-For some time William Bottorf, mit to an operation and was taken to the hospital on Sunday morning and Dr. Seibert, assisted by Dr. Hayes, performed an operation that revealed a well defined case. Since then his condition has been satisfactory, and in the course of a few weeks his complete recovery from the annoying ailment is anticipated.

-Last summer a complete canvass was made of Bellefonte and vicinity by a firm with the view of issuing a new directory. It was to have appeared several months ago and our people were looking for it. This week people were looking for it. This week the publisher was in Bellefonte lookafter some affairs connected with the same, and he informed us that owing to some delays in the mechanical de partment of his plant the printing was delayed. It now is his expectation to have the directry issued for delivery sometime in February. It has been a long time since we have had a direcof Bellefonte and this one will be appreciated by our people at this

-On Tuesday Mrs. Eliza Ammerman, of this place, reached the 68th anniversary of her birth and to make the event a happy one for the good lady, two of her sons came home to help celebrate it—Will Ammerman, of Mt. Carmel and A. B. Ammerman, of State College. They together with Wm. S. Stover, a friend from State College, and those at home, her son John, and brother Augustus Wolfe, made up a pleasant little home gathering. A daughter who lives at Philipsburg, was unable to be present on account of illness. Mrs. Ammerman received a number of useful presents. and if good wishes count for anything been holding Sunday afternoon meet-she will be blessed with many more ings in the Pastime theatre at that such happy anniversaries.

—The slot gambling machines are now a thing of the past in Bellefonte. The edict issued by Burgess Bower has been carried out, and the annoying machines have been laid on the shelf until the matter has been forgotten and they can be brought forward again. Not all the machines in use in Bellefonte are gambling devices, as many give value every time money is placed in them. These are legitimate, and those who have them in use need have no fear of the law on this point.

-When one thinks of the vast amount of educational matter which is now being used in the making of vingpictures, there is small wonder why this popular amusement is growing in interest. The Scenic continues each night with its excellent pictures for which it has become famous, and every Saturday afternoon gives a matinee to which ladies and children are especially invited. A clean, comfortable place of amusement, and an enjoyable entertainment for only 5 cents.
