

Correspondents' Department

Continued.

PORT MATILDA.

We are sorry to state that Mrs. A. S. Price, who left us a week ago, and went to the M. E. hospital in Philadelphia for treatment, is in a very critical condition.

The Knights of the Golden Eagle of our town will give an oyster supper to the members and their wives, (or best friends if they have no wives) on Saturday evening, February 11, in the K. G. E. Hall.

The 5th Annual District Sunday School Convention of Houston, Taylor, and Worth townships will be held in the Baptist church at Port Matilda, February 17th and 18th.

Mr. H. C. Woodring deserves a vote of thanks from our citizens, for the placing of the crushed lime stone walks he made across the streets at the diamond.

A new blacksmith shop is to be built in our town in the spring, which we understand will be occupied by Adam Cowher and son J. E. Cowher, of Bald Eagle.

GREENBURR.

Whether this crooked weather is to blame or the crooked tongues of our village, we will let you decide. Last week in regard to the increase in "Lee Lamey's" family, for instead of a son, (as reported last week) it is a daughter; nevertheless, the newcomer is welcome and mother and child are doing fairly well.

Clair Kahl will leave for Big Rock, Ill., about the 20th of February, to spend the summer with his uncle, Charles Gramley.

Ray Kahl intends to work for J. A. Sager, of Mackeyville this coming summer.

If dame rumor is correct, the Greenburr corner band will after many months of idleness, take up the work again, and prepare for any calls that may come their way during the coming season.

It is reported that George Douth has rented the Abigail Brunner farm. John Wolf moved part of his saw mill back to Livonia to finish his job there.

According to present indications very little moving will be done in our town this coming spring.

EVANGELICAL UNION.

An Effort Will Be Made to Unite Both Branches.

The announcement comes from Allentown that commissioners representing the Evangelical Association and the United Evangelical denominations will meet in Chicago on February 1st with a view of formulating a plan to unite the two bodies, thus terminating a twenty years' war.

Teachers' Local Institute.

A teachers' local institute will be held in Grange Arcadia, Centre Hall, Saturday, February 4th. There will be two sessions. The district is composed of Centre Hall borough, Potter and Harris townships.

Forenoon—"Are We Emphasizing Mathematical Studies to the Hurt of English in the Public Schools?" by Henry M. Hosterman, A. T. Fletcher and Helen Bartholomew.

Afternoon—"Agriculture in the Public Schools" by Prof. C. R. Neff and S. W. Smith. "Mistakes in Teaching" by Rev. W. H. Schuyler, Irpha Gramley, Bruce Ripka and Charles Horner.

The Poor Printer.

A newspaper is a peculiar thing in the public's eye. The news gatherer is stormed at because he gets hold of one item and is abused because he does not get another.

People to the Square Mile. Centre county has 36 people to the square mile, its area being 127 square miles.

Wayne county has 35 people to the square mile and is one of the 22 counties with less than 50 persons to the square mile. Thirteen have from 50 to 100, 50 have 100 to 1000.

Lackawanna has 551, Luzerne 237, Pike, the least, has but 13; Susquehanna 46; Wyoming 35 and Monroe 53.

Pennsylvania has an average of 176.6 people per square mile.

History by the Small Boy. A Hardin county schoolboy in writing a composition on Patrick Henry said: "He married when he was quite young and then made a speech in which he said: 'Give me liberty or give me death!'"

RECENT DEATHS.

OSEWALT.—William Osewalt, Sr., died on Monday at Clearfield, the result of dropsy and heart trouble. The body was brought to the home of his son, William in Phillipsburg, where funeral services were conducted; interment at Snow Shoe. The deceased was born in Penna valley, and was aged 68 years. Two sons and one daughter survive. Mrs. Womer, Bellefonte, and Mrs. N. Lucas, Gillingtown, were sisters of deceased.

KREAMER.—Mrs. Susan Kreamer, widow of the late Jonathan Kreamer, died at the home of her daughter, Mrs. F. P. Musser, on Monday morning, January 23, at 9 o'clock, of acute debility, aged 86 years, 11 months and 9 days. Deceased was a life-long member of the United Evangelical church. She leaves to survive two sons and four daughters, as follows: Alfred F. of Millheim; John H. of Harrisburg; Mrs. Mary A. Miller, of Harrisburg; Mrs. Alice S. Musser, and Mrs. Emma J. Frank, of Millheim, and Mrs. Cora V. Bowman, of Oakland, Col. One sister survives, Mrs. Lydia Meyer, of Aaronsburg. Funeral services were held Thursday morning following conducted by Rev. W. J. Dice, and interment was made in the Union cemetery.

BELL.—Andrew George Bell, a son of the late C. C. Bell, of Huntingdon, but formerly of this place, died at his home in that place, Saturday night, January 21st, of tuberculosis. Deceased was born at Aaronsburg, this county, and was 28 years, 9 months and 9 days old. When he was a boy his parents moved to this place and here is where he got his early education. Fourteen years ago his father was appointed to the position of superintendent of masonry and brick laying in the Huntingdon reformatory and moved to that town. Deceased was united in marriage to Miss Jessie Kline about three years ago and their only child died when about six months old. Surviving him, in addition to his wife are his mother, three brothers and one sister, namely: John R. C. Eak, and Mrs. Frank Patton, of Huntingdon, and H. H. Bell, of Coatsville. The funeral was held the following Tuesday.

KREBS.—David L. Krebs, former judge and one of the leading members of the Clearfield county bar, died in the University hospital, Philadelphia, at six o'clock on Wednesday evening, January 25th, of uraemic poisoning. He left Clearfield several weeks ago to travel in the south for the benefit of his health but failed to improve and he died on Sunday he was taken to Philadelphia from Macon, Ga., and entered the University hospital for treatment. It was evident at the time to the hospital authorities that his condition was very serious but the end came sooner than anticipated.

There was plenty. Some are getting alarmed already as to next year's crops—that the same may be short. Don't get uneasy this early in the winter.

There was plenty. Some are getting alarmed already as to next year's crops—that the same may be short. Don't get uneasy this early in the winter. Last year there was a poor outlook for everything up until late in the spring, when Providence began to move, and to the surprise of all farmers and tradesmen—grain, fruit, rains and sun warmth, sprung up as if by magic, and all ripened and blossomed and ripened and was gathered in the barns and cellars, in overabundance. And there is still enough of last year's abundance left over to feed man and beast, for another year, 1912, year even though there set in a fall, of this year of our Lord, 1911. So don't fret—it would not be showing any trust in the Great, Allwise One above.

God Told Him to Do It. James Galie, a railroad trespasser (aka here) who got uneasy this Friday, said he had been told by God to get on a train at Harrisburg and he would land in Pittsburg all right.

Cured Splint. Sloan's Liniment on a fine mare for splint and cured her. This makes the third horse I've cured.

Cured Thrush. Mr. R. W. PARISH, of Bristol, Ind., R. No. 2, writes: "I have used lots of your Liniment for horses and myself. It is the best Liniment in the world. I cured one of my horses of thrush. Her feet were rotten; the frogs came out; she laid down most of the time. I thought she would die, but I used the Liniment as directed and she never lies down in the daytime now."

Falls Victim to Thieves. S. W. Bends, of Coal City, Ala., has a justifiable grievance. Two thieves stole his health for twelve years. They were a liver and kidney trouble. Then Dr. King's New Life Pills throttled them. He's well now. Unrivaled for Constipation, Malaria, Headache, Dyspepsia. 25c. at Green's Pharmacy Co.

Building Material. When you are ready for it, you will get it here. On LUMBER, MILL WORK, ROOFING, SHINGLES, and Glass. This is the place where close prices and prompt shipments of reliable materials get the orders of all who know of them.

An Estimate? BELLEFONTE LUMBER COMP. Bellefonte, Pa.

EXPRESS RATES DROP.

Fear of Parcel Post Causes Companies to Act. Officers and representatives of nearly all the transcontinental express companies met in New York City last week and agreed upon a reduction of rates that means the abolishing of the so-called "double-guarantee charge." At present charges are made on a package by each and all companies that handle it. The new rate will be that minimum charge for carrying the package between intercompany points on the basis of the single company charge. On an average, it is said, the reduction to the ordinary shipper will mean, in the course of a year, a saving of five to seven per cent. on his express shipments.

It has always been customary when such shipments were handled by two or more companies where joint rates were not in effect, to make the charge equal to the sum of the local charges for each company. Under the new plan only one charge will be made. An example is made of the shipment of a ten pound package from Plainfield, N. J., to Boston, Mass., by way of New York City.

The present rate, Plainfield to New York to Boston, by way of another company, 45 cents, thus bringing the total charge to 75 cents. Under the new tariffs the distance would be considered from Plainfield to Boston direct, as if one company handled the package, which would bring the charge to 55 cents, a difference of 20 cents.

The real cause of the change of rate on the part of the express companies is such as traced to their fear that the Government will carry its parcel post experiments to a successful result. At present this Government has agreements with all the civilized countries of the world concerning receiving and sending packages by mail. Under this system it costs 54 cents to send a four-pound package through the mail between any two points in the United States. The same package could be mailed to Berlin, Germany, for 48 cents because of the German parcel post system.

Such regulations as these and the fact that the Wells Fargo Express company paid a dividend of 200 per cent. last year and the Adam Express people one of 200 per cent. on four per cent. bonds in 1907, made it possible for the Interstate Commerce commission to maintain that the express companies contribute to railroad graft and further changes in rates may be expected.

Killed Prize Roosters. Policeman Edward Hainley, of Hollidaysburg, brought home triumphantly last Saturday a coop of nine Wyandotte roosters, prize winners at the Blair county poultry show. Mr. Hainley's 4-year-old baby boy invaded the coop. A battle between the baby and fowls resulted. At its close Master Hainley was badly pecked, scratched and torn, but victorious when he had the blue-blooded Wyandottes whose necks he had wrung.

Will Take Job For Half. Owen J. Jones, a farmer, threw a bomb into the ranks of forty candidates for the \$4000 position of Commissioner of Cambria County when he offered to take the place for \$2000.

The present Commissioners receive \$1500 each, but the increased population will give the officers elected next Fall the increased salary. Jones says \$2000 is all the place is worth.

Corset Coat For Men. The corset coat is the fashionable spring and summer garment for men this year. The smart man's trousers will fit his legs so snugly it will be necessary for him to remove his shoes in order to change them.

The edict for spring and summer fashions was issued when the thirty-first annual convention of the Custom Cutters of the United States and Canada met in St. Louis Tuesday.

HANDS CRACKED AND PEELED

Tried Many Remedies but Crew Worse - Impossible to Do Housework - Cured by Cuticura Soap and Ointment.

"About six years ago my hands began to crack and peel. I tried many remedies, but they grew worse all the time. At last they became so sore that it was impossible for me to do my household work. If I put my hands in water I was in agony; if I tried to cook the heat caused intense pain. I consulted a doctor, but without the least satisfaction. After about a year of this suffering, I got my first relief when I tried Cuticura Soap and Cuticura Ointment. After using them for a week I found to my great delight that my hands were beginning to feel much better, the deep cracks began to heal up and stop running, and in a little while my hands were cured by using only one can of Cuticura Soap and one box of Cuticura Ointment. I am very thankful to say that I have had no return of the skin disease since. I shall be glad if you will publish this so that others may know of Cuticura. Mrs. Minnie Drew, 23 Danforth St., Jamaica Plain, Mass., April 20, 1910."

For thirty years Cuticura Soap and Cuticura Ointment have afforded speedy relief to tens of thousands of skin-tormented and disfigured sufferers from eczema, rashes, itching, irritations and chafings, from infancy to age, bringing comfort and peace to distracted households when all else failed.

Cuticura Remedies are sold throughout the civilized world. Beware of cheap imitations. Buy only the genuine. Sole U.S. Dispensary, 23 Danforth St., Boston, Mass. - Mailed free, 32-page Cuticura Book. "How to Care for and Treat the Skin and Scalp."

2/3 of Present Piano Stock Must be Sold by April 1st. Big Opportunity for Cash Piano Buyers.

All Regular Lines Sold at Cost During This Sale--Bare Selling Expense Added.

Many Makes and Styles of Pianos which will Not be Handled After April 1st, are Selling at a Small Advance Over and Above Cost at Factory. This applies to Grands, Uprights and Player-Pianos Alike.

Discontinued Styles and Slightly Used Chickering, Knabes, and Hardmans, Included.

Last week began our Annual Clearing Sale--the Twenty-eighth since the establishment of our business. In round figures--two-thirds of our entire stock comes under the rules of this sale--which are, in a few short words, to Clean Up.

Cleaning up during these annual sales simply means: 1. To sell all odd lots. 2. To sell all discontinued styles. 3. To sell all slightly used instruments. 4. To sell all second-hand instruments. 5. To sell all extremely high-priced instruments.

"Odds and Ends" in a large piano business like this are tremendous. Like remnants in a department store. A lot of nice pianos will dwindle down to 2 or 3. Many are just put out of the "new" class by being used for exhibition, concert or recital purposes. Hundreds of second-hand pianos come to us as a part payment on new pianos.

Manufacturers' samples make up a large enough number to be reckoned with. Then styles the manufacturer does not intend making again, and styles we do not intend buying again--so, that all in all, the numbers are staggering, when taking our 12 large stores into consideration.

Giving rough figures--as taken from stock sheets of all the stores--there are included in this sale: 20 New Art Pianos. 45 New Grand Pianos. 225 New Player-pianos. 400 New Upright Pianos. 30 Used Grand Pianos. 25 Used Player-pianos. 300 Second-hand Pianos. 40 Manufacturers' Samples.

1785 Pianos all told. These annual clearing sales offer unprecedented opportunities to get a bargain in a piano. The sale straight through is made up of as choice a lot of medium and high grade pianos as are to be found on the globe. Scores and scores of these instruments bear names as familiar as those of our families.

Prices and Terms. Prices during this, as well as all similar previous sales, are substantially--factory cost, with selling expense added. No profit is made or expected during these sales. In some instances even selling expense is eliminated, the instruments being marked at bare factory cost, or a very little above.

Terms during this sale are spot cash or its equivalent. The inducement to buy is had in the low prices--not in easy terms. We are willing, however, to extend reasonable terms, such as 6, 8, 12 or up to 18 months' time, with the understanding, of course, that interest will be charged upon all unpaid amounts at the rate of 6 per cent.

Out-of-Town Customers. During this sale, as in previous years, stock sheets are exchanged each week with all of our 12 stores, so that each and every store knows what pianos are available at each of our other stores. We can thus furnish out-of-town buyers with authentic lists of all instruments included in the sale, a brief description and photographs of the instruments, together with prices--so that those living at points inaccessible to one or another of our stores can buy as intelligently as though they were selecting the pianos directly upon our floors.

Satisfaction is guaranteed in each and every instance, or money will be refunded. Write at once.

W.F. Frederick Piano Co. 635-637 Smithfield St., Pittsburg, Pa.

REMOVAL SALE!

OF ENTIRE STOCK

EVERYTHING MUST BE SOLD REGARDLESS OF COST.

Owing to the fact that we are moving our large stock of goods to the Aikens Block on Allegheny street, we have decided to let the people of Bellefonte and vicinity help us move and reduce our stock, and have made prices for this sale without considering cost.
