases their number and they become round and healthy. It helps the human system in the constant manufacture of rich, red blood. It helps the stomach to assimilate or take up the proper elements from the food, thereby helping digestion and curing dyspepsia, heart-burn and many uncomfortable symptoms, stops excessive tissue waste in convalescence from fevers; for the run-down, anemic, thin-blooded people, the "Discovery" is refreshing and vitalizing. Stick to this safe and sane remedy, and refuse all "just as good" medicines offered by the druggist who is looking for a larger profit. Nothing but Dr. Pierce's Golden Medical Discovery will do you half as much good.
