### EDITORIAL.

Taft, just now, is not in high favor sire to treat everybody fairly should with the standpatters, and the insur- prevail, instead of having emissaries gents do not think he is near up to running over the state trying to pergents do not think he is near up to par. Both these wings of the repub-licans would rather see a democrat in Taft's place-and so would the entire should extend, cordially, its hand to country.

Now let Taft stick to his reciprocity tariff treaty with Canada, it is entireendorsement of the insurgent republicans, as well as the great mass of the downwards so long advocated by dem- words: ocrats.

Mark Twain didn't admire Teddy Roosevelt in any superlative degree. Among his documents has been found This being so, and the fact well known a written opinion of the doughty to the leaders that they are distrust-Colonel which is to say the least not the variable of the party, flatterng. Among other things, the hold on and persist in having the parfamous humorist wrote, "Our people ty led by distrusted leaders. have adored this showy charlatan as perhaps no imposter of his breed has greater than any clique or aggregabeen adored since the Golden Calf."

The democratic policy in favor of a tariff for revenue is as old as the government and founded upon a proposibut it is no millionaire breeder. The

as chilling as an arctic iceberg. It was a foolish and an uncalled for should not be too harshly censured. SHUTT:--Mrs. Maur more than enough revenue from other the gangsters' reach that have been plundering the state of millions. Centre county is to the front in remonstrance. Taft has taken another swing around. From high tariff standpatism he has turned in for free trade with Canada, and sent in to the Senate a treaty to that effect, for its ratification. This has raised the dickens with the high tariff muggers .- the only pitty is that the President did not take that stand at his inauguration, order and declare that the tariff revision, as promised in the platform upon which out. Reciprocity with Canada, as his many of our industries. treaty now proposes, is all right, and in accordance with democratic sentiment and a boon for the millions who have been victims of robber tariffs these forty years.
