The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stornach to digest food, build up the body and thereby throw of lingering obstinate coughs. The "Discovery" rz-establishes the digestive and nutritive organs in sound Lealth, purifies and enriches the blood, and nourishes the nerves-in short establishes sound vigorous health.

If your dealer offers something "Just as good," it is probably better FOR HIM-... it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.
