Mrs. Tillie Peck visited friends in

iting his lady friend, Miss Marie E.

The sad news reached this place one day last week of our young gentleman Ray Showers, who is attending the Williamson schools and who was struck by a train near that place, last week and pretty badly used up, but what we can learn, at this writing, is getting along as well as can be ex-pected. Ray's parents and his host of friends through here were greatly shocked to hear such sad news. All hope for his speedy recovery, Mr. and Mrs. Daniel Showers left for Phil-adelphia, to be at the bed-side of their son, the family have the sympathy of

## The Human Heart

The heart is a wonderful double pump, through the action of which the blood stream is kept sweeping round and round through the body at the rate of seven miles an hour. "Remember this, that our bodies will not stand the strain of over-work without good pure blood any more than the engine can run smooth-ly without oil." After many years of study in the active practice of medicine, Dr. R. V. Pierce found that when the stomach was out of order, the blood impure and there were symptoms of general breakdown, a tonic made of the glyceric extract of certain roots was the best corrective. This he called

## Dr. Pierce's Golden Medical Discovery

Being made without alcohol, this "Medical Discovery" helps the stomach to assimilate the food, thereby curing dyspepsia. It is especially adapted to diseases attended with excessive tissue waste, notably in convalescence from various fevers, for thin-blooded people and those who are always "catching cold."
